Unless the context shall otherwise require, references to any Person shall be deemed to include such Person’s successors and permitted assigns. Unless the context shall otherwise require, references to preambles, recitals, sections, subsections, clauses, schedules, exhibits, appendices and provisions are to the applicable preambles, recitals, sections, subsections, clauses, schedules, exhibits, appendices and provisions of this Agreement. The schedules and exhibits to this Agreement, and the appendices and schedules to such exhibits, are hereby incorporated by reference and made an integral part of this Agreement. The headings or titles of this Agreement and its sections, schedules or exhibits, as well as its table of contents, are for convenience of reference only and shall not define or limit its provisions. Unless the context shall otherwise require, all references to any resolution, contract, agreement, lease or other document shall be deemed to include any amendments or supplements to, or modifications or restatements or replacements of, such documents that are approved from time to time in accordance with the terms thereof and hereof. Every request, order, demand, application, appointment, notice, statement, certificate, consent or similar communication or action hereunder by any party shall, unless otherwise specifically provided, be delivered in writing in accordance with Section 36 (*Notices; Payment Instructions*) and signed by a duly authorized representative of such party.

SECTION 3. RRIF Loan Amount. The principal amount of the RRIF Loan shall not exceed \$154,152,530 (excluding capitalized interest). RRIF Loan proceeds shall be disbursed from time to time in accordance with Section 4 (*Disbursement Conditions*) and Section 12(b) (*Conditions Precedent to All Disbursements*).

SECTION 4. Disbursement Conditions.

(a) RRIF Loan proceeds shall be disbursed solely in respect of Eligible Project Costs, which costs have been previously paid or incurred by or on behalf of the Borrower in connection with the Project. If the Borrower intends to utilize the RRIF Loan proceeds to make progress payments for the Project construction work performed under any Construction Contract, the Borrower shall demonstrate to the satisfaction of the RRIF Lender that such progress payments are commensurate with the value of the work that has been completed. Each disbursement of the RRIF Loan shall be made pursuant to a requisition and certification (a “**Requisition**”) in the form set forth in Appendix One to **Exhibit D** (*Requisition Procedures*), along with all documentation and other information required thereby, submitted by the Borrower to the RRIF Lender, all in accordance with the procedures of **Exhibit D** (*Requisition Procedures*) and subject to the requirements of this Section 4 (*Disbursement Conditions*) and Section 12(b) (*Conditions Precedent to All Disbursements*); provided that no disbursements of RRIF Loan proceeds shall be made after the later of (i) the date that is one (1) year after the Substantial Completion Date, and (iii) the Debt Service Payment Commencement Date.

(b) The Borrower shall deliver copies of each Requisition to the RRIF Lender, the Servicer, if applicable, and the FTA Regional Office on or before the first (1st) Business Day of each month for which a disbursement is requested. Subject to Section 4(d) (*Disbursement Conditions*), if the RRIF Lender does not expressly deny a Requisition, disbursements of funds shall be made on the fifteenth (15th) day of the month for which a disbursement has been requested, or on the next succeeding Business Day if such fifteenth (15th) day is not a Business Day. Express denial of a Requisition by the RRIF Lender shall be provided substantially in the form attached as Appendix Two to **Exhibit D** (*Requisition Procedures*). In no event shall disbursements be made more than once each month.

(c) The Borrower may amend the Anticipated RRIF Loan Disbursement Schedule (but may not increase the cumulative amount of the RRIF Loan reflected therein) by submitting a revised version thereof to the RRIF Lender no later than thirty (30) days prior to the proposed effective date of such amendment, together with a detailed explanation of the reasons for such revisions.

(d) Notwithstanding anything to the contrary set forth in this Agreement (including this Section 4 (*Disbursement Conditions*), Section 12 (*Conditions Precedent*) or **Exhibit D** (*Requisition Procedures*)), in no event shall the RRIF Lender have any obligation to make any disbursement of proceeds of the RRIF Loan to the Borrower if the RRIF Lender’s ability to make such disbursement is impaired as a result of a partial or total shutdown of the operations of any federal department or agency (including the USDOT or any of its agencies), or any contractor of any such department or agency, due to a lapse in appropriations by Congress.

SECTION 5. Term. The term of the RRIF Loan shall extend from the Effective Date to the Final Maturity Date or to such earlier date as all amounts due or to become due to the RRIF Lender hereunder have been irrevocably paid in full in cash.

SECTION 6. Interest Rate. The interest rate with respect to the Outstanding RRIF Loan Balance (the “**RRIF Interest Rate**”) shall be three and seventy-nine hundredths percent (3.79%) per annum. Interest will be computed on the Outstanding RRIF Loan Balance (as well as on any past due interest) from time to time on the basis of a 365-day or 366-day year, as appropriate, for

the actual number of days elapsed; provided that in the event of a Payment Default, the Borrower shall pay interest on the Outstanding RRIF Loan Balance and on any interest accrued thereon but unpaid as of the applicable Semi-Annual Payment Date (including interest accruing after the date of any filing by the Borrower of any petition in bankruptcy or the commencement of any bankruptcy, insolvency or similar proceeding with respect to the Borrower) at the Default Rate from (and including) its due date to (but excluding) the date of actual payment. Upon the occurrence of any other Event of Default, the Borrower shall pay interest on the Outstanding RRIF Loan Balance and on any interest accrued thereon but unpaid as of the applicable Semi-Annual Payment Date (including interest accruing after the date of any filing by the Borrower of any petition in bankruptcy or the commencement of any bankruptcy, insolvency or similar proceeding with respect to the Borrower) at the Default Rate from (and including) the date such Event of Default first occurred to (but excluding) the earlier to occur of (a) the date such Event of Default has been waived by the RRIF Lender and (b) the date the Outstanding RRIF Loan Balance and any interest accrued thereon (at the Default Rate) but unpaid has been irrevocably paid in full in cash.

SECTION 7. Outstanding RRIF Loan Balance and Revisions to Exhibit F and the Loan Amortization Schedule.

(a) The Outstanding RRIF Loan Balance will be (i) increased on each occasion on which the RRIF Lender disburses loan proceeds hereunder, by the amount of such disbursement of loan proceeds; (ii) increased on each occasion on which interest on the RRIF Loan is capitalized pursuant to the provisions of Section 9(b) (*Capitalized Interest Period*), by the amount of interest so capitalized; and (iii) decreased upon each payment or prepayment of the Outstanding RRIF Loan Balance, by the amount of principal so paid. The RRIF Lender may in its discretion at any time and from time to time, or when so requested by the Borrower, advise the Borrower by written notice of the amount of the Outstanding RRIF Loan Balance as of the date of such notice, and its determination of such amount in any such notice shall be deemed conclusive absent manifest error.

(b) The RRIF Lender is hereby authorized to modify the Loan Amortization Schedule included in **Exhibit F** (*RRIF Debt Service*) from time to time, in accordance with the principles set forth below in Section 10(d)(ii) (*Prepayment – General*) and in **Exhibit L** (*RRIF Loan Reamortization Methodology*), to reflect (i) any change to the Outstanding RRIF Loan Balance; (ii) any change to the date and amount of any principal or interest due and payable or to become due and payable by the Borrower under this Agreement; and (iii) such other information as the RRIF Lender may determine is necessary for administering the RRIF Loan and this Agreement. Any calculations described above shall be rounded up to the nearest whole cent. Absent manifest error, the RRIF Lender's determination of such matters as set forth on **Exhibit F** (*RRIF Debt Service*) shall be conclusive evidence thereof; provided that neither the failure to make any such recordation nor any error in such recordation shall affect in any manner the Borrower's obligations hereunder or under any other RRIF Loan Document. The RRIF Lender shall provide the Borrower with a copy of **Exhibit F** (*RRIF Debt Service*) as revised, but no failure to provide or delay in providing the Borrower with such copy shall affect any of the obligations of the Borrower under this Agreement or the other RRIF Loan Documents.

SECTION 8. Security and Priority; Flow of Funds.

(a) As security for the RRIF Loan, the Borrower shall pledge, assign and grant, or shall cause to be pledged, assigned and granted, to the RRIF Lender, the RRIF Lien, in accordance with the provisions of the RRIF Resolution. The RRIF Loan shall be secured by the RRIF Lien with respect to the Pledged Taxes, the Pledged Taxes Accounts and the Pledged Accounts and, with respect to the Pledged Taxes and the Pledged Taxes Accounts, shall be subordinate to the pledge of the Pledged Taxes and the Pledged Taxes Accounts securing the Senior Obligations.

(b) Except (i) for Permitted Liens or (ii) as may be entitled to priority as a matter of law, the Pledged Taxes and each Pledged Taxes Account will be free and clear of any Lien thereon or with respect thereto, and all necessary action on the part of the Borrower to that end has been duly and validly taken. Except as may be entitled to priority as a matter of law and except for the TIFIA Lien (with respect to the Pledged Accounts), each Pledged Account shall be free and clear of any Lien thereon or with respect thereto, and all necessary action on the part of the Borrower to that end has been duly and validly taken.

(c) The Borrower shall not use Pledged Taxes to make any payments or satisfy any obligations other than in accordance with the provisions of this Section 8 (*Security and Priority; Flow of Funds*) and the RRIF Resolution and shall not apply any portion of the Pledged Taxes in contravention of this Agreement, the RRIF Resolution or any other RRIF Loan Document.

(d) The RRIF Resolution provides that all Pledged Taxes shall, subject to the Bond Documents, be deposited in the Local Option Tax Accounts or Additional Taxes Accounts and applied in the following order of priority and for the following purposes, as more fully described, and in accordance with the requirements specified in the RRIF Resolution:

First, to make all payments required to be made into the Prior Bond Account in the following order:

(i) to pay the interest when due on the Prior Bonds (including regularly scheduled payments under any Qualified Hedge for the Prior Bonds); and

(ii) to pay maturing principal (including sinking fund redemptions) of the Prior Bonds;

Second, to make all payments required to be made into the Prior Reserve Account by the Prior Bond Resolution to meet the Prior Reserve Account Requirement and to make all payments required to be made pursuant to a reimbursement obligation in connection with a qualified letter of credit or qualified insurance with respect to the Prior Reserve Account Requirement; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Third, to make all payments required to be made into the Parity Bond Account in the following order:

(i) to pay the interest when due on Parity Bonds (including regularly scheduled payment obligations under any Qualified Hedge for the Parity Bonds);

(ii) to pay the maturing principal (including sinking fund redemptions) of Parity Bonds; and

(iii) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of the Parity Reserve Account Requirement, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on Parity Bonds; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Fourth, to make all payments required to be made (i) into the Parity Reserve Account under any Series Resolution authorizing the issuance of Parity Bonds that are Covered Parity Bonds to meet the Parity Reserve Account Requirement for Covered Parity Bonds and (ii) into a separate reserve account or into a subaccount within the Parity Reserve Account established in a Series Resolution for one or more Series of Parity Bonds that are not Covered Parity Bonds; and to make all payments required to be made pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to the Parity Reserve Account Requirement; provided that, if there is not sufficient money to make all payments under all such Parity Bond reserve reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Fifth, to make all of the following required payments in the following order:

(i) to pay the interest when due on First Tier Junior Obligations (including regularly scheduled payment obligations under any Qualified Hedge for the First Tier Junior Obligations);

(ii) to pay the maturing principal (including sinking fund redemptions) of First Tier Junior Obligations; and

(iii) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of any reserve account requirement for First Tier Junior Obligations, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on First Tier Junior Obligations; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Sixth, to make all payments required to be made (i) to meet any reserve account requirement for First Tier Junior Obligations and (ii) pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to such reserve account requirement; provided that, if there is not sufficient money to make all payments under all

such reserve account reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Seventh, to make all of the following required payments in the following order:

(i) to pay the interest when due on the RRIF Bond, the TIFIA Bonds and any other Second Tier Junior Obligations (including regularly scheduled payment obligations under any Qualified Hedge for the Second Tier Junior Obligations);

(ii) to pay the maturing principal (including sinking fund redemptions) of the RRIF Bond, the TIFIA Bonds and any other Second Tier Junior Obligations; and

(iii) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of any reserve account requirement for Second Tier Junior Obligations, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on Second Tier Junior Obligations; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Eighth, to make all payments required to be made to meet any reserve account requirement for Second Tier Junior Obligations (including the payments required to be made into the RRIF Reserve Account pursuant to Section 15(k) (*Funds and Accounts*) of this Agreement to meet the RRIF Reserve Account Requirement) and to make all payments required to be made pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to such reserve requirement; provided that, if there is not sufficient money to make all payments under all such reserve account reimbursement agreements, the payments will be made on a pro rata basis;

Ninth, to the payment of fees, administrative costs and other expenses of the RRIF Lender;

Tenth, to pay costs of operating and maintaining the Borrower and its System, including all of its public transportation facilities and assets, in a state of good repair;

Eleventh, to fund any termination payment in connection with a Qualified Hedge, to the extent permitted by this Agreement, the other RRIF Loan Documents and the Existing TIFIA Loan Documents;

Twelfth, upon the occurrence and continuation of a Revenue Sharing Trigger Event, an amount equal to the Excess Taxes for such month, for deposit into the Revenue Sharing Account; and

Thirteenth, for any lawful purposes of the Borrower; provided that the Borrower may determine that items in this “Thirteenth” category shall be paid in a specified order of priority.

Additional Taxes deposited in Additional Taxes Accounts shall be used by the Borrower for the purposes and in the order of priority set forth above, beginning with the paragraph “Third.”

(e) The RRIF Resolution provides that the Borrower may create a Tax Stabilization Subaccount in the Local Option Tax Accounts and deposit Pledged Taxes collected in any Borrower Fiscal Year into such Tax Stabilization Subaccount or withdraw Pledged Taxes deposited therein from such Tax Stabilization Subaccount and use amounts in such Tax Stabilization Subaccount for any lawful purposes in accordance with the flow of funds set forth above, subject to the requirements set forth in the Prior Bond Resolution and the Parity Bond Resolutions. For the purpose of calculating the Revenue Coverage Ratio only, deposits into and withdrawals from the Tax Stabilization Subaccount shall reduce or increase, respectively, the Pledged Taxes for the Base Period, Calculation Period, calendar year, Projected Period or Borrower Fiscal Year in which such deposits or withdrawals are made or projected to be made. Any withdrawals from such Tax Stabilization Subaccount shall be applied, together with other Pledged Taxes then available, in accordance with paragraphs “First” through “Twelfth” above.

SECTION 9. Payment of Principal and Interest.

(a) Payment Dates. The Borrower agrees to pay the principal of and interest on the RRIF Loan by making payments in accordance with the provisions of this Agreement and the other RRIF Loan Documents on each Semi-Annual Payment Date, beginning on the Debt Service Payment Commencement Date, and on each other date (including the Final Maturity Date) on which payment thereof is required to be made hereunder. For the avoidance of doubt, upon the occurrence of a Bankruptcy Related Event, interest on the RRIF Loan shall no longer be capitalized and shall be due and payable in cash. Any payment in respect of the RRIF Bond shall be treated as a payment in respect of the RRIF Loan and any prepayment of principal in respect of the RRIF Loan shall be treated as a redemption in respect of the RRIF Bond.

(b) Capitalized Interest Period. No payment of the principal of or interest on the RRIF Loan is required to be made during the Capitalized Interest Period. On each May 1 and November 1 occurring during the Capitalized Interest Period (and on the Semi-Annual Payment Date immediately following the end of the Capitalized Interest Period), interest accrued on the RRIF Loan in the six (6)-month period ending immediately prior to such date shall be capitalized and added to the Outstanding RRIF Loan Balance. Within thirty (30) days after the end of the Capitalized Interest Period, the RRIF Lender shall give written notice to the Borrower stating the Outstanding RRIF Loan Balance as of the close of business on the last day of the Capitalized Interest Period, which statement thereof shall be deemed conclusive absent manifest error; provided that no failure to give or delay in giving such notice shall affect any of the obligations of the Borrower hereunder or under any of the other RRIF Loan Documents.

(c) Payment of RRIF Debt Service.

(i) On each Semi-Annual Payment Date occurring on or after the Debt Service Payment Commencement Date and prior to the Level Payment Commencement Date, the Borrower shall pay RRIF Debt Service in the amounts set forth in respect of such Semi-Annual Payment Date on **Exhibit F** (*RRIF Debt Service*) hereto, as the same may be

revised as provided in Section 7 (*Outstanding RRIF Loan Balance and Revisions to Exhibit F and the Loan Amortization Schedule*), which payments shall be made in accordance with Section 9(e) (*Manner of Payment*).

(ii) On each Semi-Annual Payment Date occurring on or after the Level Payment Commencement Date, the Borrower shall pay RRIF Debt Service in the amount of one hundred percent (100%) of the Fixed Level Payment, which payments shall be made in accordance with Section 9(d) (*Fixed Level Payment*) and Section 9(e) (*Manner of Payment*).

(d) Fixed Level Payment. On each Semi-Annual Payment Date occurring during the Level Payment Period, the Borrower shall make level payments of principal and interest (each a “**Fixed Level Payment**”), each of which payments shall be approximately equal in amount. The amount of the Fixed Level Payment shall be calculated in such a manner that the Outstanding RRIF Loan Balance as of the Level Payment Commencement Date shall be reduced to \$0 on the Final Maturity Date (assuming that interest accrues during such period on the Outstanding RRIF Loan Balance at the rate per annum set forth in Section 6 (*Interest Rate*) in the absence of an Event of Default, that all Fixed Level Payments are made in a timely manner during such period, and that no additional payments of principal or interest on the RRIF Loan are made during such period). Within thirty (30) days prior to the beginning of the Level Payment Period, the RRIF Lender may (or, at the written request of the Borrower, shall) give written notice to the Borrower of the amount of the related Fixed Level Payment, which amount shall be deemed conclusive absent manifest error, but no failure to provide or delay in providing the Borrower with such notice shall affect any of the obligations of the Borrower under this Agreement or the other RRIF Loan Documents. Prepayments of the RRIF Loan made prior to, or after, the Level Payment Commencement Date, shall be applied in accordance with Section 10(d)(ii) (*Prepayment – General*).

(e) Manner of Payment. Payments under this Agreement and the RRIF Bond shall be made by wire transfer on or before each Semi-Annual Payment Date in immediately available funds in accordance with payment instructions provided by the RRIF Lender’s Authorized Representative pursuant to Section 36 (*Notices; Payment Instructions*), as modified in writing from time to time by the RRIF Lender’s Authorized Representative. The Borrower may make, or cause to be made, any such payment (or portion thereof) with funds then on deposit in the RRIF Debt Service Account.

(f) Final Maturity Date. Notwithstanding anything herein or any other RRIF Loan Document to the contrary, the Outstanding RRIF Loan Balance and any accrued interest thereon shall be due and payable in full on the Final Maturity Date.

(g) RRIF Bond. As evidence of the Borrower’s obligation to repay the RRIF Loan, the Borrower shall issue and deliver to the RRIF Lender, on or prior to the Effective Date, the RRIF Bond substantially in the form of **Exhibit A** (*Form of RRIF Bond*), having a maximum principal amount (excluding capitalized interest) of \$154,152,530 (subject to increase or decrease as herein provided) and bearing interest at the rate set forth in Section 6 (*Interest Rate*).

(h) Payments Due on Non-Business Days. In any case where any payment date under this Agreement or under the RRIF Bond is a day which is not a Business Day, then payment of such amount shall be made on the next succeeding Business Day with the same force and effect as if made on the date when such payment was due.

SECTION 10. Prepayment.

(a) Mandatory Prepayments. Following the occurrence of a Revenue Sharing Trigger Event, on each Semi-Annual Payment Date while the Revenue Sharing Trigger Event remains in effect, the Borrower shall prepay the RRIF Loan, in whole or in part, without penalty or premium, from amounts then on deposit in the Revenue Sharing Account. Prepayment of the RRIF Loan shall be made on a pro rata basis with the TIFIA Bonds then outstanding, in each case, based on the then outstanding amount of such Bonds. The Borrower shall provide written notice to the RRIF Lender at least two (2) Business Days prior to the date on which it makes any mandatory prepayment; provided that the Borrower's failure to deliver such notice shall not diminish, impair or otherwise affect the Borrower's obligation to make any such mandatory prepayment as and when the circumstances requiring such mandatory prepayment to be made have occurred. Each prepayment pursuant to this clause (a) shall be accompanied by a certificate signed by the Borrower's Authorized Representative identifying the provision of this Agreement pursuant to which such prepayment is being made and containing a calculation in reasonable detail of the amount of such prepayment.

