

RESOLUTION NO. R2016-17

A RESOLUTION of the Board of the Central Puget Sound Regional Transit Authority calling an election to approve certain local taxes to implement Sound Transit 3: The Regional Transit System Plan for Central Puget Sound; describing the proposed high-capacity transportation system improvements; setting forth the ballot title and confirming and fixing the Authority's boundaries for said election.

WHEREAS, the Central Puget Sound Regional Transit Authority (Sound Transit) is the duly-organized regional transit authority for Pierce, King, and Snohomish counties pursuant to Chapters 81.104 and 81.112 RCW, and is authorized to plan, construct, and permanently operate a regional high-capacity system of transportation infrastructure and services; and

WHEREAS, in general elections held on November 5, 1996 and November 4, 2008, voters approved local funding to implement plans for a regional high-capacity transportation (HCT) system serving the central Puget Sound region. The 1996 system plan is commonly known as *Sound Move*, and the 2008 system plan is commonly known as Sound Transit 2 (or ST2); and

WHEREAS, the local funding approved to implement the *Sound Move* and ST2 regional transportation plans has been used to plan, build, and operate Link light rail, Tacoma Link light rail, Sounder commuter rail, ST Express buses, and high occupancy vehicle (HOV) access lanes in King, Pierce, and Snohomish counties; and

WHEREAS, as a result of *Sound Move* and ST2, Link light rail now serves 15 stations (from University of Washington/Husky Stadium to SeaTac Airport), with a new station scheduled to open at South 200th Street (Angle Lake Station) in Fall 2016.

The Tacoma Link light rail line connects 6 stations from the Tacoma Dome to downtown Tacoma.

Sounder commuter rail runs 28 trains each weekday, with a south line serving Lakewood, South Tacoma, Tacoma, Puyallup, Sumner, Auburn, Kent, Tukwila, and Seattle; and a north line serving Everett, Mukilteo, Edmonds, and Seattle.

ST Express operates 28 regional bus routes serving 27 cities, including Everett, Lynnwood, Bothell, Mountlake Terrace, Lake Forest Park, Kenmore, Woodinville, Seattle, Kirkland, Redmond, Sammamish, Bellevue, Issaquah, Mercer Island, Renton, SeaTac, Burien, Kent, Des Moines, Auburn, Federal Way, Sumner, Puyallup, Bonney Lake, Tacoma, Lakewood, and DuPont.

Sound Move and ST2 also funded two-way HOV lanes between Seattle and Bellevue on Interstate 90; HOV direct access ramps between HOV lanes and transit facilities in Lynnwood, Federal Way, Totem Lake, Bellevue, Eastgate, and Mercer Island; transit centers in 28 cities, including Auburn, Bellevue, Bothell, Burien, Des Moines, DuPont, Edmonds, Everett, Federal Way, Issaquah, Kenmore, Kent, Kirkland, Lakewood, Lynnwood, Mercer Island, Mountlake Terrace, Mukilteo, Newcastle, Puyallup, Redmond, Sammamish, SeaTac, Seattle, Shoreline, Sumner, Tacoma, and Tukwila; freeway bus stations in Bothell, Mountlake Terrace, Totem Lake, and Eastgate; and other transit-supportive services and facilities; and

WHEREAS, although *Sound Move* and ST2 address current and future regional mobility needs by implementing effective transportation alternatives, local planning agencies predict

continued significant population and employment growth for the central Puget Sound region in the next several decades; and

WHEREAS, after conducting a comprehensive outreach effort to obtain input from the region's residents about their transportation needs, the Sound Transit Board passed Resolution No. R2016-16 (June 23, 2016) adopting Sound Transit 3: The Regional Transit System Plan for Central Puget Sound (Sound Transit 3 Plan or Plan). The Plan responds to the region's predicted growth by offering expanded transportation projects and services to be implemented over an estimated 25-year time frame, along with revised financial and other policies to guide Plan implementation; and

WHEREAS, the Puget Sound Regional Council will review the Sound Transit 3 Plan for conformity with regional transportation and development plans, including Vision 2040 and Transportation 2040, and an independent Expert Review Panel has provided and will continue to provide comments on the plan consistent with RCW 81.104.110; and

WHEREAS, funding the Sound Transit 3 Plan will provide the improved light rail, commuter rail, bus rapid transit, and express bus services necessary for the continued mobility of the residents of Pierce, King, and Snohomish counties, and for the maintenance of both the environment and the economy.

