- Proposed improvements and estimated cost

Nearly complete

Environmental Process

- Impacts and mitigation

Nearly complete

Term Sheet

- Standards/Code requirements
- Permit review process
- Staffing needs

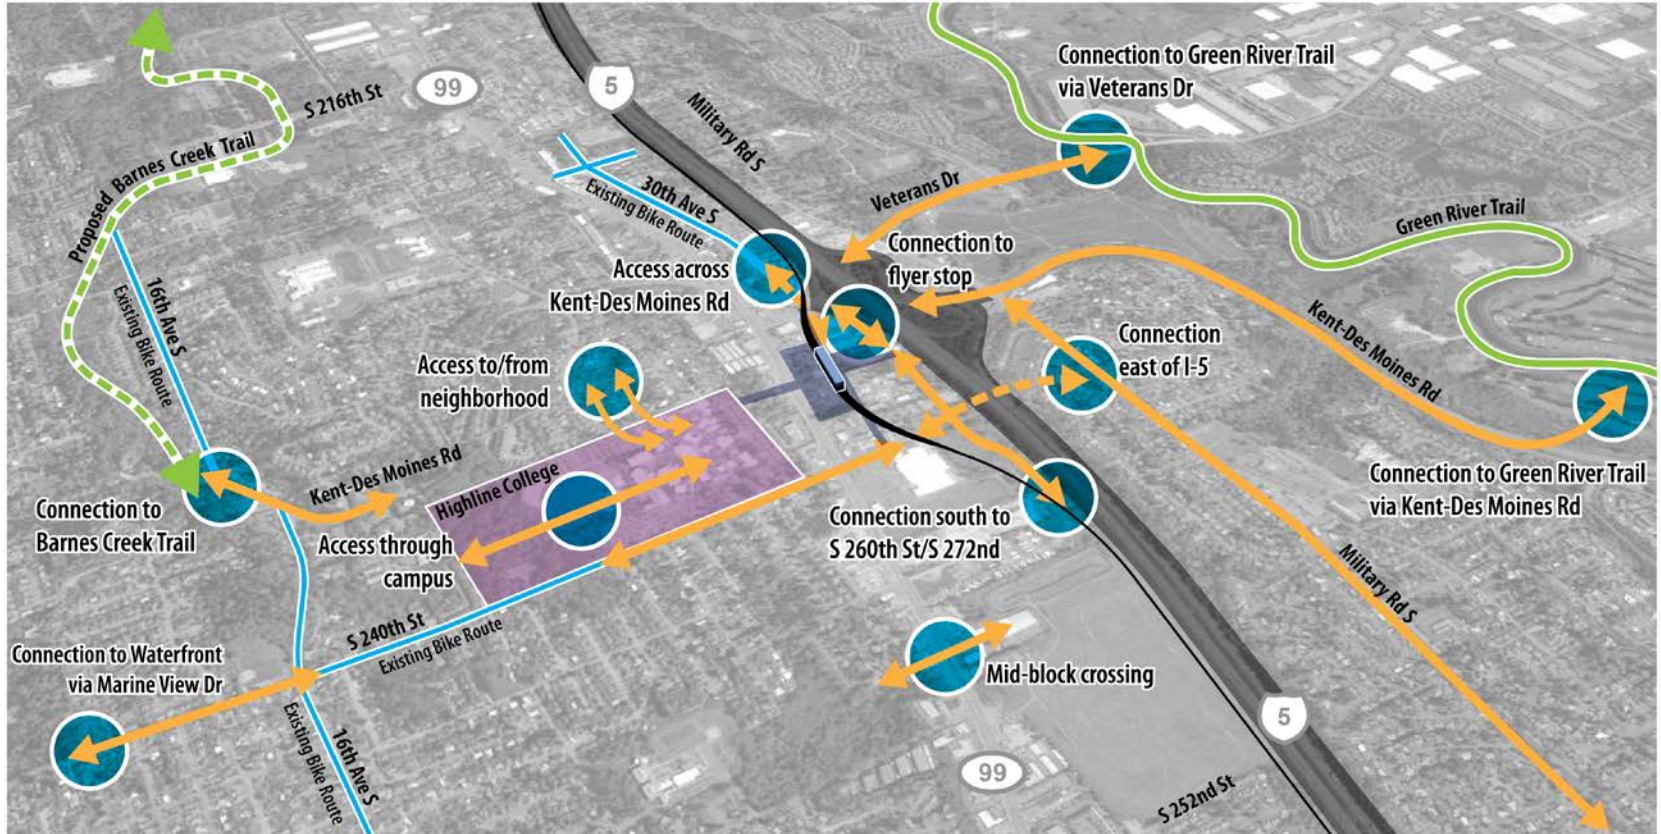

To be completed

The image features a dark grey horizontal band across the center. On the left side of this band is the Sound Transit logo, which consists of a stylized white 'S' and 'T' combined into a single symbol. To the right of the logo, the words 'SOUNDTRANSIT' are written in a bold, white, sans-serif font. Below 'SOUNDTRANSIT', the slogan 'RIDE THE WAVE' is written in a smaller, white, sans-serif font. The background of the entire image is a close-up, low-angle shot of a white and blue transit vehicle, likely a bus or train, with large windows and a blue wave graphic on its side. The top half of the image shows the white upper section with windows, and the bottom half shows the blue lower section with more windows and the word 'SOUNDBUS' partially visible in white letters.

SOUNDTRANSIT
RIDE THE WAVE