(b) Optional Prepayments. The Borrower may prepay the RRIF Loan in whole or in part (and, if in part, the amounts thereof to be prepaid shall be determined by the Borrower; provided that such prepayments shall be in principal amounts of at least \$1,000,000) at any time or from time to time, without penalty or premium. Each prepayment of the RRIF Loan shall be made on such date and in such principal amount as shall be specified by the Borrower in a written notice delivered to the RRIF Lender, which notice shall also specify the amount of unpaid interest accrued to the date of such prepayment on the amount of principal to be prepaid that the Borrower intends to pay concurrently with such prepayment, if any. In the case of any optional prepayment, such written notice shall be delivered to the RRIF Lender not less than ten (10) days or more than thirty (30) days prior to the date set for such optional prepayment, unless otherwise agreed by the RRIF Lender. At any time between delivery of such written notice and the applicable optional prepayment, the Borrower may, without penalty or premium, rescind its announced optional prepayment by further written notice to the RRIF Lender. Anything in this clause (b) to the contrary notwithstanding, the failure by the Borrower to make any optional prepayment shall not constitute a breach or default under this Agreement or any other RRIF Loan Document.

(c) No Defeasance of RRIF Bond. The Borrower shall not defease the RRIF Bond without the prior written consent of the RRIF Lender.

(d) General.

(i) Upon the RRIF Lender's receipt of confirmation that payment in full of the entire Outstanding RRIF Loan Balance, together with any unpaid interest and fees with respect thereto, has occurred as a result of a mandatory or optional prepayment, the RRIF Lender shall surrender the RRIF Bond to the Borrower or its representative at the

principal office of the RRIF Lender. If the Borrower prepays only part of the unpaid balance of principal of the RRIF Bond, the RRIF Lender may make a notation on **Exhibit F (RRIF Debt Service)** indicating the amount of principal of and interest on the RRIF Bond then being prepaid. Absent manifest error, the RRIF Lender's determination of such matters as set forth on **Exhibit F (RRIF Debt Service)** shall be conclusive evidence thereof; provided that neither the failure to make any such recordation nor any error in such recordation shall affect in any manner the Borrower's obligations hereunder or under any other RRIF Loan Document.

(ii) To the extent any mandatory or voluntary prepayments of the RRIF Loan are made prior to the Level Payment Commencement Date, the amount of such prepayment shall be applied to reduce the Outstanding RRIF Loan Balance as of the Level Payment Commencement Date. The amount of any prepayment (in addition to the Fixed Level Payments) that is made on or after the Level Payment Commencement Date shall be applied to the then remaining Outstanding RRIF Loan Balance and, after application of such prepayment, the Fixed Level Payments shall be recalculated, taking into account such reduced Outstanding RRIF Loan Balance and **Exhibit F (RRIF Debt Service)** shall be revised to reflect such recalculated Fixed Level Payments; provided that neither the failure to make any such revision nor any error in re-calculating the Fixed Level Payments shall affect in any manner the Borrower's obligations hereunder or under any other RRIF Loan Document. If such monies shall not have been so paid on the prepayment date, the principal amount of the RRIF Bond shall continue to bear interest until payment thereof at the rate provided for in Section 6 (*Interest Rate*).

SECTION 11. Compliance with Laws. The Borrower shall, and shall require its contractors and subcontractors at all tiers for the Project to, comply in all material respects with all applicable federal and State laws, rules, regulations, executive and administrative decrees and orders, and orders and judgments of any court or arbitral panel, including all applicable federal and State laws, rules, regulations and executive orders in respect of the Project. The list of federal laws attached hereto as **Exhibit E (Compliance with Laws)** is illustrative of the type of requirements generally applicable to transportation projects and is not intended to be exhaustive. The FTA Regional Office has oversight responsibility for the Project, including ensuring compliance in all material respects with all applicable provisions of federal law and with the terms of the FTA Master Agreement, to the extent applicable. The Borrower and the RRIF Lender mutually acknowledge that not every provision of the FTA Master Agreement will apply to the Project. The FTA Regional Office and the RRIF Lender (a) will enforce only those federal laws, regulations, and guidance that apply to the Project and (b) will not enforce federal laws, regulations, and guidance that do not apply to the Project. Application of any reference within the FTA Master Agreement to the common grant rule (2 CFR Part 200) is limited to Subparts A, B, D, and F of the rule and 2 CFR Parts 1200 and 1201, which modify the rule as applied by the USDOT. FTA Master Agreement terms included in the "Generally Applicable Provisions" found at Sections 1 through 43 of the FTA Master Agreement may be applicable to the Project. "Special Provisions for the TIFIA and RRIF Programs" found at Section 47 of the FTA Master Agreement is applicable to the Project. The Borrower acknowledges and agrees that it has reviewed the FTA Master Agreement and shall comply as required thereby. The Borrower acknowledges and agrees that any costs incurred in connection with the Project prior to receipt of all necessary authorizations from the USDOT in respect of such costs (which may include approvals of prior-incurred costs)

are incurred solely at the Borrower's risk and expense, will not constitute Eligible Project Costs, and no RRIF Loan proceeds will be disbursed in respect thereof, unless and until such authorizations have been received.

SECTION 12. Conditions Precedent.

(a) Conditions Precedent to Effectiveness. Notwithstanding anything in this Agreement to the contrary, this Agreement shall not become effective until each of the following conditions precedent shall have been satisfied or waived in writing by the RRIF Lender:

(i) The Borrower shall have delivered to the RRIF Lender (A) a duly executed counterpart to this Agreement and a duly executed RRIF Bond, (B) a certified, true, accurate and complete copy of the RRIF Resolution authorizing the Borrower (1) to pledge the Pledged Taxes, the Pledged Taxes Accounts and the Pledged Accounts for the benefit of the RRIF Lender as security for the RRIF Loan, (2) to issue the RRIF Bond and (3) to execute and deliver, and to perform its obligations under, the RRIF Loan Documents, and the RRIF Resolution has not been subsequently modified, rescinded or amended and is in full force and effect in the form adopted, and (C) to the extent not previously delivered to the RRIF Lender, a certified true, accurate and complete copy of each other Bond Document that has been entered into on or prior to the Effective Date, in the case of each of clauses (A) through (C) above, fully executed and in form and substance satisfactory to the RRIF Lender.

(ii) Counsel to the Borrower shall have rendered to the RRIF Lender legal opinions satisfactory to the RRIF Lender in its sole discretion that include those opinions set forth on **Exhibit G** (*Opinions Required from Counsel to Borrower*).

(iii) The Borrower shall have provided a certificate executed by the Borrower's Authorized Representative certifying as to the absence of debarment, suspension or voluntary exclusion from participation in Federal Government contracts, procurement and non-procurement matters substantially in the form attached hereto as **Exhibit C** (*Non-Debarment Certification*) with respect to the Borrower and its principals (as defined in 2 CFR § 180.995).

(iv) The Borrower shall have provided to the RRIF Lender satisfactory evidence that the Project has been included in (A) the metropolitan transportation improvement program adopted by the Puget Sound Regional Council, (B) the State transportation plan, and (C) the State transportation improvement program approved by the USDOT or its designated agencies in accordance with 23 U.S.C. §§ 134 and 135. The financial plan for each such program or plan shall reflect the costs of, and the sources of funding for, the Project.

(v) The Borrower shall have provided evidence to the RRIF Lender's satisfaction, no more than sixty (60), but no less than fourteen (14), days prior to the Effective Date (or such other period acceptable to the RRIF Lender), of the assignment by a Nationally Recognized Statistical Rating Organization of a public rating of "A-" or "A3" (or the equivalent thereto) or better to the RRIF Loan and to each Senior Obligation then

outstanding, and no such rating has been reduced, withdrawn or suspended as of the Effective Date.

(vi) The Borrower shall have delivered to the RRIF Lender a master certificate from the Borrower's Authorized Representative in the form attached hereto as **Exhibit H** (*Form of Borrower's Officer's Certificate*) (A) as to the satisfaction of certain conditions precedent set forth in this Section 12(a) (*Conditions Precedent to Effectiveness*) as required by the RRIF Lender, (B) designating the Borrower's Authorized Representative and (C) confirming such person's position and incumbency.

(vii) The Borrower shall have demonstrated to the RRIF Lender's satisfaction that, as of the Effective Date, the funds forecasted to be available in respect of the Project under the Initial Base Case Financial Model will be sufficient to pay Total Project Costs and other amounts necessary to achieve Substantial Completion.

(viii) The Borrower shall have provided to the RRIF Lender certified, complete and fully executed copies of each Principal Project Contract, together with any amendments, waivers or modifications thereto, in each case, that has been entered into on or prior to the Effective Date. Each such Principal Project Contract shall be in full force and effect and in form and substance satisfactory to the RRIF Lender.

(ix) The Borrower shall have demonstrated to the RRIF Lender's satisfaction that it has obtained all Governmental Approvals necessary to commence construction of the Project and all such Governmental Approvals are final, nonappealable, and in full force and effect (and are not subject to any notice of violation, breach, or revocation).

(x) The Borrower shall have delivered to the RRIF Lender a certified Initial Base Case Financial Model acceptable to the RRIF Lender on or prior to the Effective Date demonstrating that the projected Pledged Taxes shall (A) be sufficient to meet the projected loan amortization schedule for the RRIF Loan as set forth in such Initial Base Case Financial Model and (B) demonstrate, for each calendar year during the life of the RRIF Loan, projected (1) Debt Service Coverage Ratios of at least 1.50 to 1.00 and (2) Revenue Coverage Ratios of at least 1.00 to 1.00.

(xi) The Borrower shall have paid all invoices delivered by the RRIF Lender (or by advisors to the RRIF Lender that have direct billing arrangements with the Borrower) to the Borrower prior to the Effective Date for the reasonable fees and expenses of the RRIF Lender's counsel and advisors and any auditors or other consultants employed by the RRIF Lender for the purposes hereof (such reasonableness to be determined in accordance with Part 31 of the Federal Acquisition Regulation).

(xii) The Borrower shall have delivered to the RRIF Lender true, accurate and complete copies of the NEPA Determination, and any supplements thereto. The NEPA Determination shall be in full force and effect and shall not have been withdrawn or materially amended.

(xiii) The RRIF Lender shall have received evidence of compliance with 49 U.S.C. § 5333(b) and the regulations promulgated thereunder with respect to the Project (such evidence being a certification letter from the Department of Labor acceptable to the FTA Regional Office).

(xvi) The RRIF Lender shall have delivered its initial RRIF Lender's Authorized Representative certificate.

(xvii) The Borrower shall have (A) obtained a Federal Employer Identification Number, (B) obtained a Unique Entity Identifier, and (C) registered with, and obtained confirmation of active registration status from, the federal System for Award Management (www.SAM.gov).

(xviii) The Borrower shall have (A) delivered to the RRIF Lender (1) certificates of insurance evidencing all insurance policies that the Borrower and each applicable Principal Project Party has obtained as required under the Bond Documents then in effect (including insurance required under Section 15(f) (*Insurance*)), and in the case of each general liability and excess liability insurance policy, reflecting the RRIF Lender as an additional insured, and (2) at the RRIF Lender's request, copies of such insurance policies; and (B) provided to the RRIF Lender a certificate, executed by the Borrower's Authorized Representative, certifying that each of the insurance policies required to be obtained by the Borrower pursuant to Section 15(f) (*Insurance*) is in full force and effect, and no notice of termination thereof has been issued by the applicable insurance provider.

(xix) The Borrower shall have provided to the RRIF Lender evidence that it is duly organized and validly existing under the laws of its jurisdiction of formation, with full power, authority and legal right to own its properties and carry on its business and governmental functions as now conducted, including a copy of its Organizational Documents, as in effect on the Effective Date and certified, if applicable, by the Secretary of State of its jurisdiction of formation, which Organizational Documents shall have not

been amended since the date of the last amendment thereto shown on the certificate, and any constitutional and statutory provisions included as part of such Organizational Documents shall remain in full force and effect, in each case certified by the Borrower's Authorized Representative.

(xx) The Borrower shall have provided the RRIF Lender and the FTA Regional Office true, accurate and complete records of the Eligible Project Costs incurred to date for the Project, in form and substance satisfactory to the RRIF Lender and the FTA Regional Office and in sufficient time prior to the Effective Date to permit the RRIF Lender and the FTA Regional Office to review such costs.

(xxi) The Borrower shall have provided to the RRIF Lender certified, complete and fully executed copies of each performance security instrument delivered to or by the Borrower pursuant to any applicable Principal Construction Contract then in effect as of the Effective Date, each of which performance security instruments shall be (A) in compliance with the requirements for such performance security pursuant to the applicable Principal Construction Contract and (B) in full force and effect.

(xxii) (A) No Event of Default or event of default under any other Related Document and (B) no event which with the giving of notice or the passage of time or both would constitute an Event of Default or event of default under any Related Document, in each case, shall have occurred and be continuing.

(xxiii) The representations and warranties of the Borrower set forth in this Agreement (including Section 13 (*Representations and Warranties of Borrower*)) and in each Related Document that has been entered into on or prior to the Effective Date shall be true and correct as of the Effective Date, except to the extent such representations and warranties expressly related to an earlier date (in which case, such representations and warranties shall be true and correct as of such earlier date).

(xxiv) No Material Adverse Effect, or any event or condition that could reasonably be expected to result in a Material Adverse Effect, shall have occurred since the date the Borrower submitted the RRIF Application to the RRIF Lender.

(xxv) The Borrower shall have provided a certificate from the Borrower's Authorized Representative as to the prohibition on the use of appropriated funds for lobbying substantially in the form attached hereto as **Exhibit J** (*Certification Regarding the Prohibition on the Use of Appropriated Funds for Lobbying*) in accordance with 49 CFR §20.100(b).

(xxvi) The Borrower shall have delivered such other agreements, documents, instruments, opinions and other items required by the RRIF Lender, all in form and substance satisfactory to the RRIF Lender.

(b) Conditions Precedent to All Disbursements. Notwithstanding anything in this Agreement to the contrary, the RRIF Lender shall have no obligation to make any disbursement of loan proceeds to the Borrower (including the initial disbursement hereunder) until each of the following conditions precedent has been satisfied or waived in writing by the RRIF Lender:

(i) With respect to any disbursement occurring sixty (60) days or more after the Effective Date, the Borrower shall have provided the Financial Plan, in each case in accordance with Section 21(a) (*Financial Plan, Statements, and Reports*). The Borrower shall have demonstrated to the RRIF Lender's satisfaction that the funds described in the Financial Plan most recently delivered to the RRIF Lender as being available to pay for Project costs will be sufficient to complete the Project and no facts or circumstances have arisen that would reasonably be likely to cause such amounts reflected in such Financial Plan not to be available as and when needed to pay such Project costs.

(ii) To the extent not previously delivered to the RRIF Lender, the Borrower shall have provided complete and fully executed copies of each agreement listed on the Principal Project Contracts Schedule then in effect, including any amendment, modification or supplement to such agreements. Each such agreement shall be in full force and effect and in form and substance satisfactory to the RRIF Lender.

(iii) The Borrower shall have demonstrated to the RRIF Lender's satisfaction that all Governmental Approvals necessary as of the time of the applicable disbursement for the development, construction, operation and maintenance of the Project have been issued and are in full force and effect.

(iv) The Borrower shall have provided to the RRIF Lender a certificate, executed by the Borrower's Authorized Representative, certifying that each of the insurance policies required to be obtained by the Borrower and each Principal Project Party pursuant to Section 15(f) (*Insurance*) is in full force and effect, and no notice of termination thereof has been issued by the applicable insurance provider.

(v) At the time of, and immediately after giving effect to, any disbursement of RRIF Loan proceeds then currently requested, (A) no Default or Event of Default hereunder, and no event of default (howsoever described or designated) under any other Related Document shall have occurred and be continuing, and (B) no event or condition that, with the giving of notice, the passage of time, or both, would constitute an event of default (howsoever described or designated) of the Borrower under any other Related Document, in each case, shall have occurred and be continuing.

(vi) To the extent necessary to make the corresponding representations and warranties true and accurate as of the date of any disbursement of loan proceeds hereunder, the Borrower shall have delivered an updated version of each of Schedules 13(f) and 13(o), in each case, in form and substance satisfactory to the RRIF Lender in its sole discretion.

(vii) The representations and warranties of the Borrower set forth in this Agreement shall be true and correct as of each date on which any disbursement of the RRIF Loan is made, except to the extent such representations and warranties expressly relate to an earlier date, in which case, such representations and warranties shall be true and correct as of such earlier date.

(viii) No Material Adverse Effect, or any event or condition that could reasonably be expected to result in a Material Adverse Effect, shall have occurred and be continuing since the date the Borrower submitted the RRIF Application to the RRIF Lender.

(ix) The Borrower shall have delivered to the RRIF Lender a Requisition that complies with the provisions of Section 4 (*Disbursement Conditions*), and such Requisition shall have not been expressly denied by the RRIF Lender.

(x) To the extent not previously delivered to the RRIF Lender, the Borrower shall have provided evidence to the RRIF Lender's satisfaction that the performance security instruments to be delivered or received by the Borrower under each applicable Principal Construction Contract then in effect have been obtained and delivered and that each such instrument is in full force and effect and in compliance with the requirements for such performance security pursuant to the applicable Principal Construction Contract.

(xi) To the extent not previously paid, the Borrower shall have paid in full all invoices received from the RRIF Lender (or from advisors to the RRIF Lender that have direct billing arrangements with the Borrower) as of the date of disbursement of the RRIF Loan for the reasonable fees and expenses of the RRIF Lender's counsel and advisors and any auditors or other consultants employed by the RRIF Lender incurred in connection with the Project, this Agreement, and the RRIF Loan Documents (such reasonableness to be determined in accordance with Part 31 of the Federal Acquisition Regulation).

(xii) The Borrower shall have demonstrated to the RRIF Lender's satisfaction that the funds forecasted to be available under the Base Case Financial Model most recently delivered to the RRIF Lender will be sufficient to pay Total Project Costs and other amounts necessary to achieve Substantial Completion.

(xiii) The Borrower shall have paid in full, at least three (3) Business Days prior to such date of disbursement, the Credit Risk Premium in respect of the RRIF Loan proceeds to be disbursed therewith.

(c) Notwithstanding anything to the contrary in this Agreement or any other RRIF Loan Document, to the extent an Event of Default under Section 19(a)(vi) (*Cross Default*) has occurred and is continuing as a result of an Other Indebtedness Misrepresentation Default or Other Indebtedness Covenant Default, in each case, related to an Existing ST Project, the RRIF Lender may, in its sole discretion, upon written notification to the Borrower (such notification, a "**Disbursement Suspension Notice**"), suspend any right of the Borrower to request further disbursements under this Agreement, and, upon issuance of such Disbursement Suspension Notice

to the Borrower, the RRIF Lender shall have no further obligation to make any disbursements of loan proceeds to the Borrower in respect of the RRIF Loan unless and until (i) such Other Indebtedness Misrepresentation Default or Other Indebtedness Covenant Default has been cured or waived or (ii) the RRIF Lender otherwise has withdrawn such Disbursement Suspension Notice.

SECTION 13. Representations and Warranties of Borrower. The Borrower hereby represents and warrants that, as of the Effective Date and, as to each of the representations and warranties below other than those contained in Section 13(b) (*Officer's Authorization*) and Section 13(k) (*Credit Ratings*), as of each date on which any disbursement of the RRIF Loan is requested or made:

(a) Organization; Power and Authority. The Borrower is a regional transit authority duly organized, validly existing and in good standing under the laws of the State, has full legal right, power and authority to enter into this Agreement and the other Related Documents in effect as of any date on which this representation and warranty is made and to carry out and consummate all transactions contemplated hereby and thereby and has duly authorized the execution, delivery and performance of this Agreement and such other Related Documents.

(b) Officers' Authorization. As of the Effective Date, the officers of the Borrower executing (or that previously executed) this Agreement and the other Related Documents, and any certifications or instruments related thereto, to which the Borrower is a party are (or were at the time of such execution) duly and properly in office and fully authorized to execute the same.

(c) Due Execution; Enforceability. Each of the RRIF Loan Documents and each of the other Related Documents in effect as of any date on which this representation and warranty is made, and to which the Borrower is a party, has been duly authorized, executed and delivered by the Borrower and constitutes the legal, valid and binding agreement of the Borrower enforceable in accordance with its terms, except as such enforceability (i) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and (ii) is subject to general principles of equity (regardless of whether enforceability is considered in equity or at law).

(d) Non-Contravention. The execution and delivery of this Agreement and the other Related Documents in effect as of any date on which this representation and warranty is made to which the Borrower is a party, the consummation of the transactions contemplated in this Agreement and such other Related Documents and the fulfillment of or compliance with the terms and conditions of this Agreement and such other Related Documents will not (i) conflict with the Borrower's Organizational Documents, (ii) conflict in any material respect with, or constitute a violation, breach or default (whether immediately or after notice or the passage of time or both) by the Borrower of or under, any applicable law, administrative rule or regulation, any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it, the Pledged Taxes or its properties or assets are otherwise subject or bound, or (iii) result in the creation or imposition of any Lien (other than Permitted Liens) upon any of the property or assets of the Borrower.