NOW THEREFORE BE IT RESOLVED by the Board of the Central Puget Sound Regional Transit Authority as follows:

Section 1. The Board hereby finds and declares that the best interests and welfare of the residents within the Sound Transit district require Sound Transit to implement the Sound Transit 3 Plan as described in the document entitled "Sound Transit 3: The Regional Transit System Plan for Central Puget Sound" adopted by Resolution No. R2016-16, and as described below. Pursuant to the Plan, Sound Transit will continue to develop regional HCT corridors and services by expanding Link light rail, Sounder commuter rail, and bus rapid transit, and by continuing interim ST Express bus service to connect the region's population, employment, and growth centers, as generally described in the Plan and as follows:

- a) Light Rail. Sound Transit will plan, develop, and provide for the operation of an expanded regional light rail system, including new rail lines and extensions to existing rail lines. This expansion will necessitate the acquisition or construction of rail lines and rolling stock, rail stations, system access improvements, and other appurtenant facilities, as well as the acquisition of necessary rights-of-way and real property interests.
- b) Sounder Commuter Rail. Sound Transit will plan, develop, and provide for the operation of an expanded regional commuter rail system. This expanded service is deemed a reasonable alternative transit mode, and will require the acquisition or construction of rail lines and rolling stock, rail stations, system access improvements, and other appurtenant facilities, as well as the acquisition of necessary rights-of-way and real property interests.
- c) ST Express Bus Service. Sound Transit will plan, develop, and provide for the continued operation of a coordinated and efficient interim regional express bus system. To implement this system, Sound Transit will acquire or construct rolling stock, transit capital infrastructure, system access improvements, and other appurtenant facilities, and will acquire necessary rights-of-way and real property interests.

d) Bus Rapid Transit (BRT). Sound Transit will plan, develop, and provide for the operation of a coordinated and efficient BRT system. To implement this system, Sound Transit will acquire or construct rolling stock, transit centers, parking facilities, system access improvements, and other appurtenant facilities, and will acquire necessary rights-of-way and real property interests.

The Sound Transit 3 Plan also provides funding to support the development of affordable housing opportunities, as well as a strategy to implement regional equitable transit-oriented development (TOD) for diverse, vibrant, mixed-use and mixed-income communities consistent with TOD plans developed with community input. In addition, the Plan will fund HCT planning and other studies to identify potential candidates for future HCT investments and other expansion options.

Sound Transit will determine the exact extent, specifications, and procurement methods for all such expansion and improvements. The cost of all necessary property acquisition and any associated relocation; construction, architectural, design, engineering, permitting, legal, planning, and other related consulting services; inspection and testing; administrative expenses; taxes and fees, including the sales and use tax offset fee; equipment, operations and maintenance, and capital replacement; debt service; and other costs incurred in connection with the implementation of the Sound Transit 3 Plan improvements is hereby deemed a part of the costs of such improvements.

The Board will determine the application of available monies as between the various projects set forth above, consistent with the financial policies adopted as part of the Sound Transit 3 Plan. The Board will provide legislative direction as may be necessary to respond to changed conditions and circumstances so as to accomplish, as nearly as may be, all improvements described or provided for in this section and in the Sound Transit 3 Plan.

In accordance with the Sound Transit 3 Plan, Sound Transit may from time to time issue bonds, receive loans, incur other financial obligations, including, without limitation, either tax-backed or non-tax-backed financial and other arrangements with public or private entities, to fund and carry out the Plan, and subject to such terms and conditions as are determined by the Board consistent with Chapter 81.112 RCW. The Board may use the proceeds of the voter-approved taxes as described herein to pay principal and interest on said bonds, loans, or obligations for which Sound Transit voter-approved taxes are pledged.

The Board finds and declares that the approximate estimated cost of the Sound Transit 3 Plan during the estimated twenty-five-year implementation period, including costs incident thereto, is, as near as may be estimated, the sum of \$53.8 billion (year-of-expenditure dollars) (including capital, operating, and maintenance costs, as well as accounting for inflation).

