

A low-angle, close-up photograph of a Sound Transit train. The train is white with a teal and blue wave-like graphic along its side. Several windows are visible, reflecting the sky and the station structure. The train is positioned under a glass and steel station canopy. The overall scene is brightly lit, suggesting a sunny day.

2017 Service Implementation Plan

Some responses included multiple comments. The total count of comments in the categories is greater than the total commenters.

The image shows a close-up, low-angle view of a white and blue train car. The train has a white upper section with several dark, rectangular windows. Below the windows, there are large, stylized wave-like graphics in shades of teal and blue. The lower section of the train is blue and features more windows. A semi-transparent dark grey banner is overlaid across the middle of the image, containing the Sound Transit logo and slogan. The logo consists of a stylized 'S' and 'T' symbol. The slogan reads 'SOUNDTRANSIT' in a bold, sans-serif font, with 'RIDE THE WAVE' in a smaller font below it. The background is a clear blue sky.