(e) Consents and Approvals. No consent or approval of any trustee, holder of any indebtedness of the Borrower or any other Person, and no consent, permission, authorization, order or license of, or filing or registration with, any Governmental Authority is necessary in connection with (i) the execution and delivery by the Borrower of this Agreement and the other Related Documents in effect as of any date on which this representation and warranty is made, except as have been obtained or made and as are in full force and effect or (ii) (A) the consummation of any transaction contemplated by this Agreement and such other Related Documents or (B) the fulfillment of, or compliance by, the Borrower with the terms and conditions of this Agreement and such other Related Documents, except as have been obtained or made and as are in full force and effect or as are ministerial in nature and which can reasonably be expected to be obtained or made in the ordinary course on commercially reasonable terms and conditions when needed.

(f) Litigation. Except as set forth in **Schedule 13(f)**, there is no action, suit, proceeding, or, to the knowledge of the Borrower, inquiry or investigation, in any case before or by any court or other Governmental Authority pending, or to the knowledge of the Borrower, threatened against or affecting (i) the ability of the Borrower to perform its obligations under this Agreement or any other Related Document in effect as of any date on which this representation and warranty is made or which involves the validity or enforceability of this Agreement or any other Related Documents in effect as of any date on which this representation and warranty is made, (ii) the Borrower, the Pledged Taxes or the assets, properties or operations of the Borrower, that in any case (A) could reasonably be expected to result in a Material Adverse Effect in the good faith judgment of the RRIF Lender or (B) could reasonably be expected to adversely affect the Borrower's ability to receive Pledged Taxes in amounts sufficient to meet the financial projections contained in the Initial Base Case Financial Model (or any Updated Base Case Financial Model, to the extent any Updated Base Case Financial Model has been delivered to the RRIF Lender). The Borrower is not in default (and no event has occurred and is continuing that, with the giving of notice or the passage of time or both, could constitute a default) with respect to any Governmental Approval, which default could reasonably be expected to result in a Material Adverse Effect.

(g) Security Interest. The RRIF Loan Documents establish, for the benefit of the RRIF Lender, the valid and binding RRIF Lien, irrespective of whether any Person has notice of the pledge. The RRIF Lien is in full force and effect and is not subordinate or junior to any other Liens in respect of the Pledged Taxes and the Pledged Taxes Accounts except (i) to the extent the Pledged Taxes and Pledged Taxes Accounts are pledged for the benefit of the Senior Obligations, and (ii) to the extent such other Liens are entitled to priority as a matter of law. Each Pledged Account is free and clear of any Lien thereon or with respect thereto, except (i) for the RRIF Lien (with respect to the Pledged Accounts) and (ii) as may be entitled to priority as a matter of law. The Borrower is not in breach of any covenants set forth in Section 15(a) (*Securing the RRIF Lien*) or any of the Bond Documents with respect to the matters described in such section. The RRIF Lien is valid and effective under chapter 81.112 RCW without any further action by the Borrower or any other party, and no documents or instruments are required or necessary to be recorded or filed for record in any place to establish, or maintain the validity and enforceability of, the RRIF Lien to the extent contemplated by the RRIF Resolution. All taxes and filing fees that are due and payable in connection with the execution, delivery or recordation of the RRIF Loan

Documents have been paid. Neither the attachment, perfection, validity, enforceability or priority of the security interest in the RRIF Lien is governed by Article 9 of the UCC.

(h) No Debarment. The Borrower has fully complied with its verification obligations under 2 CFR § 180.320 and confirms that, to its knowledge, neither the Borrower nor any of its principals (as defined in 2 CFR § 180.995) is debarred, suspended or voluntarily excluded from participation in Federal Government contracts, procurement or non-procurement matters or delinquent on a Federal Government debt, as more fully set forth in the certificate delivered pursuant to Section 12(a)(iii) (*Conditions Precedent to Effectiveness*). Further, the Borrower has fully complied with 2 CFR Part 180, including Subpart C, in particular §§ 180.300 and 180.330, and with 2 CFR §1200.332. The Borrower is not aware of any non-compliance by any of its contractors or subcontractors with the applicable requirements of 2 CFR Part 180.

(i) Accuracy of Representations and Warranties. The representations, warranties and certifications of the Borrower set forth in this Agreement and the other Related Documents in effect as of any date on which such representations and warranties are made are true and correct, except to the extent such representations and warranties expressly relate to an earlier date (in which case, such representations and warranties shall be true and correct as of such earlier date).

(j) Compliance with Federal Requirements. The Borrower has complied, with respect to the Project, with all applicable requirements of NEPA, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601 et seq.) and Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq.).

(k) Credit Rating. The RRIF Bond and each Senior Obligation outstanding as of the Effective Date have received a public credit rating of “A-“ or “A3” (or the equivalent thereto) or higher from at least one (1) Nationally Recognized Statistical Rating Organization, written evidence of each such public rating has been provided to the RRIF Lender prior to the Effective Date, and no such public rating has been reduced, withdrawn or suspended as of the Effective Date.

(l) No Defaults. No Default or Event of Default, and no event of default (howsoever described or designated) of the Borrower under any Related Document has occurred and is continuing.

(m) Governmental Approvals. All Governmental Approvals required as of the Effective Date and any subsequent date on which this representation is made (or deemed made) for the undertaking and completion by the Borrower of the Project, and for the operation and management thereof, have been obtained or effected and are in full force and effect and there is no basis for, nor proceeding that is pending or threatened that could reasonably be expected to result in the revocation of any such Governmental Approval.

(n) Principal Project Contracts. Each Principal Project Contract in effect on each date when this representation and warranty is made or deemed made is in full force and effect and all conditions precedent to the obligations of the respective parties under each such Principal Project Contract have been satisfied. The Borrower has delivered to the RRIF Lender, if so

requested, a fully executed, complete and correct copy of each such Principal Project Contract (including all exhibits, schedules and other attachments) that is in effect, including any amendments or modifications thereto and any related credit support instruments or side letters. No event has occurred that gives the Borrower or, to the Borrower's knowledge, any Principal Project Party, the right to terminate any Principal Project Contract. The Borrower is not in breach of any material term in or in default under any Principal Project Contract, and to the knowledge of the Borrower, no party to any of such Principal Project Contracts is in breach of any material term therein or in default thereunder.

(o) Information. The information furnished by the Borrower to the RRIF Lender, when taken as a whole, does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements contained therein not misleading as of the date made or furnished; provided that no representation or warranty is made with regard to projections or other forward-looking statements provided by or on behalf of the Borrower (including the Initial Base Case Financial Model and each Updated Base Case Financial Model and the assumptions therein) except that the assumptions in the Initial Base Case Financial Model and each Updated Base Case Financial Model were reasonable in all material respects when made.

(p) OFAC; Anti-Money Laundering Laws; Anti-Corruption Laws.

(i) None of the Borrower nor, to the knowledge of the Borrower, any Principal Project Party is a Sanctioned Person.

(ii) None of the Borrower nor, to the knowledge of the Borrower, any Principal Project Party is in violation of or, since the date that is five (5) years prior to the Effective Date, has violated: (A) any applicable Anti-Money Laundering Laws; (B) any applicable Sanctions; (C) any applicable Anti-Corruption Laws; or (D) any applicable anti-drug trafficking or anti-terrorism laws, civil or criminal.

(iii) There are no pending or, to the knowledge of the Borrower, threatened claims or investigations by any Governmental Authority against, or any internal investigations conducted by, the Borrower or any Principal Project Party, with respect to any possible or alleged violations of any applicable Sanctions, Anti-Money Laundering Laws, Anti-Corruption Laws, or any applicable anti-drug trafficking or anti-terrorism laws.

(iv) No use of proceeds of the RRIF Loan or other transaction contemplated by this Agreement or any other Related Document will violate any applicable Sanctions, Anti-Money Laundering Laws, or Anti-Corruption Laws, or any applicable anti-drug trafficking or anti-terrorism laws.

(q) Compliance with Law. The Borrower is in compliance in all material respects with, and has conducted (or caused to be conducted) its public transit operations in compliance in all material respects with, all applicable laws (other than Environmental Laws, which are addressed in Section 13(r) (*Environmental Matters*)), including those set forth on **Exhibit E** (*Compliance with Laws*), to the extent applicable, and those set forth in the FTA Master Agreement. To the Borrower's knowledge, each Principal Project Party is, and has caused its respective contractors and subcontractors to be, in compliance in all material respects with all

applicable federal and State laws in respect of the Project, including those set forth on **Exhibit E** (*Compliance with Laws*), to the extent applicable, and those set forth in the FTA Master Agreement that flow down to third-party contractors. No notices of violation of any applicable law have been issued, entered or received by the Borrower, or, to the Borrower's knowledge and solely in respect of the Project or any Principal Project Contract, any Principal Project Party, that in each case could reasonably be expected to result in a Material Adverse Effect.

(r) Environmental Matters. The Borrower and, to the Borrower's knowledge, each Principal Project Party, is in compliance with all laws applicable to the Project relating to (i) air emissions, (ii) discharges to surface water or ground water, (iii) noise emissions, (iv) solid or liquid waste disposal, (v) the use, generation, storage, transportation or disposal of toxic or hazardous substances or wastes, (vi) biological resources (such as threatened and endangered species), and (vii) other environmental, health or safety matters, including all laws applicable to the Project referenced in the notice "Federal Environmental Statutes, Regulations, and Executive Orders Applicable to the Development and Review of Transportation Infrastructure Projects," 79 Fed. Reg. 22756 (April 23, 2014) (or any successor Federal Register notice of similar import), which document is available at <http://www.transportation.gov/policy/transportation-policy/environment/laws> ("**Environmental Laws**"). All Governmental Approvals for the Project relating to Environmental Laws have been, or, when required, will be, obtained and are (or, as applicable, will be) in full force and effect. Except as disclosed in **Schedule 13(r)**, which sets forth all written communications and notices that the Borrower, upon consultation with legal counsel, has reasonably and in good faith determined to be either (i) without merit or (ii) not expected to result in a Material Adverse Effect, the Borrower has not received any written communication or notice, whether from a Governmental Authority, employee, citizens group, or any other Person, that alleges that the Borrower is not in material compliance with all Environmental Laws and Governmental Approvals relating thereto in connection with the Project and, to the Borrower's knowledge, there are no circumstances that may prevent or interfere with material compliance in the future by the Borrower with any such Environmental Laws or Governmental Approvals. The Borrower has provided to the RRIF Lender and to the FTA Regional Office all material assessments, reports, records, and results of investigations or audits in the possession of or reasonably available to the Borrower regarding the Borrower's or the Project's compliance with Environmental Laws and Governmental Approvals related to Environmental Laws that are required for the Project.

(s) Sufficient Rights and Utilities. The Borrower possesses, or will possess, at such time as may be necessary in order to construct and operate the Project or as otherwise required by applicable law, either valid legal and beneficial title to, leasehold title in, or other valid legal rights with respect to the real property relating to the Project, in each case as is necessary and sufficient as of the date this representation and warranty is made for the construction, operation, maintenance and repair of the Project. As of any date this representation and warranty is made, each Principal Project Contract that is then in effect and the Governmental Approvals that have been obtained and are then in full force and effect create rights in the Borrower sufficient to enable the Borrower to own or lease, as applicable, construct, operate, maintain and repair the Project and to perform its obligations under the Principal Project Contracts to which it is a party. All utility services, means of transportation, facilities and other materials necessary for the construction and operation of the Project (including, as necessary, gas, electrical, water and sewage services and

facilities) are, or will be when needed, available to the Project and arrangements in respect thereof have been or will be made on commercially reasonable terms.

(t) Insurance. **Schedule 13(o)** lists all insurance policies of any nature required to be maintained by the Borrower with respect to the Project in accordance with Section 15(f) (*Insurance*), as well as a summary of the terms of each such policy. The Borrower is in compliance with all insurance obligations required under each Principal Construction Contract then in effect.

(u) Title. The Borrower has valid legal and beneficial title to, or a valid leasehold interest in, the personal property and other assets and revenues thereof on which it purports to grant Liens pursuant to the Bond Documents, in each case free and clear of any Lien of any kind, except for Permitted Liens.

(v) No Liens. Except for Permitted Liens, the Borrower has not created, and is not under any obligation to create, and has not entered into any transaction or agreement that would result in the imposition of, any Lien upon the Pledged Taxes, the Pledged Taxes Accounts, the Pledged Accounts, the Project or the properties or assets in relation to the Project.

(w) Intellectual Property. The Borrower owns, or will own, or has, or will have, in any event at such time as may be necessary in order to construct and operate the Project as otherwise required by applicable law, adequate licenses or other valid rights to use all material patents, trademarks, service marks, trade names, copyrights, franchises, formulas, licenses and other rights with respect thereto and has obtained, or will obtain, assignment of all licenses and other rights of whatsoever nature, in each case necessary for the Project and the operation of its business. To the Borrower's knowledge, there exists no conflict with the rights or title of any third party with respect to the intellectual property described in the preceding sentence. Excluding the use of commercially available "off-the-shelf" software, to the Borrower's knowledge, no product, process, method, substance, part or other material produced or employed or presently contemplated to be produced by or employed by the Project infringes or will infringe any patent, trademark, service mark, trade name, copyright, franchise, formula, license or other intellectual property right of any third party.

(x) Investment Company Act. The Borrower is not, and after applying the proceeds of the RRIF Loan will not be, required to register as an "investment company" within the meaning of the Investment Company Act of 1940, as amended, and is not "controlled" by a company required to register as an "investment company" under the Investment Company Act of 1940, as amended.

(y) Financial Statements. Each statement of net position, statement of revenues, expenses and changes in net position and statement of cash flow (collectively, "**Financial Statements**") delivered to the RRIF Lender pursuant to Section 21(c) (*Financial Plan, Statements, and Reports*) has been prepared in accordance with GAAP and presents fairly, in all material respects, the financial condition of the Borrower as of the respective dates of the statement of net position included therein and the results of operations of the Borrower for the respective periods covered by the statement of revenues, expenses and changes in net position or statement of cash flow included therein. Except as reflected in such Financial Statements, there are no

liabilities or obligations of the Borrower of any nature whatsoever for the period to which such Financial Statements relate that are required to be disclosed in accordance with GAAP.

(z) Other Prohibited Transactions. Except for the transactions expressly contemplated in the Principal Project Contracts and the Bond Documents, the Borrower has not (i) sold or transferred any property or assets to, or purchased or acquired any property or assets of, or (ii) otherwise engaged in any other transaction in connection with, any other Governmental Authority (including the Governmental Authorities of the State) the terms and provisions of which are materially adverse to the Borrower or that could reasonably be expected to have a Material Adverse Effect.

(aa) Sovereign Immunity. Pursuant to RCW 4.08.120, the Borrower can be sued in respect of its contractual obligations, and judgments against the Borrower can be legally enforced. The defense of sovereign immunity is not available to the Borrower in any proceedings in any court of competent jurisdiction relating to the enforcement of (or collection on) the obligations of the Borrower under any of the Related Documents to which it is a party or the transactions contemplated hereby or by any other Related Document.

(bb) Patriot Act. The Borrower has established an anti-money laundering compliance program as required by the Patriot Act and is in compliance with the Patriot Act in all material respects.

(cc) Taxes. The Borrower has (i) filed all tax returns required by applicable laws to be filed by it and (ii) paid all income taxes payable by it that have become due pursuant to such tax returns, and all other material taxes and assessments payable by it that have become due (other than those taxes and assessments that it is contesting in good faith and by appropriate proceedings, for which adequate reserves have been established to the extent required by GAAP).

(dd) ERISA. Neither the Borrower nor any ERISA Affiliate maintains or otherwise has any liability in respect of any plan or other arrangement that is subject to ERISA or Section 412 of the Tax Code.

(ee) Sufficient Funds. The aggregate of all funds that are committed, or reasonably expected to be available, for the development and construction of the Project under the various sources of funds set forth in the Base Case Financial Model most recently delivered to the RRIF Lender will be sufficient to pay all Total Project Costs anticipated for the development and construction of the Project and to achieve Substantial Completion.

(ff) No Proposed Legal Changes. There is no (i) amendment or, to the knowledge of the Borrower, no proposed amendment certified for placement on a statewide or local ballot (including any voter initiatives or referendums), to the Bond Documents or that relates to Local Option Taxes or Pledged Taxes or (ii) legislation that has passed, or any published judicial decision interpreting any of the foregoing, which could reasonably be expected to result in a Material Adverse Effect on the ability of the Borrower to receive any of the Pledged Taxes or its ability to perform its obligations under this Agreement, the RRIF Bond and the other RRIF Loan Documents in effect as of any date on which this representation and warranty is made.

(gg) Investment Policy. The Borrower has neither made any investment nor entered into any agreements for the purpose of effecting any investment which (i) is not permitted pursuant to the Bond Documents and the RRIF Loan Documents in effect as of any date on which this representation and warranty is made, or (ii) is contrary to the Investment Policy.

(hh) Transportation Improvement Program. The Project has been included in (i) the metropolitan transportation improvement program adopted by the Puget Sound Regional Council, (ii) the State transportation plan, and (iii) the State transportation improvement program approved by the USDOT or its designated agency in accordance with 23 U.S.C. §§ 134 and 135. (k) Funds and Accounts.

(i) In each case in accordance with the provisions of the Bond Documents, including this Agreement, the Borrower shall maintain each of the Prior Reserve Account, the Parity Reserve Account, the TIFIA Reserve Account and the RRIF Reserve Account in an amount equal to the Prior Reserve Account Requirement, the Parity Reserve Account Requirement, the TIFIA Reserve Account Requirement and the RRIF Reserve Account Requirement, respectively. Amounts in each Reserve Account shall be applied to ensure the timely payment of the principal of and interest on the Bonds secured by such Reserve Account. The Borrower may replace all or a portion of the required balance on each such Reserve Account, if permitted by and in accordance with the terms of the Bond Documents, with an irrevocable letter of credit, insurance policy or similar instrument provided by a Qualified Financial Institution. With respect to the RRIF Reserve Account, any letter of credit, insurance policy or similar instrument shall be issued by a Qualified Financial Institution and, in the case of any letter of credit, such letter of credit shall be an Acceptable Letter of Credit. If at any time the financial institution that has provided such letter of credit, insurance policy or similar instrument ceases to be a Qualified Financial Institution, the Borrower shall cause such instrument to be replaced by a new Acceptable Letter of Credit, insurance policy or similar instrument issued by a Qualified Financial Institution within thirty (30) days after the date on which such financial institution ceased to be a Qualified Financial Institution or shall otherwise ensure that the RRIF Reserve Account is funded with cash and/or Permitted Investments in an amount, together with any Acceptable Letter of Credit, insurance policy or similar instrument credited thereto and issued by a Qualified Financial Institution, not less than the then applicable RRIF Reserve Account Requirement.

Account equal to the RRIF Reserve Account Requirement; provided that the Borrower shall fund the RRIF Reserve Account in an amount equal to the RRIF Reserve Account Requirement no later than the first (1st) Business Day of the month following the twelfth (12th) month after the RRIF Reserve Event. Notwithstanding the foregoing, following the occurrence of a RRIF Reserve Event, in the event that, on any Ratio Calculation Date, the Debt Service Coverage Ratio for the preceding Calculation Period falls below 1.25 to 1.00, the amount of the RRIF Reserve Account Requirement not yet funded, if any, shall be funded by no later than the next Semi-Annual Payment Date following such occurrence. Amounts on deposit in the RRIF Reserve Account shall be made available to ensure the timely payment of RRIF Debt Service on the RRIF Loan and debt service in respect of TIFIA Bonds, in each case as needed, and shall not be available to pay any other obligations owed by the Borrower to any other Person. If any funds on deposit in the RRIF Reserve Account are drawn upon to pay RRIF Debt Service due on any Semi-Annual Payment Date, the Borrower shall restore such funds on deposit in the RRIF Reserve Account to the RRIF Reserve Account Requirement no later than the next succeeding Semi-Annual Payment Date. So long as any RRIF Reserve Event continues, funds on deposit in the RRIF Reserve Account shall remain in such account (subject to transfers required under this Section 15(k)(ii)) and shall be invested only in Permitted Investments. If, after the occurrence of a RRIF Reserve Event, the Borrower delivers to the RRIF Lender certificates pursuant to Section 21(f) (*Financial Plan, Statements, and Reports*) on four (4) consecutive Ratio Calculation Dates showing that the Debt Service Coverage Ratio for the Calculation Period preceding each such Ratio Calculation Date was not less than 1.50 to 1.00, the Borrower may provide written notice thereof to the RRIF Lender and transfer any balance in the RRIF Reserve Account to the Local Option Tax Accounts or Additional Taxes Accounts for application in accordance with Section 8(d) (*Security and Priority; Flow of Funds*); provided that, if the duration of the RRIF Reserve Event was longer than two (2) years, then any balance in the RRIF Reserve Account shall remain in the RRIF Reserve Account for a period at least as long as the duration of the RRIF Reserve Event and, before the Borrower may transfer any balance in the RRIF Reserve Account to the Local Option Tax Accounts for application in accordance with Section 8(d) (*Security and Priority; Flow of Funds*), the Borrower must deliver to the RRIF Lender certificates pursuant to Section 21(f) (*Financial Plan, Statements, and Reports*) on each Ratio Calculation Date during such period showing that the Debt Service Coverage Ratio for the preceding Calculation Period was not less than 1.50 to 1.00.

