

# Help shape the future of transit in our region

Attend our event to learn about contract opportunities in your field and connect with industry partners.

Tuesday, Jan. 21 | 8–11 a.m.  
Ruth Fisher Boardroom  
Union Station, 401 S Jackson St., Seattle

## You're invited!

Sound Transit and ACEC are looking for prime consultants and subconsultants to attend our upcoming **Professional Services Multiple Award Task Order Contracts (MATOCs) networking event**. This event will bring together interested consultants to learn about these contracts and connect with one another. We'll focus especially on creating opportunities for small, disadvantaged, and underutilized businesses.

**8–8:30 a.m.:** Check-in, complimentary coffee and pastries.

**8:30–9:30 a.m.:** MATOC presentation and Q&A.

**9:30–11 a.m.:** Networking.

Create and strengthen meaningful connections, learn about Sound Transit's commitment to inclusive contracting practices, and discuss upcoming partnership opportunities within the Professional Services contract, including these three categories:

- **Design/architectural and engineering services.**
- **Environmental Services.**
- **Project management/construction management.**
