Ongoing fieldwork activities¹ throughout the project corridor

The Ballard Link Extension will (BLE) provide fast, reliable light rail connections to dense residential and job centers in the Chinatown-International District (CID), Downtown, Interbay, and Ballard neighborhoods.

¹ Sound Transit is in the planning phase for the Ballard Link Extension project. As part of this phase, Sound Transit is coordinating with property owners throughout the corridor to collect and analyze information necessary to plan and design potential light rail alignments to be studied in the environmental review process.