(iii) In accordance with the provisions of the RRIF Resolution, the Borrower shall cause the Prior Bond Account, Parity Bond Account, RRIF Debt Service Account and any debt payment account created in connection with any other Junior Obligations to be funded in such amounts and under such conditions as are required in the RRIF Resolution to pay debt service on the Prior Bonds, Parity Bonds, the RRIF Bond, any TIFIA Bonds, and any other Junior Obligations, respectively.

(iv) Amounts on deposit in the Construction Account shall be held uninvested or invested in Permitted Investments. Any such Permitted Investments must mature or be redeemable at the election of the holder on or prior to the date on which the funds invested in such Permitted Investments are needed for any payment from such Construction Account.

(l) Sufficiency Test.

(i) The Borrower shall impose the Rental Car Tax at a rate of not less than the then applicable Rental Car Tax Rate and the Sales Tax at a rate of not less than the then applicable Sales Tax Rate; provided that the Borrower may impose the Sales Tax at a rate of less than the then applicable Sales Tax Rate but not less than the Sales Tax Reduced Rate so long as a Borrower Pledged Taxes Sufficiency Certificate is delivered to the RRIF Lender not less than sixty (60) days prior to the date of that reduction in rate and within thirty (30) days after the end of each Borrower Fiscal Year during which the Sales Tax has been so reduced, which Borrower Pledged Taxes Sufficiency Certificate shall comply with the requirements described below. To the extent permitted by law and approved by the voters (if a vote is required), the Borrower may, in a Series Resolution, pledge to the payment of the RRIF Bond the Sales Tax in excess of the then applicable Sales Tax Rate, the Rental Car Tax in excess of the then applicable Rental Car Tax Rate and any other tax authorized by law. Notwithstanding the foregoing, the Borrower may at its discretion pledge amounts attributable to any increase of the Sales Tax rate above the then applicable Sales Tax Rate and any increase in the Rental Car Tax above the then applicable Rental Car Tax Rate to any other obligations or to other Borrower purposes; provided that any such obligations shall be issued in accordance with Section 16(b) (*Issuance of Future Bonds*).

(ii) If the Borrower desires to impose the Sales Tax at a rate less than the then applicable Sales Tax Rate (but in any event not less than the Sales Tax Reduced Rate), not less than sixty (60) days prior to the initial effective date of the reduction in the rate of the Sales Tax, the Borrower shall deliver to the RRIF Lender a Borrower Pledged Taxes Sufficiency Certificate certifying and evidencing that:

(A) The Borrower has met the sufficiency test requirements under the applicable Bond Documents then in effect; and

(B) The Borrower has met the requirements of the Sufficiency Test.

In preparing such certificate: (1) the Pledged Taxes during the Base Period may be only those shown in the audited or unaudited Financial Statements of the Borrower for the Base Period; (2) the Borrower shall take into account in calculating Pledged Taxes received during the Base Period any Adopted Pledged Taxes Rate Adjustment and Additional Taxes included as Pledged Taxes, and taxes from annexed territory, as if such adjustments, additions or annexation had been in effect during the entire Base Period; (3) the Sales Tax received during the Base Period shall be adjusted to reflect the reduced rate of the then applicable Sales Tax Rate; and (4) any Adopted Pledged Taxes Rate Adjustment and/or Additional Taxes included as Pledged Taxes shall be taken into account only if a certified public accountant, economic consultant or financial advisor experienced with state or local taxation or municipal bonds certifies that it is reasonable to expect that such adjustments or additions will be received in the amounts assumed in the Borrower Pledged Taxes Sufficiency Certificate.

There may be added to Pledged Taxes collected in the Base Period amounts withdrawn from the Tax Stabilization Subaccount in the Base Period and deposited into the Local Option Tax Accounts and/or the Additional Taxes Accounts in accordance with Section 8(e) (*Security and Priority; Flow of Funds*).

If the Borrower is imposing the Sales Tax at a rate less than the then applicable Sales Tax Rate (which in any event shall not be less than the Sales Tax Reduced Rate) and if the Borrower is unable to deliver a Borrower Pledged Taxes Sufficiency Certificate within thirty (30) days after the end of each Borrower Fiscal Year during which the rate at which the Sales Tax is imposed has been so reduced confirming satisfaction with the tests set forth in clause (l)(ii)(ii) above, the Borrower shall, within ninety (90) days after the end of that Borrower Fiscal Year, take all action required on its part to increase the rate of that Sales Tax imposed, but not to exceed the then applicable Sales Tax Rate for the purpose of being able to deliver such Borrower Pledged Taxes Sufficiency Certificate.

The Borrower shall fix, levy and impose the additional motor vehicle excise tax approved at an election held on November 8, 2016 at a rate of not less than eight-tenths of one percent (0.8%). Notwithstanding the foregoing, the Borrower may at its discretion pledge amounts attributable to any increase of the Motor Vehicle Tax rate above eight-tenths of one percent (0.8%) (or, during any time the 1996 Motor Vehicle Tax is being imposed, above one and one-tenth of one percent (1.1%)) to any other obligations or to other Borrower purposes.

The Borrower shall fix, levy and impose the 1996 Motor Vehicle Tax, to the extent permitted by law, at a rate of not less than three-tenths of one percent (0.3%).

The Borrower shall take all reasonable actions necessary to impose and provide for the continued collection of the Pledged Taxes and the application of those taxes for payment of the RRIF Bond in accordance with this Agreement. Except as expressly permitted under this Section 15(l), the Borrower shall not take any action that limits, terminates, reduces or otherwise impairs its authority to impose and collect all Pledged Taxes.

(m) Material Obligations; Liens. The Borrower shall pay its material obligations promptly and in accordance with their terms and pay and discharge promptly all taxes, assessments and governmental charges or levies imposed upon it or upon the Pledged Taxes or its Total Revenues or in respect of its property, before the same shall become delinquent or in default, as well as all lawful and material claims for labor, materials and supplies or other claims which, if unpaid, might give rise to a Lien (other than Permitted Liens) upon such properties or any part thereof or upon the Pledged Taxes; provided that such payment and discharge shall not be required with respect to any such tax, assessment, charge, levy, claim or Lien so long as the validity or amount thereof shall be contested by the Borrower in good faith by appropriate proceedings and so long as the Borrower shall have set aside adequate reserves with respect thereto in accordance with and to the extent required by GAAP, applied on a consistent basis.

(n) Hedging and Variable Rate Bonds.

(i) To protect against fluctuations in interest rates, the Borrower shall make arrangements for a Qualified Hedge to be in place and maintained with respect to Bonds during any period in which such Bonds bear interest at a Variable Rate (including Bonds for which a Qualified Hedge is executed that has the effect of converting the fixed rate of interest thereon to a synthetic Variable Rate), except that this requirement shall not apply to (A) Variable Rate Bonds such as commercial paper having a final maturity of one year or less, or (B) outstanding Variable Rate Bonds (excluding any outstanding Variable Rate Bonds described in clause (A)) in an aggregate total principal amount not exceeding twenty-five percent (25%) of the total principal amount of the Borrower's outstanding Bonds (the "**Hedging Threshold**").

(ii) In the event the Borrower intends to issue Variable Rate Bonds in a principal amount in excess of the Hedging Threshold, the Borrower shall provide the RRIF Lender with at least sixty (60) days' prior written notice of its intention to enter into a Qualified Hedge with respect to the Variable Rate Bonds in excess of the Hedging Threshold, and the terms and conditions of any such Qualified Hedge shall be subject to the prior written approval of the RRIF Lender, which approval shall not be unreasonably withheld. The notice to the RRIF Lender shall include evidence of the Borrower's compliance with Chapter 39.96 RCW, and the Borrower shall provide a copy of the Qualified Hedge upon its execution, together with a certificate that such Qualified Hedge complies with the applicable requirements of Chapter 39.96 RCW.

(iii) The method of computing the Variable Rate for each Variable Rate Bond shall be specified in the Series Resolution authorizing such Bonds; provided that such variable interest rate shall be subject to a maximum interest rate set forth in such Series Resolution, unless either (A) the Borrower has entered into a Qualified Hedge with respect to such Variable Rate Bonds which provides for a synthetic fixed rate of interest or (B) the RRIF Lender otherwise provides its written consent.

(o) Principal Construction Contracts. The Borrower, as soon as reasonably practicable, shall provide written notice of the execution of each Principal Construction Contract to the RRIF Lender and the FTA Regional Office and make electronic copies available on an FTP site upon request. Upon request, the Borrower also shall provide the RRIF Lender and the FTA Regional Office with a certified copy of the executed version of each such Principal Construction Contract.

(p) Substantial Completion. Within ten (10) days of the attainment of each of the Auburn Substantial Completion, the Sumner Substantial Completion and the Substantial Completion, the Borrower shall provide the RRIF Lender with an executed copy of a certificate evidencing the Auburn Substantial Completion, the Sumner Substantial Completion and the Substantial Completion, as applicable, in each case, in the form attached as **Exhibit I** (*Form of Substantial Completion Certificate*).

(q) FTA Master Agreement. The Borrower shall comply in all material respects with all applicable federal and State laws, including (i) all items set forth on **Exhibit E** (*Compliance with Laws*), to the extent applicable, and (ii) the terms and conditions of the FTA

Master Agreement, which has no expiration date and which continues to apply until modified or superseded as outlined therein.

(r) Immunity. Consistent with RCW 4.08.120, the Borrower agrees that it will not assert any immunity (and hereby waives any such immunity) it may have as a governmental entity from lawsuits, other actions and claims, and any judgments with respect to the enforcement of any of the obligations of the Borrower under this Agreement or any other RRIF Loan Document.

(s) Revenue Coverage Ratio. The Borrower shall at all times maintain a Revenue Coverage Ratio of at least 1.00 to 1.00.

(t) Taxes. The Borrower shall timely file all tax returns required by any Governmental Authority.

(u) SAM Registration. The Borrower shall (i) maintain its active registration status with the federal System for Award Management (www.SAM.gov) (or any successor system or registry) and (ii) within sixty (60) days prior to each anniversary of the Effective Date, provide to the RRIF Lender evidence of such active registration status with no active exclusions reflected in such registration, in each case until the Final Maturity Date or to such earlier date as all amounts due or to become due to the RRIF Lender hereunder have been irrevocably paid in full in cash.

(v) Patriot Act. If the anti-money laundering compliance program provisions of the Patriot Act become applicable to the Borrower, then the Borrower will provide written notice to the RRIF Lender of the same and will promptly establish an anti-money laundering compliance program that complies with all requirements of the Patriot Act.

(w) Cargo Preference Act. Pursuant to 46 CFR Part 381, the Borrower hereby agrees as follows, and shall insert the following clauses in contracts entered into by the Borrower pursuant to which equipment, materials or commodities may be transported by ocean vessel in carrying out the Project:

(i) At least fifty percent (50%) of any equipment, materials or commodities procured, contracted for or otherwise obtained with RRIF Loan proceeds, and which may be transported by ocean vessel, shall be transported on privately owned United States-flag commercial vessels, if available.

(ii) Within twenty (20) days following the date of loading for shipments originating within the United States or within thirty (30) Business Days following the date of loading for shipments originating outside the United States, a legible copy of a rated, 'on-board' commercial ocean bill-of-lading in English for each shipment of cargo described in paragraph (i) above shall be furnished to both the RRIF Lender and to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590.

(x) Lobbying. The Borrower shall comply with all applicable certification, declaration and/or disclosure requirements under 49 CFR Part 20.

(y) Reporting Subawards and Executive Compensation. To the extent applicable, the Borrower shall comply, and shall require each Subrecipient (as defined in **Exhibit K**) to comply, with the reporting requirements set forth in **Exhibit K** (*Reporting Subawards and Executive Compensation*).

(z) Contest Challenges to Borrower's Authority. The Borrower shall diligently pursue, in a manner that the Borrower in its reasonable discretion determines to be most likely to succeed, all practicable judicial remedies to contest (i) any challenge to the authority of the Borrower to impose the Local Option Taxes and Pledged Taxes in accordance with its covenants under the RRIF Loan Documents, or (ii) any proceeding that could (A) have a substantially similar effect or (B) result in a material adverse effect on the ability of the Borrower to perform its obligations under this Agreement, the RRIF Bond or any other RRIF Loan Document.

(aa) Employee Protection and Prevailing Wages.

(i) The Borrower shall make fair and equitable arrangements, in accordance with 49 U.S.C. § 22402(h)(3)(B) and 49 U.S.C. § 22404, to protect the interests of any employees who may be adversely affected by actions pursuant to, or as a consequence of, this Agreement, including the arrangements prescribed by the United States Secretary of Labor on July 6, 1976, including the appendix thereto, attached as Annex 1 to **Exhibit E** (*Compliance with Laws*) hereto.

(ii) The Borrower shall (A) comply with the standards of 49 U.S.C. § 24312 as in effect on September 1, 2002, with respect to the Project in the same manner that the National Railroad Passenger Corporation is required to comply with such standards for construction work financed under an agreement made under 49 U.S.C. § 24308(a), and (B) comply with any additional wage and safety standards required by 49 U.S.C. Chapter 53.

(bb) Buy America.

(i) The Borrower agrees that steel, iron, and manufactured products used in the Project are subject to 49 U.S.C. § 5323(j), as implemented by FTA. The Borrower acknowledges that this Agreement is neither a waiver of 49 U.S.C. § 5323(j)(1) nor a finding under 49 U.S.C. § 5323(j)(2).

(ii) The Borrower agrees that construction materials used in the Project are subject to the domestic preference requirement at § 70914 of the Build America, Buy America Act, Pub. L. No. 117-58, div. G, tit. IX, subtit. A, 135 Stat. 429, 1298 (2021), as implemented by the Office of Management and Budget, the USDOT and FTA. The Borrower acknowledges that this Agreement is neither a waiver of § 70914(a) nor a finding under § 70914(b).

SECTION 16. Negative Covenants. The Borrower covenants and agrees as follows until the date the RRIF Loan and all obligations of the Borrower under this Agreement (other than contingent indemnity obligations) have been irrevocably paid in full in cash and the RRIF Lender no longer has any commitment to make disbursements to the Borrower under this Agreement, unless the RRIF Lender waives compliance in writing:

(a) Permitted Indebtedness. Except for Permitted Debt, the Borrower shall not, without the prior written consent of the RRIF Lender, issue or incur indebtedness of any kind secured by or payable from all or any portion of the Pledged Taxes.

(b) Issuance of Future Bonds.

(i) In order to issue any Future Bonds, the Borrower shall provide the RRIF Lender a certificate of the Borrower's Chief Executive Officer or Chief Financial Officer, in form reasonably acceptable to the RRIF Lender (including the calculations supporting such certificate), certifying that (A) the Borrower has satisfied the requirements for issuing such Future Bonds under the applicable Bond Documents; (B) the Future Bonds Historic Debt Service Coverage Ratio shall be not less than 1.10 to 1.00; (C) the Future Bonds Projected Debt Service Coverage Ratio for each calendar year during the Projected Period shall be not less than 1.10 to 1.00; and (D) the Revenue Coverage Ratio, after giving effect to the issuance of such Future Bonds, shall be projected to be not less than 1.00 to 1.00 in each calendar year while the RRIF Bond is scheduled to be outstanding.

(ii) In addition to the requirements set forth in clause (i) above, in order to issue Future Bonds, the Borrower shall provide the RRIF Lender a certificate of the Borrower's Chief Executive Officer or Chief Financial Officer, in form reasonably acceptable to the RRIF Lender, certifying that (A) no Event of Default under the Bond Documents, this Agreement or any other RRIF Loan Document shall have occurred and be continuing and (B) the Nationally Recognized Statistical Rating Organization that provided the most recent public rating of the RRIF Bond then outstanding in accordance with Section 15(j) (*Annual Rating*) shall have confirmed that the incurrence of such Future Bonds shall not result in a downgrade of the then existing credit rating of the RRIF Bond then outstanding to below "A-" or "A3" (or the equivalent thereto).

(c) No Lien Extinguishment or Adverse Amendments. The Borrower shall not, and shall not permit any Person to, without the prior written consent of the RRIF Lender, (i) extinguish or impair the RRIF Lien, (ii) except as otherwise expressly permitted in this Agreement, terminate, assign, amend, modify, replace or supplement any Related Document in a manner that could adversely affect the RRIF Lender (in the RRIF Lender's determination) in connection with the RRIF Loan or RRIF Bond, (iii) waive or permit a waiver of any provision of any Related Document in a manner that could adversely affect the RRIF Lender (in the RRIF Lender's determination) in connection with the RRIF Loan or RRIF Bond, (iv) terminate, assign, amend or modify, or waive timely performance by any party of, material covenants under any Principal Project Contract except for termination, assignment, amendment, modification or waiver that could not reasonably be expected to have a Material Adverse Effect, (v) except as otherwise expressly permitted in this Agreement, take any action, or fail to take any action, which would have the effect of reducing the rate at which any Pledged Taxes available to pay debt service on the RRIF Bond may be imposed, or (vi) provide for the acceleration (not including any indirect acceleration of the maturity thereof (A) through reimbursement obligations to the provider of a Credit Facility occurring as a result of a mandatory tender for purchase thereof or (B) as a result of revised amortization requirements and/or increased interest rates following an optional or mandatory tender for purchase thereof) of any Bonds or other obligations of the Borrower. Except as otherwise agreed by the RRIF Lender in writing, the Borrower will provide to the RRIF Lender

copies of any proposed amendments, modifications, replacements of, or supplements to any Related Document (other than any copies already provided pursuant to Section 12(b) (*Conditions Precedent to All Disbursements*)) at least thirty (30) days prior to the effective date thereof, and copies of fully executed amendments within ten (10) days following execution thereof.

(d) No Prohibited Liens. Except for Permitted Liens, the Borrower shall not create, incur, assume or permit to exist any Lien on (i) the Pledged Taxes, (ii) any Pledged Taxes Account, or (iii) any Pledged Account, or the Borrower's or the RRIF Lender's rights in respect thereof.

(e) No Prohibited Sale, Lease or Assignment. The Borrower shall not sell, lease or assign its rights in and to the Project, a substantial portion of the assets included in the Project, or its rights and obligations under any Related Document, unless, in each case, such sale, lease or assignment could not reasonably be expected to result in a Material Adverse Effect.

(f) Organizational Documents; Fiscal Year. The Borrower shall not at any time (i) amend or modify its Organizational Documents (other than any amendment or modification that is of a ministerial nature and that is not adverse to the interests of the RRIF Lender) without the prior written consent of the RRIF Lender or (ii) adopt any fiscal year other than the Borrower Fiscal Year, except with thirty (30) days' prior written notice to the RRIF Lender.

(g) No Prohibited Business. The Borrower shall not at any time engage in any business or activity other than as authorized by the laws of the State.

(h) No Prohibited Payments. The Borrower shall not, at any time, make any payments from the Pledged Taxes to any party other than in accordance with the priority, and for the specific purposes, in each case, as set forth in Section 8(d) (*Security and Priority; Flow of Funds*). The Borrower shall not declare or make, or agree to pay or make, directly or indirectly, any discretionary distribution or dividend payment that would conflict with 49 U.S.C. § 22402(h)(1)(C).

(i) Transactions with other Governmental Authorities. Except for the transactions expressly contemplated in the Principal Project Contracts and Bond Documents, the Borrower shall not (i) sell or transfer any property or assets constituting part of the Project to, or purchase or acquire any property or assets of, any other Governmental Authority or (ii) otherwise engage in any other transactions in connection with the Project with, any other Governmental Authority (including any other Governmental Authorities of or in the State), the terms and provisions of which are materially adverse to the Borrower or the Project or that could reasonably be expected to result in a Material Adverse Effect.

(j) No Payment with Federal Funds. The Borrower shall not pay any portion of RRIF Debt Service nor any other amount to the RRIF Lender or to the Federal Government pursuant to the RRIF Loan Documents with funds received directly or indirectly from the Federal Government; provided that the Borrower may prepay the RRIF Loan in whole or in part with the proceeds of a validly issued federal credit instrument pursuant to, and in accordance with, Section 10 (*Prepayment*).