Section 2. In the event the funds legally available to implement the Sound Transit 3 Plan, including, without limitation, local taxes, fares, other revenue, bonds, loans, federal grants, and other contributions from any source, exceed the amount required to fully implement the Plan (including unfunded provisional projects identified in the Plan), Sound Transit will use such excess funds as the Board may determine to be in the best interests of the region. Such uses may include, but would not be limited to, the application of funds to existing or new fund accounts; *Sound Move* or ST2 plan improvements; right-of-way preservation; expanded transit services and associated capital and operating and maintenance costs; capital replacement costs; reserve fund accounts for future operating and capital costs; reducing debt service costs, or reducing the total level of bonded or other indebtedness, or reducing tax levies; and/or authorizing new improvements affordable within the financial plan, as the Board deems appropriate, consistent with Resolution No. R2016-16.

In the event that funds legally available to implement the Sound Transit 3 Plan, including, without limitation, local taxes, other revenue, fares, bond proceeds, loan proceeds, federal grants, and other contributions from any source, are determined by the Board to be sufficient to implement the Plan, Sound Transit will acquire, construct, equip, operate, maintain, replace, or make such improvements to existing or new facilities and equipment to implement and achieve the objectives of the Plan, all as the Board finds necessary. Such improvements may include ST2 and *Sound Move* improvements.

In the event the Sound Transit 3 Plan improvements, or some portion thereof, are for any reason determined to be unaffordable due to increased cost or insufficiency of legally available funds, or are deemed impracticable or infeasible due to changed or unforeseen conditions or *force majeure* occurrence or event, or otherwise impracticable or infeasible for any other reason, Sound Transit will use the available funds to pay for the cost of those improvements, or portions thereof, contained in the Plan, or in ST2 or *Sound Move*, that the Board deems, in its discretion, to be most necessary and in the best interests of Sound Transit after consideration of the Plan and the financial policies adopted as part of the Plan. The Board may amend the Plan accordingly to reflect such adjustments to the Plan as the Board, in its discretion, deems appropriate under the circumstances, and as permitted by law or as provided by this Resolution. In addition, or alternatively, the Board may, in its discretion, implement the steps authorized in the "Adjustments to Subarea Projects and Services" section of the Financial Policies adopted in Resolution No. R2016-16 (Appendix B), and use the resulting available funds (1) to pay for such portions of the capital and/or service improvements identified in the Sound Transit 3 Plan, or in ST2 or in *Sound Move*, or such other capital and/or service improvements, that are affordable, practical, and feasible, and that the Board in its discretion determines best achieve the stated goals of the Plan; and/or (2) to pay principal or interest on bonds, loans, or other obligations; all as the Board in its discretion determines to be most necessary and in the best interests of Sound Transit after consideration of the Plan and the financial policies adopted as part of the Plan, or otherwise appropriate or necessary in accordance with law and Board policies.

Section 3. Voter approval of this Resolution and the Sound Transit 3 Plan incorporated herein by reference authorizes the imposition, levy, and collection of taxes to fund the planning, design, construction, and ongoing operations and maintenance of the transportation projects and services that are part of the Sound Transit 3 Plan, ST2, or *Sound Move*. The construction of any future capital phase improvements program not authorized in the Sound Transit 3 Plan, ST2, or *Sound Move*, or in this resolution, will require additional voter approval.

Section 4. For the sole purpose of providing funds for the planning, development, construction and permanent operation and maintenance of an HCT system as provided in Chapters 81.104 and 81.112 RCW, and as described in the Sound Transit 3 Plan adopted in Resolution No. R2016-16 (and fully incorporated herein by reference), and as described in Resolution No. 73 (May 31, 1996) and in Resolution No. R2008-10 (July 24, 2008), and if approved by the voters, Sound Transit will do the following:

(1) after first allocating sufficient funds to pay the ongoing monetary obligations incurred to implement *Sound Move* and ST2 as such obligations come due, Sound Transit will use revenue generated by the taxes approved by voters to fund *Sound Move* and ST2 to pay a portion of the cost to implement the Sound Transit 3 Plan. These voter-approved taxes include the existing nine-tenths of one percent (0.9%) sales and use tax and the existing three-tenths of one percent (0.3%) motor-vehicle excise tax (which motor-vehicle excise tax will not be imposed after 2028). The tax revenue estimated to be available from these existing voter-approved taxes to fund the Sound Transit 3 Plan is \$8.488 billion (year-of-expenditure dollars); and

