

## Resolution No. R2020-28

### Proposal to Lower and Simplify Sounder Fares for Reduced Fare Customers

Meeting:	Date:	Type of action:	Staff contact:
Board	12/17/2020	Final action	Tracy Butler, Chief Financial Officer, Finance <b>Lisa Wolterink, Deputy Executive Director, Fares and Grants.</b>

### Proposed action

(1) Adopts new, lower fares for Low Income Adults, Youth, Seniors and People with Disabilities for Sounder commuter rail effective March 1, 2021, and (2) supersedes the fare rates established in Resolution No. R2018-05 with the rates established by this action as shown in Attachment A.

### Key features summary

- This action lowers the fares for low income adults (ORCA LIFT), Youth, Seniors and People with Disabilities on Sounder commuter rail, and simplifies Sound Transit fares for these riders by aligning them with fares for ST Express bus and Link light rail service.
- Sounder fares for low-income adult (ORCA LIFT), Youth, Seniors and Riders with Disabilities would be reduced as follows:

Customer Category	Sounder Fare		Link Fare	ST Express Fare
	Current	Proposed		
Low Income Adult & Youth	\$2.50-\$4.25	\$ 1.50	\$ 1.50	\$ 1.50
Seniors / Persons with Disability	\$1.50-\$2.75	\$ 1.00	\$ 1.00	\$ 1.00

- Board approval of this action will allow riders in these customer categories to travel on any type of Sound Transit service throughout the service area for \$1.50 (Low Income Adults and Youth) or \$1.00 (Seniors and People with Disabilities).
- This will also align the fares for riders in these customer categories with fares for King County Metro bus and the Seattle Streetcar.

### Background

Simplifying fare payment and lowering fares on Sounder for these reduced fare riders is consistent with three Fare Policy principles established by Resolution No. R2014-27, the Board's Fare Policy, which are summarized below:

- Simplify fares
- Coordinate with other regional transit agencies to facilitate regional travel, and;
- Provide fare discounts for special rider groups

This action is also consistent with the recommendations of the 2016 Regional Fare Forum to simplify fare payment for customers.

Finally, by simplifying fare payment and making transit more affordable for these customers, this action is expected to increase their ridership by about 20,000 per year once conditions return to normal from COVID-related reductions. This supports Sound Transit's Mission of "Connecting more people to more places to make life better and create equitable opportunities for all."

## **Fiscal information**

The proposed action may reduce Sounder fare revenue by an estimated \$300,000 annually compared to current fares at 2019 ridership level. In 2021, the revenue impact will likely be much less due to continued lower ridership. At 2019 levels, this reduction would have represented a 1.7% decrease in Sounder fare revenue, or a 0.3% reduction in overall Sound Transit fare revenue, reducing Sounder farebox recovery from 31.2 percent to 30.7 percent. This potential impact, if realized, would remain well above the Board established minimum Sounder farebox recovery policy of 23 percent.

## **Small business participation and apprenticeship utilization**

Not applicable to this action.

## **Title VI Compliance**

In compliance with Federal Transit Administration regulations, Sound Transit has conducted a Title VI analysis of the impacts of this fare change on low income and minority populations. Based on this analysis, Sound Transit has determined that this action will not create a disproportionate impact on low-income riders, nor will it create a disparate impact on minority riders.

## **Public engagement**

Sound Transit conducted public engagement for this proposed fare change that primarily consisted of an on-line, translated survey that was available from November 19 through December 6, 2020. The public were also notified of alternative ways to provide feedback that included:

- Emailing [fares@soundtransit.org](mailto:fares@soundtransit.org);
- Calling Sound Transit's Customer Service line or Language Link lines; or
- Providing comment at public hearing held on December 3<sup>rd</sup>.

Promotion of the opportunities for public comment, and public notification of the proposed changes included:

- Audio announcements by Station Agents at Sounder stations
- Dedicated web page at [Soundtransit.org/farechange](http://Soundtransit.org/farechange) with information and fact sheets provided in seven priority languages (Spanish, Korean, Vietnamese, Chinese, simplified Chinese, Russian and Tagalog), and notices about the change on the [Soundtransit.org](http://Soundtransit.org) home page.
- Passenger notices (Text/SMS and email) were sent on November 19, 2020 and November 30, 2020 to over 12,512 recipients who have opted to receive updates concerning Sounder service.
- Email notifications to 77 community based organizations and Agency partners detailing the proposed change, and public comment opportunities, including a virtual public hearing on December 3, 2020.

- Social media notifications posted on Facebook, Twitter and the Sound Transit Blog, The Platform.
- Press releases delivered regarding the launch of the comment period, as well as in advance of the public hearing.

Comments received include 571 completed responses to the online survey, eight emails, one letter and one comment at the December 3, 2020 Public Hearing.

Public feedback received shows clear support for this proposal.

Overall, 77 percent of survey respondents support the fare proposal, while 88 percent of the reduced fare respondents (Low Income Adult (ORCA LIFT), Youth, Seniors and People with Disabilities) who ride Sounder support the proposal. Seventy-six percent of reduced fare respondent Sounder riders said they would be more likely to ride Sounder as a result of the fare decrease, and 81 percent said it would make it easier to pay their fare. Of the eight email comments received by Sound Transit, five supported the proposal and three addressed other issues. One letter was received expressing support for the proposal by the member organizations of the Transit Access Stakeholders Coalition, the Transportation Choices Coalition, the Transit Riders Union, Hopelink, Feet First and the Sierra Club. The one public comment at the December 3, 2020 Public Hearing was in support of this proposal.

All public feedback received is detailed in the Sounder 2021 Fare Change Public Engagement Report.

## **Time constraints**

A one-month delay would prevent Sound Transit from implementing this fare reduction on March 1, 2021.