(k) Change in Legal Structure; Mergers and Acquisitions. The Borrower shall not, and shall not agree to:

(i) acquire by purchase or otherwise the business, property or fixed assets of, or equity interests or other evidence of beneficial ownership interests in, any Person, other than purchases or other acquisitions of inventory or materials or spare parts or Capital Expenditures, each in the ordinary course of business in compliance with the annual budget set forth in the Financial Plan most recently delivered to the RRIF Lender; or

(ii) reorganize, consolidate with or merge into another Person unless (A) such merger or consolidation is with or into another entity that is a public agency and regional transit authority under Chapter 81.112 RCW and Chapter 81.104 RCW, or any successor provisions under the laws of the State, and meets the legal capacity requirements of 49 U.S.C. Chapter 53, and in each case, including reorganization, does not adversely affect or impair to any extent or in any manner (x) the Pledged Taxes or (y) the availability of the Pledged Taxes for the payment and security of the obligations of the Borrower under this Agreement and the other RRIF Loan Documents; and (B) the Borrower provides to the RRIF Lender, no later than sixty (60) days prior to the date of reorganization, consolidation or merger, prior written notice of such reorganization, consolidation or merger and the agreements and documents authorizing the reorganization, consolidation or merger, satisfactory in form and substance to the RRIF Lender. The documents authorizing the reorganization, consolidation or merger shall contain a provision, satisfactory in form and substance to the RRIF Lender, that, following such reorganization, consolidation or merger, the successor will assume, by operation of law or otherwise, the due and punctual performance and observance of all of the covenants, agreements and conditions of this Agreement and the other Related Documents to which the Borrower is a party. In addition, the Borrower shall provide all information concerning such reorganization, consolidation or merger as shall have been reasonably requested by the RRIF Lender.

(l) Additional Rights. In the event that the Borrower, directly or indirectly, enters into, consents to, or otherwise grants any Contractual Obligation that provides any counterparty to such Contractual Obligation with rights to accelerate (not including any indirect acceleration of the maturity thereof (i) through reimbursement obligations to the provider of a Credit Facility occurring as a result of a mandatory tender for purchase thereof or (ii) as a result of revised amortization requirements and/or increased interest rates following an optional or mandatory tender for purchase thereof) any Bonds or other obligations (the “**Additional Rights**”) in violation of Section 16(c)(vi) (*No Lien Extinguishment or Adverse Amendment*), then, to the extent permitted by law, such Additional Rights shall automatically be deemed to be incorporated into this Agreement and each other RRIF Loan Document, as applicable, and the RRIF Lender shall have the benefits of such Additional Rights with respect to the RRIF Bond. The Borrower shall promptly, upon entering into or otherwise consenting to a Contractual Obligation containing such Additional Rights, notify the RRIF Lender of such Contractual Obligation and, to the extent permitted by law, enter into an amendment to this Agreement and such other RRIF Loan Document, as applicable, to include such Additional Rights; provided that the RRIF Lender shall have the benefit of such Additional Rights, to the extent permitted by law, even if the Borrower

fails to provide such notice or an amendment hereto is not executed to include said Additional Rights into this Agreement and such other RRIF Loan Document, as applicable.

(m) Hedging. Other than (i) interest rate hedging transactions required under Section 15(n) (*Hedging and Variable Rate Bonds*), (ii) swap and hedging transactions the obligations under which are not payable from Pledged Taxes and (iii) Qualified Hedges executed for Variable Rate Bonds in an aggregate principal amount not in excess of the Hedging Threshold, the Borrower shall not enter into any swap or hedging transaction, including inflation indexed swap transactions, “cap” or “collar” transactions, futures, or any other hedging transaction without the prior written consent of the RRIF Lender.

(n) OFAC Compliance.

(i) The Borrower shall not:

(A) violate (1) any applicable Anti-Money Laundering Laws, (2) any applicable Sanctions, (3) any applicable Anti-Corruption Laws or (4) any applicable anti-drug trafficking or anti-terrorism laws, civil or criminal;

(B) use the proceeds of the RRIF Loan for purposes other than those permitted by applicable law and as otherwise permitted under this Agreement, the other Related Documents and the Principal Project Contracts; or

(C) make a payment, directly or indirectly, to any Principal Project Party that, to the Borrower’s knowledge, has violated any of the laws referenced in Section 16(n)(i) (*OFAC Compliance*) or that is a Sanctioned Person.

(ii) The Borrower shall procure that each of its directors, officers, employees, and agents, shall not, directly or indirectly, use the proceeds of the RRIF Loan or lend to, make any payment to, contribute or otherwise make available any funds to any affiliate, joint venture partner or other Person (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any applicable Anti-Corruption Laws, (B) in any manner that would result in the violation of any applicable Anti-Money Laundering Laws, (C) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or (D) in any other manner that would result in the violation of any Sanctions by any Person (including the Executive Director, the RRIF Lender or any Principal Project Party).

SECTION 17. Indemnification. To the extent permitted by law, the Borrower shall indemnify the RRIF Lender and any official, employee, agent, advisor or representative of the RRIF Lender (each such Person being herein referred to as an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities, fines, penalties, costs and expenses (including the fees, charges and disbursements of any counsel for any Indemnitee and the costs of environmental remediation), whether known, unknown, contingent or otherwise, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (a) the execution, delivery and performance of this Agreement or any of the other Related Documents, (b) the RRIF Loan or the use of the proceeds thereof, or (c) the violation of

any law, rule, regulation, order, decree, judgment or administrative decision relating to the environment, the preservation or reclamation of natural resources, the management, release or threatened release of any hazardous material or to health and safety matters; in each case arising out of or in direct relation to the Project; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities, fines, penalties, costs or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In case any action or proceeding is brought against an Indemnitee by reason of any claim with respect to which such Indemnitee is entitled to indemnification hereunder, the Borrower shall be entitled, at its expense, to participate in the defense thereof; provided that such Indemnitee has the right to retain its own counsel, at the Borrower's expense, and such participation by the Borrower in the defense thereof shall not release the Borrower of any liability that it may have to such Indemnitee. Any Indemnitee against whom any indemnity claim contemplated in this Section 17 (*Indemnification*) is made shall be entitled, with the Borrower's prior written consent (which shall not be unreasonably withheld or delayed), to compromise or settle any such indemnity claim, and the Borrower further agrees that it shall not, without such Indemnitee's prior written consent, compromise or settle any such indemnity claim. Any such compromise or settlement shall be binding upon the Borrower for purposes of this Section 17 (*Indemnification*). Nothing herein shall be construed as a waiver of any legal immunity that may be available to any Indemnitee. To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any of the other Related Documents, the RRIF Loan and the other transactions contemplated hereby and thereby, or the use of the proceeds thereof. All amounts due to any Indemnitee under this Section 17 (*Indemnification*) shall be payable promptly upon demand therefor. The obligations of the Borrower under this Section 17 (*Indemnification*) shall survive the payment or prepayment in full or transfer of the RRIF Bond, the enforcement of any provision of this Agreement or the other Related Documents, any amendments, waivers (other than amendments or waivers in writing with respect to this Section 17 (*Indemnification*)) or consents in respect hereof or thereof, any Event of Default, and any workout, restructuring or similar arrangement of the obligations of the Borrower hereunder or thereunder.

SECTION 18. Sale of RRIF Loan. The RRIF Lender shall not sell the RRIF Loan at any time prior to the Substantial Completion Date. After the Substantial Completion Date, the RRIF Lender may sell the RRIF Loan to another entity or reoffer the RRIF Loan into the capital markets only in accordance with the provisions of this Section 18 (*Sale of RRIF Loan*). Any such sale or reoffering shall be on such terms as the RRIF Lender shall deem acceptable in its sole discretion. However, in making such sale or reoffering the RRIF Lender shall not change the terms and conditions of the RRIF Loan without the prior written consent of the Borrower, which consent shall not be unreasonably withheld. The RRIF Lender shall provide, at least thirty (30) days prior to any sale or reoffering of the RRIF Loan, written notice to the Borrower of the RRIF Lender's intention to consummate such a sale or reoffering; provided that no such notice shall be required during the continuation of any Event of Default. The provision of any notice pursuant to this Section 18 (*Sale of RRIF Loan*) shall not (a) obligate the RRIF Lender to sell or (b) provide the Borrower with any rights or remedies in the event the RRIF Lender, for any reason, does not sell the RRIF Loan.

SECTION 19. Events of Default and Remedies.

(a) An “**Event of Default**” shall exist under this Agreement if any of the following occurs:

(i) Payment Default. The Borrower shall fail to pay (A) any amount of principal of or interest on the RRIF Bond or the RRIF Loan (including any RRIF Debt Service required to have been paid pursuant to the provisions of Section 9 (*Payment of Principal and Interest*), and any mandatory prepayment required pursuant to the provisions of Section 10(a) (*Mandatory Prepayments*)), when and as the payment thereof shall be required to be made under this Agreement or the RRIF Bond or on the Final Maturity Date or (B) any fee or other amount payable hereunder within five (5) Business Days after such fee or other amount becomes due and payable (each such failure, a “**Payment Default**”).

(ii) Covenant Default. The Borrower shall fail to observe or perform any covenant, agreement or obligation of the Borrower under this Agreement, the RRIF Bond or any other RRIF Loan Document (other than in the case of any Payment Default or any Development Default), and such failure shall not be cured within thirty (30) days after the earlier to occur of (A) receipt by the Borrower from the RRIF Lender of written notice thereof or (B) the Borrower’s knowledge of such failure; provided that, if such failure is capable of cure but cannot reasonably be cured within such thirty (30) day cure period, then no Event of Default shall be deemed to have occurred or be continuing under this clause (ii), and such thirty (30) day cure period shall be extended by up to one hundred fifty (150) additional days, if and so long as (x) within such thirty (30)-day cure period the Borrower shall commence actions reasonably designed to cure such failure and shall diligently pursue such actions until such failure is cured and (y) such failure is cured within one hundred eighty (180) days of the date specified in either clause (A) or (B) above.

(iii) Development Default. A Development Default shall occur. If so requested by the RRIF Lender in connection with a Development Default, the Borrower shall immediately repay any unexpended RRIF Loan proceeds previously disbursed to the Borrower under this Agreement.

(iv) Misrepresentation Default. Any of the representations, warranties or certifications of the Borrower made in or delivered pursuant to the RRIF Loan Documents (or in any certificates delivered by the Borrower in connection with the RRIF Loan Documents) shall prove to have been false or misleading in any material respect when made (or deemed made) (or any representation and warranty that is subject to a materiality qualifier shall prove to have been false or misleading in any respect); provided that no Event of Default shall be deemed to have occurred under this Section 19(a)(iv) (*Misrepresentation Default*) if and so long as:

(A) such misrepresentation is not intentional;

(B) such misrepresentation is not a misrepresentation in respect of Section 13(h) (*No Debarment*), Section 13(j) (*Compliance with Federal Requirements*), Section 13(p) (*OFAC; Anti-Money Laundering Laws; Anti-*

Corruption Laws), Section 13(bb) (*Patriot Act*), or Section 13(hh) (*Transportation Improvement Program*);

(C) in the reasonable determination of the RRIF Lender, such misrepresentation has not had, and would not reasonably be expected to result in, a Material Adverse Effect;

(D) in the reasonable determination of the RRIF Lender, the underlying issue giving rise to the misrepresentation is capable of being cured;

(E) the underlying issue giving rise to the misrepresentation is cured by the Borrower within thirty (30) days from the date on which the Borrower first became aware (or reasonably should have become aware) of such misrepresentation; and

(F) the Borrower diligently pursues such cure during such thirty (30) day period.

(v) Acceleration of Senior Obligations or Other Material Indebtedness. Any acceleration (not including any indirect acceleration of the maturity thereof (A) through reimbursement obligations to the provider of a Credit Facility occurring as a result of a mandatory tender for purchase thereof or (B) as a result of revised amortization requirements and/or increased interest rates following an optional or mandatory tender for purchase thereof) shall occur of the maturity of any Senior Obligations or any Second Tier Junior Obligations (other than the RRIF Loan) (“**Other Material Indebtedness**”), or such indebtedness shall not be paid in full upon the final maturity thereof;

(vi) Cross Default. (A) Any of the representations, warranties or certifications of the Borrower made in or delivered pursuant to the Bond Documents or made in or delivered pursuant to any of the documents (the “**Other Loan Documents**”) under which any Other Material Indebtedness is created or incurred, shall prove to be false or misleading in any material respect (each an “**Other Indebtedness Misrepresentation Default**”), or any default shall occur in respect of the performance of any covenant, agreement or obligation of the Borrower under the Bond Documents or Other Loan Documents (as the case may be), and such default shall be continuing after the giving of any applicable notice and the expiration of any applicable grace period specified in the Bond Documents or the Other Loan Documents (as the case may be) with respect to such default (each an “**Other Indebtedness Covenant Default**”), if the effect of such Other Indebtedness Misrepresentation Default or Other Indebtedness Covenant Default shall be to permit the immediate acceleration (not including any indirect acceleration of the maturity thereof (1) through reimbursement obligations to the provider of a Credit Facility occurring as a result of a mandatory tender for purchase thereof or (2) as a result of revised amortization requirements and/or increased interest rates following an optional or mandatory tender for purchase thereof) of the maturity of any or all of the Senior Obligations or the Other Material Indebtedness (as the case may be), and, in the case of any such Other Indebtedness Misrepresentation Default or Other Indebtedness Covenant Default, the Borrower shall have failed to cure Other Indebtedness Misrepresentation

Default or Other Indebtedness Covenant Default or to obtain an effective written waiver thereof in accordance with the terms of the Senior Obligations or such Other Material Indebtedness.

(B) Other than as otherwise provided in this Section 19 (*Events of Default and Remedies*), the Borrower shall default in the timely performance of any covenant, agreement or obligation under any Related Document or any such Related Document shall be terminated prior to its scheduled expiration (unless in any case such default or termination could not reasonably be expected to result in a Material Adverse Effect), and the Borrower shall have failed to cure such default or to obtain an effective written waiver thereof prior to the expiration of the applicable grace period specified in any such Related Document, or to obtain an effective revocation of such termination (as the case may be); provided that no Event of Default shall be deemed to have occurred or be continuing under this clause if, in the case of any termination of a Principal Project Contract, the Borrower replaces such Principal Project Contract with a replacement agreement (1) entered into with another counterparty that (x) is of similar or greater creditworthiness and experience as the counterparty being replaced was at the time such Principal Project Contract was originally executed (or otherwise reasonably acceptable to the RRIF Lender), (y) is not, at the time of such replacement, suspended or debarred or subject to a proceeding to suspend or debar from bidding, proposing or contracting with any federal or state department or agency and (z) is not, at the time of such replacement, in violation of any applicable laws referenced in Section 13(p) (*OFAC; Anti-Money Laundering; Anti-Corruption Laws*), and is in compliance with all applicable laws referenced in Section 13(q) (*Compliance with Law*) and Section 13(r) (*Environmental Matters*), (2) on substantially the same terms and conditions as the Principal Project Contract being replaced (or otherwise reasonably acceptable to the RRIF Lender) and (3) effective as of the date of termination of the Principal Project Contract being replaced.

(vii) Judgments. One or more judgments (A) for the payment of money in an aggregate amount in excess of \$2,000,000 (inflated annually by CPI) that are payable from Pledged Taxes and are not otherwise fully covered by insurance (for which the insurer has acknowledged and not disputed coverage) or (B) that would reasonably be expected to result in a Material Adverse Effect, shall, in either case, be rendered against the Borrower, and the same shall remain undischarged for a period of thirty (30) consecutive days during which time period execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower to enforce any such judgment.

(viii) Failure to Maintain Existence. The Borrower shall fail to maintain its existence as a public agency and regional transit authority under Chapter 81.112 RCW and Chapter 81.104 RCW or any successor provisions under the laws of the State, unless at or prior to the time the Borrower ceases to exist in such form a successor public agency or governing body has been created by the State pursuant to a valid and unchallenged State law and has succeeded to the assets of the Borrower and has assumed all of the obligations

of the Borrower under the RRIF Loan Documents and the Bond Documents, including the payment of all obligations in respect of the Bonds.

(ix) Occurrence of a Bankruptcy Related Event. A Bankruptcy Related Event shall occur with respect to (A) the Borrower or (B) a Principal Project Party; provided that (1) a Bankruptcy Related Event in connection with such Principal Project Party shall not constitute an Event of Default if the Borrower shall have promptly provided evidence satisfactory to the RRIF Lender demonstrating that a substitute Principal Project Party has sufficient financial resources and operating expertise to complete such Principal Project Contract to which such Principal Project Party was a party in accordance with the applicable Construction Schedule, and (2) after Substantial Completion shall have occurred, the occurrence of a Bankruptcy Related Event in connection with any Principal Project Party shall not constitute an Event of Default if at the time of such occurrence, (I) no claim against any warranty under the applicable Principal Project Contract to which such Principal Project Party is a party exists or remains outstanding, or (II) the Borrower promptly provides evidence satisfactory to the RRIF Lender showing that the Borrower has (x) sufficient moneys to correct any defect or nonconforming work of such Principal Project Party, and (y) a plan to carry out such works referred to in clause (x) hereof.

(x) Project Abandonment. The Borrower shall abandon the Project.

(xi) Cessation of Operations. Operation of the Project shall cease for a continuous period of not less than thirty (30) days unless (A) such cessation of operations occurs by reason of an Uncontrollable Force; (B) the Borrower's repairs or required improvements to operate the Project cannot be completed within thirty (30) days; (C) the Borrower shall be self-insured in an amount sufficient to cover, or shall have in force an insurance policy or policies under which the Borrower is entitled to recover, substantially all property damage expenses; and (D) the Borrower continues to collect the Pledged Taxes in amounts sufficient to cover payments of all RRIF Debt Service and costs and expenses of the Borrower during such cessation of operations; provided that the Project shall not be deemed to have ceased operations for the period that the Borrower operates buses or other public transit service along the route served by the Project and is exercising reasonable diligence to resume full light rail operations as soon as practicable but not later than 180 days.

(xii) RRIF Loan Documents. (A) This Agreement or (B) any other RRIF Loan Document, in each case, ceases to be in full force and effect (other than as a result of the termination thereof in accordance with its terms) or becomes void, voidable, illegal or unenforceable, or the Borrower contests in any manner the validity or enforceability of this Agreement or such other RRIF Loan Document or denies it has any further liability under this Agreement or such other RRIF Loan Document, or purports to revoke, terminate or rescind this Agreement or such other RRIF Loan Document.

(b) Upon the occurrence of an Event of Default described in clause (ix)(A) of Section 19(a) (*Events of Default and Remedies*), all obligations of the RRIF Lender under this Agreement with respect to the disbursement of any undisbursed amounts of the RRIF Loan shall immediately be deemed terminated.

(c) Upon the occurrence of any other Event of Default, the RRIF Lender, by written notice to the Borrower, may, in its sole discretion, suspend or terminate all of its obligations under this Agreement with respect to the disbursement of any undisbursed amounts of the RRIF Loan.

(d) Whenever any Event of Default shall have occurred and be continuing, the RRIF Lender shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of any sums due and unpaid under the RRIF Bond or the RRIF Loan Documents, and may prosecute any such judgment or final decree against the Borrower and collect in the manner provided by law out of the property of the Borrower the moneys adjudged or decreed to be payable, and the RRIF Lender shall have all of the rights and remedies of a creditor, including all rights and remedies of a secured creditor under the Uniform Commercial Code, and may take such other actions at law or in equity as may appear necessary or desirable to collect all amounts payable by the Borrower under the RRIF Bond or the other RRIF Loan Documents then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under the RRIF Bond or the other RRIF Loan Documents.

(e) Whenever any Event of Default shall have occurred and be continuing, the RRIF Lender may suspend or debar the Borrower from further participation in any Federal Government program administered by USDOT and notify other departments and agencies of such Event of Default.

(f) No action taken pursuant to this Section 19 (*Events of Default and Remedies*) shall relieve the Borrower from its obligations pursuant to this Agreement, the RRIF Bond or the other RRIF Loan Documents, all of which shall survive any such action.

(g) (i) In addition to the remedies otherwise provided in this Section 19 (*Events of Default and Remedies*), so long as an Event of Default shall have occurred and be continuing, the RRIF Lender, on behalf of itself and the owners of any Other Second Tier Junior Obligations then outstanding, may appoint a Bondowners' Trustee by written notice delivered to the Bondowners' Trustee, the Borrower and the owners of such Other Second Tier Junior Obligations. Any Bondowners' Trustee appointed hereunder shall be a bank or trust company organized under the laws of the State or the State of New York or shall be a national banking association. The RRIF Lender, on behalf of itself and the owners of the Other Second Tier Junior Obligations then outstanding, may remove the entity then acting as Bondowners' Trustee at any time, and may appoint a successor Bondowners' Trustee, in each case by written notice delivered to the Bondowners' Trustee, the Borrower and the owners of the Other Second Tier Junior Obligations. The Bondowners' Trustee appointed in the manner provided herein, and each successor thereto, is hereby declared to be a trustee for the benefit of the RRIF Lender, as owner of the RRIF Bond, and of the owners of the Existing TIFIA Bonds and the Other Second Tier Junior Obligations (to the extent set forth in any Series Resolution authorizing the Other Second Tier Junior Obligations) and is empowered to exercise all the rights and powers conferred herein on the Bondowners' Trustee.

