**PROPOSED ACTION**

Approve the submittal of the 1999 Annual Report and Six-Year Transit Development Plan 2000-2006 to the state Department of Transportation.

**KEY FEATURES**

**Highlights of Proposed Action:**

- ◆ Describes accomplishments made in 1999 by the agency.
- ◆ States how agency goals and commitments address state public transportation objectives.
- ◆ Outlines proposed actions for the next six years.

**Discussion of Proposed Action:**

This annual report is required by RCW 35.58.2795 in order to present an overview of public transportation investment within the state of Washington. This information is part of the state transit planning requirements for all public transit agencies. The environmental impacts of the proposed plan are within the range of impacts and alternatives previously analyzed in the 1993 Final Environmental Impact Statement on the Regional Transit System Plan prepared by King County Metro (on behalf of the Joint Regional Policy Committee).

This annual report is supported by previous public comment and Board actions of:

- The 1993 Final Environmental Impact Statement for the Regional Transit System Plan
- The Sound Move Implementation Guide
- The 2000 Budget

**BUDGET**

Not applicable

**ALTERNATIVES**

Not applicable

**CONSEQUENCES OF DELAY**

Will not be contained in the summary report to the legislature in transit investments within the state of Washington.

**REGIONAL PARTNERSHIP AND COOPERATION**

All transit agencies within the state of Washington must submit a similar report to the Washington State Department of Transportation.

**PUBLIC INVOLVEMENT**

The Transit Development Plan (TDP) is a document required by Washington State and calls for no public outreach beyond a public hearing. The public hearing will be held prior to the June 8, 2000, meeting of the Sound Transit Board of Directors with Board action anticipated at that time.