(ii) The Bondowners' Trustee may, upon the occurrence of an Event of Default and during the continuance thereof, take such steps and institute such suits, actions or other proceedings in its own name, or as trustee, all as it may deem appropriate for the

protection and enforcement of the rights of the RRIF Lender and the owners of the Other Second Tier Junior Obligations to collect any amounts due and owing by the Borrower and pledged to the RRIF Bond, the Existing TIFIA Bonds and the Other Second Tier Junior Obligations, or to obtain other appropriate relief, and may enforce the specific performance of any covenant, agreement or condition contained in this Agreement or any other RRIF Loan Document; provided that upon the occurrence of an Event of Default, payment of the RRIF Bond, the Existing TIFIA Bonds and the Other Second Tier Junior Obligations shall not be subject to acceleration except, as to the RRIF Bond, to the extent contemplated by Section 16(l) (*Additional Rights*) and as to the Existing TIFIA Bonds, to the extent contemplated by the applicable Existing TIFIA Loan Documents related thereto. For the avoidance of doubt, as used in this clause (ii) and in Section 16(l) (*Additional Rights*), “acceleration” does not include any indirect acceleration of the maturity of Second Tier Junior Obligations (i) through reimbursement obligations to the provider of a Credit Facility occurring as a result of a mandatory tender for purchase thereof or (ii) as a result of revised amortization requirements and/or increased interest rates following an optional or mandatory tender for purchase thereof. Any action, suit or other proceedings instituted by the Bondowners’ Trustee shall be brought in its name as trustee for the RRIF Lender and the owners of the Other Second Tier Junior Obligations and all such rights of action upon or under the RRIF Bond or the provisions of this Agreement and the other RRIF Loan Documents may be enforced by the Bondowners’ Trustee without the possession of the RRIF Bond and without the production of the same at any trial or proceedings relative thereto except where otherwise required by applicable law. The RRIF Lender, by taking and holding the RRIF Bond, shall be conclusively deemed irrevocably to appoint the Bondowners’ Trustee the true and lawful trustee of the RRIF Lender, with authority to institute any such action, suit or proceeding; to receive as trustee and deposit in trust any sums becoming distributable on account of the RRIF Bond; to execute any paper or documents for the receipt of such money, and to do all acts with respect thereto that the RRIF Lender might have done in person. Nothing in this Section 19(g) (*Events of Default and Remedies*) shall be deemed to authorize or empower the Bondowners’ Trustee to consent to accept or adopt, on behalf of the RRIF Lender, any plan or reorganization or adjustment affecting the RRIF Bond or any right of the RRIF Lender, or to authorize or empower the Bondowners’ Trustee to vote the claims of the RRIF Lender in any receivership, insolvency, liquidation, bankruptcy, reorganization or other proceeding to which the Borrower shall be a party.

(iii) The Borrower agrees that if an Event of Default shall have occurred and be continuing, the books of record and account of the Borrower shall at all times be subject to the inspection and use of the Bondowners’ Trustee and the RRIF Lender. The Borrower agrees that if an Event of Default shall have occurred and be continuing, the Borrower will continue to account, as a trustee of an express trust, for all Pledged Taxes and other accounts pledged under the RRIF Loan Documents (including the Pledged Accounts).

(iv) The Borrower agrees that if an Event of Default shall have occurred and shall not have been remedied, the Borrower, upon demand of the Bondowners’ Trustee, shall pay over to the Bondowners’ Trustee (A) forthwith, all amounts in the Pledged Accounts, and any project account created for the deposit of proceeds of the RRIF Loan,

which amounts shall be held and applied solely for the benefit of the RRIF Lender, and (B) as promptly as practicable after receipt thereof, all Pledged Taxes subsequently received by the Borrower and pledged under the RRIF Loan Documents, subject to the prior charge thereon in favor of the owners of the Prior Bonds, the Parity Bonds and the First Tier Junior Obligations, and further subject to any deposits and payments required to be made under Section 2 of the Prior Bond Resolution and Section 4 of the Parity Bond Resolution. Upon the occurrence and during the continuation of an Event of Default, the Pledged Taxes and other funds received by the Bondowners' Trustee pursuant to the provisions of the preceding paragraph shall be applied by the Bondowners' Trustee first, to the payment of the reasonable and proper charges, expenses and liabilities paid or incurred by the Bondowners' Trustee and second, in accordance with the provisions of Section 8 (*Security and Priority; Flow of Funds*). In the event that at any time the funds held by the Bondowners' Trustee shall be insufficient for the payment of the principal of, premium, if any, and interest then due on the RRIF Bond, the TIFIA Bonds and the Other Second Tier Junior Obligations, such funds and all Pledged Taxes received or collected for the benefit or for the account of the RRIF Lender and the owners of the Other Second Tier Junior Obligations by the Bondowners' Trustee shall be applied as follows (provided that all amounts held by the Bondowners' Trustee derived from the Pledged Accounts and any project fund created for the deposit of proceeds of the RRIF Loan, together with the proceeds of the investment thereof, shall be applied solely to pay RRIF Debt Service on the RRIF Loan and debt service in respect of the Existing TIFIA Bonds as required under the applicable Existing TIFIA Loan Documents related thereto):

First, to the payment to the RRIF Lender (in respect of the RRIF Loan) and the owners of the Other Second Tier Junior Obligations of all installments of interest then due (including, without limitation, interest that is required to be capitalized in accordance with the terms of this Agreement, or, with respect to the Existing TIFIA Bonds, in accordance with the applicable Existing TIFIA Loan Documents related thereto) in the order of the maturity of such installments, earliest maturities first, and, if the amount available shall not be sufficient to pay in full any installment or installments or interest maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, without any discrimination or preference; and

Second, to the payment to the RRIF Lender (in respect of the RRIF Loan) and the owners of the Other Second Tier Junior Obligations of the unpaid principal (excluding the portion of the unpaid principal constituting capitalized interest to the extent included as interest then due under clause First above) and premium, if any, of the RRIF Bond, the TIFIA Bonds and the Other Second Tier Junior Obligations which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, earliest maturities first, and, if the amount available shall not be sufficient to pay in full the amount due on any date, then to the payment thereof ratably, according to the amounts of principal and premium, if any, due on such date, without any discrimination or preference.

(v) If and whenever (A) all outstanding principal of, premium, if any, and accrued and unpaid interest on the RRIF Bond, the TIFIA Bonds and the Other Second

Tier Junior Obligations which shall then be payable, together with the reasonable and proper charges, expenses and liabilities of the Bondowners' Trustee, the RRIF Lender and the owners of the Other Second Tier Junior Obligations, their respective agents, consultants and attorneys, and all other sums payable by the Borrower under this Agreement, the other RRIF Loan Documents, the Existing TIFIA Loan Documents and each Series Resolution authorizing the Other Second Tier Junior Obligations, shall either be paid in full in cash by or for the account of the Borrower, or provision satisfactory to the Bondowners' Trustee shall be made for such payment, or (B) all Events of Default that may have occurred under the RRIF Bond and the RRIF Loan Documents and any and all events of default under each Series Resolution authorizing the Other Second Tier Junior Obligations shall have been waived in writing in accordance with the RRIF Loan Document or each such Series Resolution authorizing the Other Second Tier Junior Obligations, as applicable, then the Bondowners' Trustee shall pay over to the Borrower all money then remaining unexpended and held by the Bondowners' Trustee. All such funds shall thereafter be applied as provided in this Agreement and each Series Resolution authorizing the Other Second Tier Junior Obligations. No such payment over to the Borrower by the Bondowners' Trustee or resumption of the application of Pledged Taxes as provided in this Agreement shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

(vi) No remedy granted in this Agreement to the Bondowners' Trustee or the RRIF Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or existing at law or in equity on or after the date of this Agreement.

SECTION 20. Accounting and Audit Procedures; Inspections; Reports and Records.

(a) The Borrower shall establish fiscal controls and accounting procedures sufficient to assure proper accounting for all Project-related transactions (including collection of Pledged Taxes, and RRIF Loan requisitions received and disbursements made with regard to the Project), so that audits may be performed to ensure compliance with and enforcement of this Agreement. The Borrower shall use accounting, audit and fiscal procedures conforming to GAAP, including, with respect to the RRIF Loan, accounting of principal and interest payments, disbursements, prepayments and calculation of interest and principal amounts outstanding.

(b) So long as the RRIF Loan or any portion thereof shall remain outstanding and until five (5) years after the RRIF Loan shall have been paid in full, the RRIF Lender shall have the right, upon reasonable prior notice, to visit and inspect any of the locations or properties of the Borrower, to examine its books of account and records, to make copies and extracts therefrom at the Borrower's expense, and to discuss the Borrower's affairs, finances and accounts with, and to be advised as to the same by, its officers and employees and its independent public accountants (and by this provision the Borrower irrevocably authorizes its independent public accountants to discuss with the RRIF Lender the affairs, finances and accounts of the Borrower, whether or not any representative of the Borrower is present, it being understood that nothing contained in this Section 20(b) (*Accounting and Audit Procedures; Inspections; Reports and Records*) is intended to confer any right to exclude any such representative from such discussions), all at such reasonable times and intervals as the RRIF Lender may desire. The Borrower agrees to pay all out-of-pocket expenses incurred by the RRIF Lender in connection with the RRIF Lender's

exercise of its rights under this Section 20(b) (*Accounting and Audit Procedures; Inspections; Reports and Records*) at any time when an Event of Default shall have occurred and be continuing.

(c) The Borrower shall maintain and retain all files relating to the Project, the RRIF Loan and Pledged Taxes until five (5) years after the later of the date on which (i) all rights and duties hereunder and under the RRIF Bond (including payments) have been fulfilled and any required audits have been performed and (ii) any litigation relating to the Project, the RRIF Loan, Pledged Taxes, this Agreement or any other RRIF Loan Document is finally resolved or, if the RRIF Lender has reasonable cause to extend such date, a date to be mutually agreed upon by the RRIF Lender and the Borrower. The Borrower shall provide to the RRIF Lender in a timely manner all records and documentation relating to the Project or Pledged Taxes that the RRIF Lender may reasonably request from time to time.

(d) The Borrower shall provide to the RRIF Lender, promptly after the sending or receipt thereof, copies of (i) final ratings presentations sent to, and any notices, reports or other written materials (other than those that are ministerial in nature) received from, any Nationally Recognized Statistical Rating Organization that has provided, or is being requested to provide, a rating with respect to the Project or on any indebtedness of the Borrower that is or will be secured by or paid from Pledged Taxes, and (ii) all notices and other written communications, other than those that are non-substantive or ministerial in nature, received by it from the trustee or any bondholder under the Bond Documents, and (iii) all reports, notices and other written materials, other than those that are non-substantive or ministerial in nature, required to be sent to the trustee or any bondholder under the Bond Documents, including all such notices, other than those that are non-substantive or ministerial in nature, relating to the Bonds or any of the Principal Project Contracts; unless, in each case, the RRIF Lender notifies the Borrower that any such reports, notices and/or other written materials no longer need to be provided.

(e) The Borrower shall have a single or program-specific audit conducted in accordance with 2 CFR Part 200 Subpart F and 31 U.S.C. § 7502 in 2023 and annually thereafter, except to the extent biennial audits are permitted for the Borrower pursuant to 2 CFR § 200.504 and 31 U.S.C. § 7502(b). Upon reasonable notice, the Borrower shall cooperate fully in the conduct of any periodic or compliance audits conducted by the RRIF Lender, the USDOT, or designees thereof, pursuant to 49 CFR § 80.19, 31 U.S.C. § 7503(b), or 31 U.S.C. § 6503(h) and shall provide full access to any books, documents, papers or other records that are pertinent to the Project or the RRIF Loan, to the Secretary, or the designee thereof, for any such project or programmatic audit.

SECTION 21. Financial Plan, Statements, and Reports.

(a) The Borrower shall provide to the RRIF Lender and the FTA Regional Office, within sixty (60) days after the Effective Date and annually thereafter not later than ninety (90) days after the beginning of each Borrower Fiscal Year, a Financial Plan. The Financial Plan submitted within sixty (60) days after the Effective Date should be consistent in all respects with the projections, assumptions and other information contained or reflected in the Initial Base Case Financial Model.

(i) The Financial Plan shall be prepared in accordance with GAAP and shall comply in all respects with the FTA Project Management Oversight Regulations, as amended from time to time.

(ii) Together with the Financial Plan, the Borrower shall deliver to the RRIF Lender: (A) a certificate signed by the Borrower's Authorized Representative to the effect that the Financial Plan, including the assumptions and supporting documentation, is accurate and reasonable to the best of the Borrower's knowledge and belief; (B) a certificate signed by the Borrower's Authorized Representative demonstrating that annual projected Pledged Taxes shall be sufficient to meet the Loan Amortization Schedule; (C) except in the case of the Financial Plan submitted within sixty (60) days after the Effective Date, an electronic copy of an Updated Base Case Financial Model for the period from inception thereof through the Final Maturity Date of the RRIF Loan, in substantially the form heretofore provided to the RRIF Lender, based upon assumptions and projections with respect to the Pledged Taxes, expenses and other financial aspects of the Project which shall reflect the prior experience and current status of the Project, and the expectations of the Borrower with respect to the Project, as of the most recent practicable date prior to the delivery of such Updated Base Case Financial Model, together with a change log describing such changes; and (D) a certificate of the Borrower's Authorized Representative indicating whether or not a Revenue Sharing Trigger Event has occurred.

(iii) For the period through Substantial Completion, the Financial Plan shall: (A) provide the current estimate of the Total Project Costs, the Eligible Project Costs and the remaining cost to complete the Project, identify any significant cost changes since the previous Financial Plan delivered in connection with the Project, discuss the reasons for and implications of the cost changes, and include a summary table showing the history of Total Project Costs by major activity or Standard Cost Category since the Base Case Financial Model most recently delivered to the RRIF Lender and since the preceding Financial Plan; (B) provide the current schedule and implementation plan for completing the Project, including the Projected Substantial Completion Date; (C) identify major milestones for each phase of the Project and compare current milestone dates with milestone dates in the Base Case Financial Model most recently delivered to the RRIF Lender and since the preceding Financial Plan, and discuss reasons for changes in such milestones; (D) provide current estimates of sources and uses of funds for the Project, identify any significant funding changes since the preceding Financial Plan, discuss reasons for and implications of the funding changes, and include a summary table showing the history of funding for the Project since the Base Case Financial Model most recently delivered to the RRIF Lender and since the preceding Financial Plan; (E) provide an

updated cash flow schedule showing annual cash needs versus available revenue and funding to meet those needs and identify any potential revenue and funding shortfalls, and addressing contingency measures that will or may be taken to address any shortfalls; (F) based on the updated cash flow schedule, provide projected debt service coverage ratios for any Prior Bonds, Parity Bonds, First Tier Junior Obligations, other Second Tier Junior Obligations and the RRIF Bond through the Final Maturity Date; (G) provide cost containment strategies and risk mitigation plans that have been or may be implemented to address factors that are affecting or could affect the scheduled completion or financial viability of the Project; (H) provide the total value of approved changes in design or scope of the Project, and provide a listing of each individual change valued at \$5,000,000 or more, setting forth the rationale or need for the proposed change and describing the impact of such change on the Project; and (I) contain, in form and substance satisfactory to the RRIF Lender, a written narrative report on the progress of design, permitting, acquisition and construction of the Project since the Base Case Financial Model most recently delivered to the RRIF Lender and since the preceding Financial Plan, describing in reasonable detail all significant activities concerning the status of the Project, including any adjustment to the Projected Substantial Completion Date and any material matters that may affect the future performance of the Borrower's obligations under this Agreement and the causes thereof.

(iv) For the period following Substantial Completion until repayment of the RRIF Loan in full, the Financial Plan shall: (A) provide an updated cash flow schedule showing annual cash inflows (Pledged Taxes, interest and other income) and outflows (Operations and Maintenance Expenses, Capital Expenditures, Annual Bond Debt Service for all Bonds, RRIF Debt Service for the RRIF Loan (whether or not required to be paid pursuant to this Agreement), replenishment of reserves and other uses) with a narrative identifying any potential revenue or funding shortfall and discussing contingency measures that will or may be taken to address any shortfalls; (B) provide current and estimated amounts of Pledged Taxes received and the amounts deposited into each of the accounts and subaccounts established under the RRIF Resolution and the amount disbursed from such funds and accounts and the balance in each of the funds and accounts; (C) provide an updated schedule of actual and projected Pledged Taxes, showing actual and projected debt service coverage ratios for the Prior Bonds, Parity Bonds, First Tier Junior Obligations, the RRIF Bond and other Second Tier Junior Obligations; and (D) include a written narrative report explaining any variances in costs or revenues since the Base Case Financial Model most recently delivered to the RRIF Lender and the preceding Financial Plan and describing in reasonable detail any material matters that may affect the future performance of the Borrower's obligations under this Agreement and the causes thereof to include operational contracts and third-party transactions.

(b) For the period through the Substantial Completion Date, the Borrower shall provide the RRIF Lender with written notification at least thirty (30) days prior to instituting any increase or decrease to the aggregate Total Project Costs in an amount equal to or greater than ten percent (10%) of the Total Project Costs, which notification shall set forth the nature of the proposed increase or decrease and an estimate of the impact of such increase or decrease on the capital costs and operating costs of the Project, and the Financial Plan. The Borrower's notice shall demonstrate that the proposed increase or decrease is consistent with the provisions of this

Agreement, is necessary or beneficial to the Project and does not materially impair the RRIF Lender's security or the Borrower's ability to comply with its obligations under the Related Documents, including any financial ratios or covenants included therein.

(c) The Borrower shall furnish to the RRIF Lender:

(i) As soon as available, but no later than sixty (60) days after the end of the first, second and third quarterly period of each Borrower Fiscal Year, an unaudited statement of net position of the Borrower as of the end of such period and the related unaudited statement of revenues, expenses and changes in net position of the Borrower for such period and for the portion of the Borrower Fiscal Year through the end of such period, setting forth in each case in comparative form the figures for the previous period, certified by the Borrower's Chief Executive Officer or Chief Financial Officer, fairly stating in all material respects the financial condition of the Borrower as at the end of such period and the results of its operations for such period (subject to normal year-end audit adjustments); and

(ii) As soon as available, but no later than one hundred eighty (180) days after the end of each Borrower Fiscal Year, a copy of the audited statement of net position of the Borrower as of the end of such Borrower Fiscal Year and the related audited statement of revenues, expenses and changes in net position and statement of cash flow of the Borrower for such Borrower Fiscal Year, setting forth in each case in comparative form the figures for the previous Borrower Fiscal Year, certified without a "going concern" or like qualification or exception, or qualification as to the scope of the audit, by an independent public accounting firm selected by the Borrower and which is reasonably acceptable to the RRIF Lender and the FTA Regional Office.

(d) All such Financial Statements with respect to the Borrower shall be complete and correct in all material respects and shall be prepared in reasonable detail and in accordance with GAAP applied consistently throughout the periods reflected therein (except for changes approved or required by the independent public accountants certifying such statements and disclosed therein).

(e) The Borrower shall furnish to the RRIF Lender, together with each delivery of annual audited or interim unaudited Financial Statements of the Borrower pursuant to Section 21(c) (*Financial Plan, Statements, and Reports*), a certificate signed by the Borrower's Chief Executive Officer or Chief Financial Officer, stating whether or not, to the Borrower's knowledge, during the quarterly or annual period (as the case may be) covered by such Financial Statements, there occurred any Event of Default or event which, with notice or lapse of time or both, would become an Event of Default, and, if any such Event of Default or other event shall have occurred during such period, the nature of such Event of Default or other event and the actions that the Borrower has taken or intends to take in respect thereof.

(f) On each Ratio Calculation Date after the Debt Service Payment Commencement Date, the Borrower shall furnish to the RRIF Lender a certificate, in form and substance satisfactory to the RRIF Lender and signed by the Borrower's Authorized

Representative, certifying to the Debt Service Coverage Ratio and the Revenue Coverage Ratio for the Calculation Period ending on the preceding Semi-Annual Payment Date.

SECTION 22. Project Oversight and Monitoring.

(a) Project Development, Design and Construction. The RRIF Lender shall have the right in its sole discretion to monitor (or direct its agents to monitor) the development, including environmental compliance, design, right-of-way acquisition and construction of the Project. Oversight of the development, environmental compliance, design, right-of-way acquisition and construction monitoring of the Project shall be conducted pursuant to the FTA Project Management Oversight Regulations, and related published guidance, which may be amended from time to time. The Borrower agrees to cooperate in good faith with the RRIF Lender and FTA Regional Office in the conduct of such monitoring by promptly providing the RRIF Lender and the FTA Regional Office with such reports, documentation or other information as shall be requested by the RRIF Lender and/or FTA Regional Office or its agents, including any independent engineer reports, documentation or information.

(b) Reporting. The Borrower shall furnish:

(i) Monthly Progress Report. To the RRIF Lender, for each calendar month during the Construction Period, a report executed by a Borrower's Authorized Representative, on or before the 15th day of the second (2nd) calendar month succeeding such calendar month covered by the report, that (A) specifies the amount of Total Project Costs expended since the Effective Date as well as during the calendar month covered by such report and the amount of Total Project Costs estimated to be required to complete the Project, (B) provides a demonstration that the Borrower has sufficient funds (including funds on hand and funds obtainable without undue delay or conditions that cannot reasonably be satisfied by the Borrower as and when such funds are needed) to complete the Project, (C) provides an assessment of the overall construction progress of the Project since the date of the last report and since the Effective Date, together with an assessment of how such progress compares to the Construction Schedule, (D) reviews the status of Principal Project Contracts, (E) specifies the Projected Substantial Completion Date specified in the Financial Plan most recently delivered to the RRIF Lender, (F) provides a detailed description of all material problems (including actual and anticipated cost and/or schedule overruns, if any) encountered or anticipated in connection with the construction of the Project since the date of the last report, together with an assessment of how such problems may impact the Construction Schedule and the meeting of critical dates thereunder and a detailed description of the proposed solutions to any such problems, (G) specifies the delivery status of major equipment and the effect, if any, that the anticipated delivery dates of such equipment has on the overall Construction Schedule, (H) specifies any proposed or pending change orders, (I) specifies any material changes or deviations from the Borrower's land procurement plans or schedule, (J) provides a discussion or analysis of such other matters related to the Project as the RRIF Lender may reasonably request and (K) provides a revised Project Budget updated through the end of the preceding calendar month. The Borrower shall respond, and use commercially reasonable efforts to cause the Construction Contractors to respond, to the RRIF Lender's inquiries regarding such report, the construction of the Project and any such Construction Contractor's

performance of its obligations under the Principal Construction Contract to which such Construction Contractor is a party.

(ii) Construction Contractor Reports. To the RRIF Lender and the FTA Regional Office, upon request, from and after the Effective Date and through the term of the Construction Period, promptly after receipt thereof (but in no event later than thirty (30) days after such receipt), a copy of each report delivered by each Construction Contractor to the Borrower pursuant to the Construction Contract to which such Construction Contractor is a party.

(iii) Recovery Plan. To the RRIF Lender and the FTA Regional Office, in the event that the monthly construction progress report described in clause (i) above or any progress report issued pursuant to the FTA Project Management Oversight Regulations indicates either a failure to maintain the Construction Schedule, including a failure to achieve the Substantial Completion by the Projected Substantial Completion Date or actual or projected Eligible Project Costs overruns in excess of five percent (5%) of the Eligible Project Costs reflected in the Project Budget, or both, then the Borrower shall notify the FTA Regional Office and the RRIF Lender of such failure and shall, upon request by the FTA Regional Office or the RRIF Lender, as applicable, provide the RRIF Lender and FTA Regional Office, within thirty (30) days of receipt of such request, a Recovery Plan for review and acceptance by the RRIF Lender and the FTA Regional Office. Once the Recovery Plan is accepted in accordance with the terms hereof, the Borrower shall make a good faith effort to implement the Recovery Plan and shall report on progress in the monthly progress report delivered pursuant to clause (i) above and shall document results in the annual Financial Plan.

(iv) Requested Information. The Borrower shall, at any time while the RRIF Loan remains outstanding, promptly deliver to the RRIF Lender such additional information regarding the business, financial, legal or organizational affairs of the Borrower or regarding the Project or the Pledged Taxes as the RRIF Lender may from time to time reasonably request, including copies of agreements or documentation related thereto.

(c) Project Operations. For the period following the Substantial Completion Date, the RRIF Lender shall have the right, in its sole discretion, to monitor (or direct its agents to monitor) the Project's operations and, as the RRIF Lender may request from time to time, to receive reporting on the operation and management of the Project and copies of any contracts relating to the operation, maintenance and safety services for the Project. The RRIF Lender agrees to consult with the FTA Regional Office prior to requiring reporting on the operation and management of the Project. The Borrower agrees to cooperate in good faith with the RRIF Lender in the conduct of such monitoring by promptly providing the RRIF Lender with such reports, documentation, or other information requested by the RRIF Lender. The RRIF Lender has the right, in its sole discretion, to retain a financial oversight advisor in accordance with applicable federal procurement laws, under a contract with the RRIF Lender, to carry out the provisions of this Section and the full cost of such monitoring shall be borne by the Borrower. Any costs incurred by the RRIF Lender for such monitoring, including the cost of any financial oversight

advisor, shall be promptly reimbursed by the Borrower upon demand therefor in the form of an invoice reasonably acceptable to the Borrower.

SECTION 23. No Personal Recourse. No official, employee or agent of the RRIF Lender or the Borrower or any Person executing this Agreement or any of the other RRIF Loan Documents shall be personally liable on this Agreement or such other RRIF Loan Documents by reason of the issuance, delivery or execution hereof or thereof.

SECTION 24. No Third Party Rights. The parties hereby agree that this Agreement creates no third party rights against the Borrower, the Federal Government, the RRIF Lender or FTA, solely by virtue of the RRIF Loan, and the Borrower agrees to indemnify and hold the RRIF Lender, FTA, the Servicer (if any), the Executive Director and the Federal Government harmless, to the extent permitted by law and in accordance with Section 17 (*Indemnification*), from any lawsuit or claim arising in law or equity solely by reason of the RRIF Loan, and that no third party creditor or creditors of the Borrower shall have any right against the RRIF Lender with respect to the RRIF Loan made pursuant to this Agreement.

SECTION 25. Borrower's Authorized Representative. The Borrower shall at all times have appointed a Borrower's Authorized Representative by designating the Chief Executive Officer or Chief Financial Officer of the Borrower (or such other Person or Persons as may be designated from time to time by resolution of the Board) to act on the Borrower's behalf pursuant to a written certificate furnished to the RRIF Lender and the Servicer, if any, containing the specimen signature or signatures of such Person or Persons and signed by the Borrower.

SECTION 26. RRIF Lender's Authorized Representative.

(a) The RRIF Lender shall at all times have appointed the RRIF Lender's Authorized Representative by designating such Person or Persons from time to time to act on the RRIF Lender's behalf pursuant to a written certificate furnished to the Borrower and the Servicer, if any, containing the specimen signature or signatures of such Person or Persons and signed by the RRIF Lender.

(b) Pursuant to the delegation of authority, dated July 20, 2016, from the Secretary to the Under Secretary of Transportation for Policy, the further delegation of authority, dated July 20, 2016, from the Under Secretary of Transportation for Policy to the Executive Director of the Build America Bureau, and the further delegation of authority, dated August 31, 2016 (the "**Delegation**") by the Executive Director of the Build America Bureau to the Director of the Credit Office of the Build America Bureau, the Director of the Credit Office of the Build America Bureau has been delegated the authority to enter into contracts and sign all contractual and funding documents (with the exception of the term sheets and credit agreements) necessary to implement the RRIF Act, including entering into technical amendments to, and restatements of, term sheets and credit agreements that do not materially impair the credit quality of the revenues pledged to repay the RRIF Lender. Pursuant to the Delegation, the Director of the Credit Office of the Build America Bureau may act and serve as the RRIF Lender's Authorized Representative under this Agreement, in addition to the Executive Director of the Build America Bureau for the purposes set forth herein.

SECTION 27. Servicer. The RRIF Lender may from time to time designate an entity or entities to perform, or assist the RRIF Lender in performing, the duties of the Servicer or specified duties of the RRIF Lender under this Agreement and the RRIF Bond. The RRIF Lender shall give the Borrower written notice of the appointment of any successor or additional Servicer and shall enumerate the duties or any change in duties to be performed by any Servicer. Any references in this Agreement to the RRIF Lender shall be deemed to be a reference to the Servicer with respect to any duties which the RRIF Lender shall have delegated to such Servicer. The RRIF Lender may at any time assume the duties of any Servicer under this Agreement and the RRIF Bond. The Borrower shall cooperate and respond to any reasonable request of the Servicer for information, documentation or other items reasonably necessary for the performance by the Servicer of its duties hereunder.

SECTION 28. Fees and Expenses.

(a) Commencing in the Federal Fiscal Year (“FFY”) 2024 and continuing thereafter each year throughout the term of this Agreement, the Borrower shall pay to the RRIF Lender a loan servicing fee on or before the fifteenth (15th) of November. The RRIF Lender shall establish the amount of this annual fee, and the RRIF Lender or the Servicer, if any, shall notify the Borrower of the amount, at least thirty (30) days before payment is due.

(b) In establishing the amount of the fee, the RRIF Lender will adjust the previous year’s base amount in proportion to the percentage change in CPI. For the FFY 2024 calculation, the RRIF Lender will use the FFY 2023 base amount of \$15,808.95, which applies to other RRIF borrowers, as the previous year’s base amount. The RRIF Lender will calculate the percentage change in the CPI, before seasonal adjustment, from August of the previous year to August of the current year and will then adjust the previous year’s base amount in proportion to the CPI percentage change. To calculate the amount of the fee, the RRIF Lender shall round the current year’s base amount using increments of \$500. Results with the ending integers between 250-499 or between 750-999 shall be rounded upward, and results with the ending integers between 001-249 or between 501-749 shall be rounded downward. The CPI adjustments in the following years shall begin with the base amount, not the rounded fee.

(c) The Borrower agrees, whether or not the transactions hereby contemplated shall be consummated, to reimburse the RRIF Lender on demand from time to time, within thirty (30) days after receipt of any invoice from the RRIF Lender, for any and all fees, costs, charges and expenses incurred by it (including the reasonable fees, costs and expenses of its legal counsel, financial advisors, auditors and other consultants and advisors, such reasonableness determined in accordance with Part 31 of the Federal Acquisition Regulation) in connection with the negotiation, preparation, execution, delivery, administration and performance of this Agreement and the other RRIF Loan Documents and the transactions hereby and thereby contemplated, including reasonable attorneys’ and engineers’ fees and professional costs, including all such fees, costs and expenses incurred as a result of or in connection with:

(i) the enforcement of or attempt to enforce any provision of this Agreement or any of the other RRIF Loan Documents;

(ii) any amendment, modification or requested amendment or modification of, waiver, consent or requested waiver or consent under or with respect to, or the protection or preservation of any right or claim under or with respect to, this Agreement, any other Related Document, or the Pledged Taxes, or advice in connection with the administration, preservation in full force and effect and enforcement of this Agreement or any other Related Document or the rights of the RRIF Lender hereunder or thereunder;

(iii) any ongoing oversight and monitoring of the RRIF Loan, the Borrower or the Project by the RRIF Lender as provided for herein; and

(iv) any work-out, restructuring or similar arrangement of the obligations of the Borrower under this Agreement or the other RRIF Loan Documents, including during the pendency of one or more Events of Default.

The obligations of the Borrower under this Section shall survive the payment or prepayment in full or transfer of the RRIF Bond, the enforcement of any provision of this Agreement or the other RRIF Loan Documents, any such amendments, waivers or consents, any Event of Default, and any such workout, restructuring or similar arrangement.

SECTION 29. Amendments and Waivers. No amendment, modification, termination or waiver of any provision of this Agreement shall in any event be effective without the written consent of each of the parties hereto.

SECTION 30. Governing Law. This Agreement shall be governed by the federal laws of the United States of America if and to the extent such federal laws are applicable and the internal laws of the State, if and to the extent such federal laws are not applicable.

SECTION 31. Severability. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SCHEDULE 13(f)

LIST OF LITIGATION MATTERS

1. On July 15, 2021, the Borrower was served with a Complaint in *Joshua Penner et al. v. Central Puget Sound Regional Transit Authority et al.* (“Penner”), which challenged both the Sound Move Motor Vehicle Tax and the ST3 Motor Vehicle Tax. The Penner Plaintiffs are represented by the same attorneys as the Plaintiffs in *Taylor Black et al. v. Central Puget Sound Regional Transit Authority et al.* (“Black II”), in which Borrower’s Motion for Summary Judgment was granted to fully resolve the case in Borrower’s favor. The Penner Complaint is substantively identical to the amended Black II Complaint, and on February 18, 2022 the trial court granted Borrower’s motion for summary judgment which resolved all claims in Borrower’s favor.

Plaintiffs’ appealed the trial court’s decision to the Washington Court of Appeals, Div. II. On March 21, 2023, the Court of Appeals affirmed the trial court’s grant of summary judgment in Borrower’s favor. On April 19, 2023, Plaintiffs filed a Petition for Review of the Court of Appeals decision to the Washington Supreme Court.

The Borrower does not believe the Penner Complaint could reasonably be expected to result in a Material Adverse Effect or could reasonably be expected to adversely affect the Borrower’s ability to receive Pledged Taxes in amounts sufficient to meet the financial projections contained in the Base Case Financial Model.

2. The Borrower is also party to pending litigation against the City of Mercer Island, Washington, in which the City sought to withhold permits required to construct East Link infrastructure improvements on the Interstate 90 Bridge and on Mercer Island. In November 2017, the court issued an ordering maintaining a preliminary injunction against the City requiring it to issue the required permits to Sound Transit and staying further proceedings in the case. The court’s order retained jurisdiction over the case until all permits required to complete East Link construction are issued to Sound Transit. Because Sound Transit and the City have entered into a settlement agreement resolving all remaining issues in the case on terms originally offered to the City before the litigation, the court will formally dismiss the case when Sound Transit notifies the court that last construction permit has been issued.

3. On February 5, 2018, an individual, acting pro se, filed a petition for writs of mandamus and prohibition and for declaratory judgment against the Borrower, in which he seeks to have the Sound Transit 3 ballot declared *void ab initio*, or, alternatively, to void the results of that ballot and order reballoting. Plaintiff’s claims are based on allegations that Sound Transit Board Members, officers, and staff engaged in corrupt and fraudulent activity in connection with that ballot measure. Sound Transit denies all allegations. In the thirty months since the Complaint’s filing, Plaintiff has not propounded any discovery or made any attempt to move this matter toward resolution. Plaintiff’s petition is eligible for *sua sponte* dismissal by the Court under King County Superior Court Local Civil Rule 41(b)(2)(D) for inaction.

Borrower does not believe Plaintiff's petition could reasonably be expected result in a Material Adverse Effect or could reasonably be expected to adversely affect the Borrower's ability to receive Pledged Taxes in amounts sufficient to meet the financial projections contained in the Base Case Financial Model.

REQUISITION PROCEDURES

This Exhibit D sets out the procedures which the Borrower agrees to follow in submitting Requisitions for the disbursement of RRIF Loan proceeds in respect of the Eligible Project Costs incurred in connection with the Project. Section 1 sets out the manner in which Requisitions are to be submitted and reviewed. Sections 2 through 4 set out the circumstances in which the RRIF Lender may reject or correct Requisitions submitted by the Borrower or withhold a disbursement. The Borrower expressly agrees to the terms hereof, and further agrees that (i) the rights of the RRIF Lender contained herein are in addition to (and not in lieu of) any other rights or remedies available to the RRIF Lender under the RRIF Loan Agreement, and (ii) nothing contained herein shall be construed to limit the rights of the RRIF Lender to take actions including administrative enforcement action and actions for breach of contract against the Borrower if it fails to carry out its obligations under the RRIF Loan Agreement during the term thereof.

Section 1. General Requirements. All requests by the Borrower for the disbursement of RRIF Loan proceeds shall be made by electronic mail or overnight delivery service by submission to the RRIF Lender, in accordance with Section 36 (*Notices; Payment Instructions*) of the RRIF Loan Agreement, of a Requisition, in form and substance satisfactory to the RRIF Lender and completed and executed by the Borrower's Authorized Representative. The form of Requisition is attached as **Appendix One** to this Exhibit D. Supporting documentation should be submitted with the requisition.

All disbursement requests must be received by the RRIF Lender at or before 5:00 P.M. (Eastern Time) on the first (1st) Business Day of a calendar month in order to obtain disbursement by the fifteenth (15th) day of such calendar month or, if either such day is not a Business Day, the next succeeding Business Day.

Section 2. Rejection. A Requisition may be rejected in whole or in part by the RRIF Lender if it is:

- (a) submitted without signature;
- (b) submitted under signature of a Person other than a Borrower's Authorized Representative;
- (c) submitted after prior disbursement of all proceeds of the RRIF Loan; or
- (d) submitted without adequate documentation of Eligible Project Costs incurred or paid. Such documentation shall include invoices for costs incurred or paid.

The RRIF Lender shall promptly send to the Borrower, in accordance with Section 36 (*Notices; Payment Instructions*) of the RRIF Loan Agreement, a notice of any Requisition so rejected, and the reasons therefor, substantially in the form attached hereto as **Appendix Two** to

this **Exhibit D**. Any Requisition rejected for the reasons specified in (a), (b) or (d) above must be resubmitted in proper form in order to be considered for approval. If a Requisition exceeds the balance of the RRIF Loan proceeds remaining to be disbursed, the request will be treated as if submitted in the amount of the balance so remaining, and the RRIF Lender will so notify the Borrower.

Section 3. Correction. A Requisition containing an apparent mathematical error will be corrected by the RRIF Lender, after telephonic or email notification to the Borrower, and will thereafter be treated as if submitted in the corrected amount.

Section 4. Withholding. The RRIF Lender shall be entitled to withhold approval (in whole or in part) of any pending or subsequent requests for the disbursement of RRIF Loan proceeds if:

(a) an Event of Default or event that, with the giving of notice or the passage of time or both, would constitute an Event of Default under the RRIF Loan Agreement shall have occurred and be continuing;

(b) the Borrower

(i) knowingly takes any action, or omits to take any action, amounting to fraud or violation of any applicable federal or local criminal law, in connection with the transactions contemplated hereby; or

(ii) fails to show a Revenue Coverage Ratio of not less than 1.00 to 1.00 for the most recent Calculation Period for which such ratio was calculated in accordance with Section 21(f) (*Financial Plans, Statements and Reports*) of the RRIF Loan Agreement; or

(iii) fails to construct the Project in a manner consistent with the Governmental Approvals with respect to the Project and the plans, specifications, engineering reports or facilities plans previously submitted to and approved by the RRIF Lender, or with good engineering practices, where such failure prevents or materially impairs the Project from fulfilling its intended purpose, or prevents or materially impairs the ability of the RRIF Lender to monitor compliance by the Borrower with applicable federal or local law pertaining to the Project, or with the terms and conditions of the RRIF Loan Agreement and the other RRIF Loan Documents; or

(iv) fails to observe or comply with any applicable federal or local law, or any term or condition of the RRIF Loan Agreement and the other RRIF Loan Documents; or

(v) fails to satisfy any condition set forth in Section 4 (*Disbursement Conditions*) or Section 12(b) (*Conditions Precedent to All Disbursements*) of the RRIF Loan Agreement; or

(vi) fails to deliver documentation satisfactory to the RRIF Lender evidencing Eligible Project Costs claimed for disbursement at the times and in the

manner specified by the RRIF Loan Agreement; provided, that in such case the RRIF Lender may, in its sole discretion, partially approve a disbursement request in respect of any amounts for which adequate documentation evidencing Eligible Project Costs has been provided and may, in its sole discretion, disburse in respect of such properly documented amounts.

Section 5. Government Shutdown. Notwithstanding anything to the contrary set forth in this **Exhibit C**, the RRIF Lender (a) shall be entitled to withhold approval of any pending or subsequent requests for the disbursement of RRIF Loan proceeds and (b) shall have no obligation to make any disbursement of proceeds of the RRIF Loan to the Borrower (even if such disbursement has been approved by the RRIF Lender), in each case if the RRIF Lender's ability to make the relevant disbursement is impaired as a result of a partial or total shutdown of the operations of any federal department or agency (including the USDOT or any of its agencies), or any contractor of any such department or agency, due to a lapse in appropriations by Congress.

ANNEX 1 TO EXHIBIT E:
SECRETARY OF LABOR LETTER

U. S. DEPARTMENT OF LABOR

OFFICE OF THE SECRETARY

WASHINGTON

JUL 6 1976

EXHIBIT E

Honorable William T. Coleman
Secretary of Transportation
United States Department of Transportation
Washington, D. C. 20590

Dear Secretary Coleman:

Section 516 of the Railroad Revitalization and Regulatory Reform Act of 1976 (PL 94-210) which was enacted into law on February 5, 1976 provides:

Fair and equitable arrangements shall be provided, in accordance with this section, to protect the interests of any employees not otherwise protected under Title V of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 771 et. seq.), who may be affected by actions taken pursuant to authorizations or approval obtained under this title. Such arrangements shall be determined by the execution of an agreement between the representatives of the railroads and the representatives of their employees, within 120 days after the date of enactment of this title. In the absence of such an executed agreement, the Secretary of Labor shall prescribe the applicable protective arrangements, within 150 days after the date of enactment of this title.

The parties attempted to negotiate a protective arrangement during the 120 day period but failed to conclude an agreement. It is therefore my responsibility to prescribe the applicable protective conditions to comply with the statutory requirement.

Representatives of the nation's railroads and railroad brotherhoods continued to negotiate and have transmitted to me jointly by letter dated July 2, 1976 an arrangement which embodies agreed upon employee protective provisions which they recommend to the Secretary as a basis for his determination.

I have reviewed this arrangement, a copy of which is attached, and find that it affords all protected employees who may be affected by actions taken pursuant to authorizations or approval obtained under Title V of the Act fair and equitable protection satisfying the requirements of Section 516. Accordingly, I prescribe the terms and conditions of this arrangement and direct that it be incorporated as an appendix to any financing agreement entered into under Title V of the Act in form identical to that submitted to me.

The arrangement stipulates that in the event any dispute or controversy arises between a railroad and an employee not represented by a labor organization with respect to the interpretation, application, or enforcement of any provision of the arrangement which cannot be settled by the parties within 30 days after the dispute arises, either party may refer the dispute to the Secretary of Labor for determination. The determination of the Secretary of Labor, or his designated representative, shall be final and binding on the parties.

Sincerely,

Secretary of Labor

APPENDIX

The scope and purpose of this Appendix are to provide, pursuant to Section 516 of the Railroad Revitalization and Regulatory Reform Act of 1976 (P.L. 94-210), for fair and equitable arrangements to protect the interests of employees of railroads affected by actions taken pursuant to authorizations or approval under Title V of that Act (hereinafter referred to as "Title V"); therefore, fluctuations and changes in volume or character of employment brought about solely by other causes are not within the purview of this Appendix.

ARTICLE I

1. DEFINITIONS - Whenever used in this Appendix, unless its context requires otherwise:

(a) "Railroad" means a common carrier by railroad or express as defined in Section 1(3) of the Interstate Commerce Act (49 U.S.C. 1(3)), and includes the Consolidated Rail Corporation, the National Railroad Passenger Corporation and the Alaska Railroad.

(b) "Project" means any action taken pursuant to authorizations or approval obtained under Title V.

(c) "Protected employee" means an employee of a railroad who had an employment relationship with such railroad on the date on which such railroad first applied for financial assistance applicable to the project involved and who is affected by actions taken pursuant to the authorization or approval under Title V: provided, however, that for so long as an employee is protected under Title V of the Regional Rail Reorganization Act of 1973 (45 U.S.C.

July 2, 1976

Mr. Bernard E. DeLury
Assistant Secretary of Labor
U.S. Department of Labor
200 Constitution Avenue, N. W.
Washington, D. C. 20210

Dear Mr. DeLury:

Section 516(a) of the Railroad Revitalization and Regulatory Reform Act of 1976 provides, among other things, that the fair and equitable arrangements for the protection of employees required thereunder "shall be determined by the execution of an agreement between the representatives of the railroads and the representatives of their employees, within 120 days after the date of enactment of this title," and that in "the absence of such an executed agreement, the Secretary of Labor shall prescribe the applicable protective arrangements, within 150 days after the date of enactment of this title."

The National Railway Labor Conference, on behalf of its member railroads, the Railway Labor Executives' Association, on behalf of the employees represented by its member unions, and the Brotherhood of Railway, Airline and Steamship Clerks were unable to make such an executed agreement within the 120-day period allowed by Section 516. However, they have now reached agreement upon a protective arrangement which they consider to be an appropriate arrangement for use under Title V and which they recommend be prescribed by the Secretary pursuant to Section 516. Those protective arrangements are set forth in an Appendix which is enclosed herewith. We suggest in that regard that they be attached as an Appendix to the Secretary's order prescribing those arrangements, assuming that the Secretary accepts our recommendation.

Yours very truly,

William H. Dempsey

771 at seq.), he shall not be a protected employee under this Appendix; and provided, further, that an employee who was benefitted solely as a result of a project shall not be a protected employee under this Appendix.

(d) "Displaced employee" means a protected employee of a railroad who, as a result of a project is placed in a worse position with respect to his compensation and rules governing his working conditions.

(e) "Dismissed employee" means a protected employee of a railroad who, as a result of a project, is deprived of employment with the railroad because of the abolition of his position or the loss thereof as the result of the exercise of seniority rights by an employee whose position is abolished as a result of a project and he is unable to secure another position by the exercise of his seniority rights.

(f) "Protective period" means that period of time during which a displaced or dismissed employee is to be provided protection hereunder and ends from the date on which an employee is displaced or dismissed to the expiration of 6 years therefrom: provided, however, that the protective period for any particular employee shall not continue for a longer period following the date he was displaced or dismissed than the period during which such employee was in the employ of the railroad prior to the date of his displacement or his dismissal. For purposes of this Appendix, an employee's length of service shall be determined in accordance with the provisions of Section 7(b) of the Washington Job Protection Agreement of May, 1935.

2. The rates of pay, rules, working conditions and all collective bargaining and other rights, privileges and benefits (including continuation of pension rights and benefits) of a railroad's employees under applicable

laws and/or existing collective bargaining agreements or otherwise shall be preserved and be applicable unless changed by future collective bargaining agreements or applicable statutes. As applied to the regulation of subcontracting by the railroads of work which is financed by funds provided pursuant to Title V, the provisions of this Section shall mean that a determination of whether or not such work validly may be subcontracted by a railroad shall not be affected by the fact that the work is being financed by funds provided pursuant to Title V.

3. Nothing in this Appendix shall be construed as depriving any employee of any rights or benefits or eliminating any obligations which such employee may have under any existing job security or other protective conditions or arrangements: provided, however, that if a protected employee otherwise is eligible for protection under both this Appendix and some other security or other protective conditions or arrangements, he shall elect between protection under this Appendix and protection under such other arrangement and, for so long as he continues to be protected under the arrangement which he so elects, he shall not be entitled to any protection or benefit (regardless of whether or not such benefit is duplicative) under the arrangement which he does not so elect; and, provided further, that after expiration of the period for which such employee is entitled to protection under the arrangement which he so elects, he may then be entitled to protection under the other arrangement for the remainder, if any, of his protective period under that arrangement.

4.(a) When a railroad contemplates a change or changes in its operations, services, facilities or equipment as a result of a project which may be the dismissal or displacement of protected employees or rearrangement

of forces involving such employees, it shall give at least sixty (60) days written notice of such intended change or changes by posting a notice on bulletin boards convenient to the interested protected employees of the railroad and by sending registered mail notice to the duly authorized representatives of such employees. Such notice shall contain a full and adequate statement of the proposed changes to be effected, including an estimate of the number of protected employees of each class affected by the intended changes.

(b) At the request of either the railroad or the representative of such interested employees, negotiations for the purpose of reaching agreement with respect to application of the terms and conditions of this Appendix shall commence within ten (10) days from the receipt of such request. Each change which may result in a dismissal or displacement of protected employees or rearrangement of forces involving such employees, shall provide for the reassignment of forces from all employees involved on bases accepted as appropriate for application in the particular case and any assignment of employees made necessary by the change shall be made on the basis of an agreement or decision under this Section 4. In the event of failure to agree within thirty (30) days from the approval of the railroad's application for financial assistance either party to the dispute may submit it for resolution in accordance with the following procedures:

(1) Within five (5) days after either party has notified the other in writing of his desire to submit the dispute for resolution hereunder, the parties shall select a neutral referee and in the event they are unable to agree within said five (5) days upon the selection of said referee, the National Mediation Board shall immediately appoint a referee. No

later than twenty (20) days after a referee has been designated a hearing the dispute shall commence.

(ii) The decision of the referee shall be final, binding, and conclusive and shall be rendered within thirty (30) days from the date of the commencement of the hearing of the dispute.

(iii) The salary and expenses of the referee shall be borne equally by the parties to the proceeding; all other expenses shall be paid by the party incurring them.

(c) If a notice of intended changes is served pursuant to this section 4, the implementation of work funded from financial assistance under the project shall not be commenced until after an agreement is reached or the decision of a referee has been rendered.

5. DISPLACEMENT ALLOWANCES - (a) So long after a displaced employee's displacement as he is unable, in the normal exercise of his seniority rights under existing agreements, rules and practices, to obtain a position producing compensation equal to or exceeding the compensation he received in the position from which he was displaced, he shall, during his protective period, be paid a monthly displacement allowance equal to the difference between the monthly compensation received by him in the position in which he is retained and the average monthly compensation received by him in the position from which he was displaced.

Each displaced employee's displacement allowance shall be determined by dividing separately by twelve (12) the total compensation received by the employee and the total time for which he was paid during the last twelve (12) months in which he performed compensated service immediately preceding the date of his displacement as a result of the project (thereby producing average monthly

compensation and average monthly time paid for in the test period). Such

allowance shall be adjusted to reflect subsequent general wage increases.

If a displaced employee's compensation in his retained position is less in any month in which he performs work than the aforesaid average compensation (adjusted to reflect subsequent general wage increases) to which he would have been entitled, he shall be paid the difference, less compensation for time lost on account of his voluntary absences to the extent that he is not available for service equivalent to his average monthly time during the test period but if in his retained position he works in any month in excess of the aforesaid average monthly time paid for during the test period he shall be additionally compensated for such excess time at the rate of pay of the retained position.

(b) If a displaced employee fails to exercise his seniority rights to secure another position available to him which does not require a change in his place of residence, to which he is entitled under the working agreement and which carries a rate of pay and compensation exceeding those of the position which he elects to retain, he shall thereafter be treated for the purposes of this section as occupying the position he elects to decline.

(c) The displacement allowance shall cease prior to the expiration of the protective period in the event of the displaced employee's resignation, death, retirement or dismissal for justifiable cause.

6. DISMISSAL ALLOWANCES - (a) A dismissed employee shall be paid a monthly dismissal allowance, from the date he is deprived of employment and continuing during his protective period, equivalent to one-twelfth of the compensation received by him in the last twelve (12) months of his employment

in which he earned compensation prior to the date he is first deprived of employment as a result of the project. Such allowance shall be adjusted to reflect subsequent general wage increases. A claim for the initial month of a dismissal allowance shall be paid within ninety (90) days and a claim for a subsequent month shall be paid within sixty (60) days after the claim is filed by the employee unless the claim is disputed by the railroad.

(b) The dismissal allowance of any dismissed employee who returns to service with the railroad shall cease while he is so reemployed. During the time of such reemployment, he shall be entitled to protection in accordance with the provisions of Section 5.

(c) The dismissal allowance of any dismissed employee who is otherwise employed shall be reduced to the extent that his combined monthly earnings in such other employment, any benefits received under any unemployment insurance law, and his dismissal allowance exceed the amount upon which his dismissal allowance is based. Such employee, or his representative, and the railroad shall agree upon a procedure by which the railroad shall be currently informed of the earnings of such employee in employment other than with the railroad, and the benefits received.

(d) The dismissal allowance shall cease prior to the expiration of the protective period in the event of the employee's resignation, death, retirement, dismissal for justifiable cause under existing agreements, failure without good cause to return to service after being notified in accordance with the working agreement, or failure without good cause to accept a comparable position which does not require a change of residence, for which he is qualified and eligible with the railroad from which he was dismissed after being notified, if his return does not infringe upon employment rights of other employees under a working agreement.

7. SEPARATION ALLOWANCE - A dismissed employee entitled to protect under this Appendix, may, at his option within seven (7) days of his dismissal or an arbitration award establishing that he is a dismissed employee, resign and (in lieu of all other benefits and protections provided in this Appendix) accept a lump sum payment computed in accordance with Section 9 of the Washington Job Protection Agreement of May, 1936.

8. FRINGE BENEFITS - No protected employee who is affected by a project shall be deprived during his protective period of any rights, privileges or benefits attached to his previous employment, such as free transportation, hospitalization, pensions, insurance, vacation benefits, et cetera under the same conditions and so long as such rights, privileges or benefits continue to be accorded to other employees of the railroad, in active service or on furlough as the case may be, to the extent that such rights, privileges or benefits can be so maintained under present authority of law, corporate action or through future authorization which may be obtained.

9. MOVING EXPENSES - Any protected employee retained in the service of a railroad or who is later restored to service after being entitled to receive a dismissal allowance, and who is required to change the point of his employment as a result of the project and who within his protective period is required to move his place of residence shall be reimbursed for all expenses of moving his household and other personal effects, for the traveling expenses of himself and members of his family, including living expenses for himself and his family and for his own actual wage loss, during the time necessary for making the move, and for a reasonable time thereafter, not to exceed three working days, used in securing a place of residence in his new location. The exact extent of the responsibility of the railroad under this

Section 9 and the ways and means of transportation shall be agreed upon in advance by the railroad and the affected employee or his representatives: provided, however, that changes in residence which are not a result of a project, which are made subsequent to the initial change and which grow out of the normal exercise of seniority rights, shall not be considered to be within the purview of this Section; provided further, that the railroad shall, to the same extent provided above, assume the expenses, etc. for an employee furloughed within three (3) years after changing his point of employment as a result of a project, who elects to move his place of residence back to his original point of employment. A claim for reimbursement shall be paid under the provisions of this Section within sixty (60) days after it is submitted unless disputed by the railroad but no claim shall be paid if presented to the railroad more than ninety (90) days after the date on which the expenses were incurred.

10. Should a railroad rearrange or adjust its forces in anticipation of a project with the purpose or effect of depriving an employee of benefits to which he otherwise would have become entitled under this Appendix, this Appendix will apply to such employee.

11. ARBITRATION OF DISPUTES - (a) In the event a railroad and its employees or their authorized representatives cannot settle any dispute or controversy with respect to the interpretation, application or enforcement of any provision of this Appendix, except Sections 4 and 12 of this Article I, within thirty (30) days after the dispute arises, it may be referred by either party to an arbitration committee. Upon notice in writing served by one party on the other of intent by that party to refer a dispute or controversy to an arbitration committee, each party shall, within ten (10) days, select one member

of the committee and the members thus chosen shall select a neutral member who shall serve as chairman. If any party fails to select its member of the arbitration committee within the prescribed time limit, the general chairman of the involved labor organization or the highest officer designated by the railroad, as the case may be, shall be deemed the selected member, and the committee shall then function and its decision shall have the same force and effect as though all parties had selected their members. Should the members be unable to agree upon the appointment of the neutral member within ten (10) days, the parties shall then within an additional ten (10) days endeavor to agree to a method by which a neutral member shall be appointed, and, failing such agreement, either party may request the National Mediation Board to designate within ten (10) days the neutral member whose designation will be binding upon the parties.

(b) In the event a dispute involves more than one labor organization, each will be entitled to a representative on the arbitration committee, in which event the railroad will be entitled to appoint additional representatives so as to equal the number of labor organization representatives, provided however, that the decision in such case shall be made by the neutral member.

(c) The decision, by majority vote except as provided otherwise in paragraph (b) of this Section, of the arbitration committee shall be final, binding, and conclusive and shall be rendered within forty-five (45) days after the hearing of the dispute or controversy has been concluded and the record closed.

(d) The salaries and expenses of the neutral member shall be borne equally by the parties to the proceeding and all other expenses shall be paid by the party incurring them.

(e) In the event of any dispute as to whether or not a particular employee was affected by a project, it shall be his obligation to identify

the project which allegedly affected him and to specify the pertinent facts of that project relied upon, including the change or changes resulting from the project which allegedly affected him. It shall then be the railroad's burden to prove that factors other than a change resulting from the project affected the employee. The claiming employee shall prevail on this issue if it is established that the project had an effect upon the employee even if other factors also may have affected the employee.

12. LOSSES FROM HOME REMOVAL - (a) The following conditions shall apply to the extent they are applicable in each instance to any protected employee who is retained in the service of a railroad (or who is later restored to service after being entitled to receive a dismissal allowance) who is required to change the point of his employment within his protective period as a result of the project and is therefore required to move his place of residence:

(1) If the employee owns his own home in the locality from which he is required to move, he shall at his option be reimbursed by the railroad for any loss suffered in the sale of his home for less than its fair value, such loss to be paid within sixty (60) days after the employee has filed a claim for such loss unless a controversy arises as to which paragraph (d) of this Section applies. In each case the fair value of the home in question shall be determined as of a date sufficiently prior to implementation of work funded from financial assistance under the project so as to be unaffected thereby. The railroad shall in each instance be afforded an opportunity to purchase the home at such fair value before it is sold by the employee to any other person.

(11) The employee may elect to waive the provisions of paragraph

(a)(i) of this Section and to receive, in lieu thereof, an amount equal to the closing costs which are ordinarily paid for and assumed by a seller of real estate in the jurisdiction in which the residence is located. Such costs shall include a real estate commission paid to a licensed realtor (not to exceed \$3,000 or 6 per centum of sale price, whichever is less), and any prepayment penalty required by the institution holding the mortgage; such costs shall not include the payment of any "points" by the seller.

(iii) If the employee is under a contract to purchase his home, the railroad shall protect him against loss to the extent of the fair value of any equity he may have in the home and in addition shall relieve him from any further obligation under his contract.

(iv) If the employee holds an unexpired lease of a dwelling occupied by him as his home, the railroad shall protect him from all loss and cost in securing the cancellation of said lease.

(b) Changes in place of residence which are not the result of a project, which are made subsequent to the initial changes caused by the project and which grow out of the normal exercise of seniority rights, shall not be considered to be within the purview of this Section.

(c) No claim for loss shall be paid under the provisions of this Section unless such claim is presented to the railroad within one (1) year after the date the employee moves.

(d) Should a controversy arise in respect to the value of the home, the loss sustained in its sale, the loss under a contract for purchase, loss and cost in securing termination of a lease, or any other question in connection with these matters, it shall be decided through joint conference between the employees, or their representatives, and the railroad. In the event they are unable to agree, the dispute or controversy may be referred by either party to a board of competent real estate appraisers, selected

In the following manner: One to be selected by the representatives of the employees and one by the railroad, and these two, if unable to agree within thirty (30) days upon a valuation, shall endeavor by agreement within ten (10) days thereafter to select a third appraiser, or to agree to a method by which a third appraiser shall be selected, and, failing such agreement, either party may request the National Mediation Board to designate within ten (10) days a third appraiser whose designation will be binding upon the parties. A decision of a majority of the appraisers shall be required and said decision shall be final and conclusive. The salary and expenses of the third or neutral appraiser, including the expenses of the appraisal board, shall be borne equally by the parties to the proceedings. All other expenses shall be paid by the party incurring them, including the compensation of the appraiser selected by such party.

ARTICLE II

1. Any protected employee whose employment is terminated or who is furloughed as a result of a project shall, if he so requests, be granted priority of employment or reemployment to fill a position comparable to that which he held when so affected, even though in a different craft or class, on the railroad which he is, or by training or retraining physically and mentally can become, qualified, not however, in contravention of collective bargaining agreements relating thereto.

2. In the event such training or retraining is requested by such employee, the railroad shall provide for such training or retraining at no cost to the employee.

3. If an employee who has made a request under Sections 1 or 2 of this Article II fails without good cause within ten (10) calendar days to accept

an offer of a position comparable to that which he held when his employment terminated or he was furloughed for which he is qualified, or for which he has satisfactorily completed such training, he shall, effective at the expiration of such 10-day period, forfeit all rights and benefits under this Appendix.

ARTICLE III

Protected employees of a railroad who are not represented by a labor organization shall be afforded substantially the same levels of protection as are afforded to members of labor organizations under these terms and conditions.

In the event any dispute or controversy arises between a railroad and an employee not represented by a labor organization with respect to the interpretation, application or enforcement of any provision hereof which cannot be settled by the parties within thirty (30) days after the dispute arises, either party may refer the dispute to the Secretary of Labor for determination. The determination of the Secretary of Labor, or his designated representative, shall be final and binding on the parties.

ARTICLE IV

1. It is the intent of this Appendix to provide fair and equitable employee protections which meet the requirements of Section 516 of Title V of Public Law 94-210 and which, insofar as is compatible with Title V, shall contain the basic monetary protections and arbitration provisions of the employee protection arrangements prescribed by the Secretary of Labor and interpreted by the Secretary of Labor, pursuant to the Rail Passenger Service Act of 1970 (45 U.S.C. 521 at seq.).

2. In the event any provision of this Appendix is held to be invalid or otherwise unenforceable under applicable law, the remaining provisions of this Appendix shall not be affected, and such provision shall be renegotiated and resubmitted to the Secretary of Labor for certification pursuant to Section 516 of Title V.