(2) in addition to the existing taxes described in subsection 4(1) above, Sound Transit will fix, levy, or impose, and collect the following:

(a) as provided in RCW 81.104.170, an additional sales and use tax of up to five-tenths of one percent (0.5%);

(b) as provided in RCW 81.104.175, a property tax of twenty-five cents (\$0.25) or less per \$1,000 of assessed valuation commencing in 2017, and thereafter in annual amounts that include the statutorily permitted annual increases to the aggregate amount of the property tax collected as required to comply with Chapter 84.55 RCW. But in no case will the rate applied to determine the levy amount exceed twenty-five cents (\$0.25) per \$1,000 of assessed valuation of the property; and

(c) as provided in RCW 81.104.160, an additional motor-vehicle excise tax of up to eight-tenths of one percent (0.8%).

One or more of the taxes described in this Section 4 will be levied and imposed for the period of time required to pay the cost to plan, design, construct, and permanently operate, maintain, and replace the transit improvements, facilities, and services comprising the Sound Transit HCT system described in the Sound Transit 3 Plan adopted in Resolution No. R2016-16, and in Resolution No. 73, and in Resolution No. R2008-10, including the period of time required to repay bonds or other financial obligations. After completing the capital projects in the *Sound Move*, ST2, and the Sound Transit 3 Plan, the sales and use tax and/or the property tax and/or the motor-vehicle excise tax will collectively or individually be either terminated or reduced to the level required to operate, maintain, and/or replace the improvements, transit facilities, and services. The Sound Transit Board will determine, in its discretion, whether the sales and use tax, property tax, or motor-vehicle excise tax, or some combination thereof, should be terminated or reduced, and the amount of any reduction.

Sound Transit may levy or impose and collect these existing and additional taxes for the purposes described herein if the voters within Sound Transit's district approve such taxes at the election called by this Resolution No. R2016-17 pursuant to RCW 81.112.030, subject to Section 7 herein. Notwithstanding any other provision of this resolution, Sound Transit may apply any proceeds from any sales and use taxes, property taxes, and/or motor-vehicle excise taxes imposed by Sound Transit to the repayment of bonds issued to finance the Sound Transit 3 Plan, or ST2 or *Sound Move*, in accordance with covenants made by Sound Transit in connection with the issuance of those bonds.

Section 5. The additional voter-approved taxes will be levied or imposed at such rates and collected as of such dates as may be determined by the Board pursuant to law. Subject to voter approval in accordance with this Resolution No. R2016-17, the Board hereby fixes, levies, and imposes on November 29, 2016, for collection commencing January 1, 2017, the additional five-tenths of one percent (0.5%) sales and use tax, and the additional eight-tenths of one percent (0.8%) motor-vehicle excise tax. The Board intends to fix, levy, or impose the property tax in November 2016 after receiving the assessed property valuation for 2017.

If this Resolution No. R2016-17 is approved by voters, the voter-approved taxes fixed, levied, imposed, and collected by Sound Transit will be as follows: the motor-vehicle excise tax rate will be up to one and one-tenth of one percent (1.1%) until 2028, and up to eight-tenths of one percent (0.8%) thereafter; the property tax will be twenty-five cents (\$0.25) per \$1,000 of assessed valuation commencing in 2017, and thereafter at the rate (not to exceed twenty-five cents (\$0.25)

per \$1,000 of assessed valuation) and at the amount required to comply with Chapter 84.55 RCW; and the sales and use tax rate will be up to one and four-tenths of one percent (1.4%).

Section 6. An exemption from that portion, if any, of the additional five-tenths of one percent (0.5%) sales and use tax fixed, levied, and imposed by this Resolution No. R2016-17 is hereby provided for those sales of lodging for which, but for the exemption, the total sales tax rate imposed on sales of lodging as of the date of the taxable event would exceed the maximum total sales tax rate allowed by RCW 82.14.410. The exemption is limited to that portion of the additional sales tax imposed by this Resolution No. R2016-17 equal to the amount, if any, by which the total sales tax rate imposed on sales of lodging as of the date of the taxable event would otherwise exceed the maximum total sales tax rate authorized by RCW 82.14.410. For purposes of this resolution, "sale of lodging" and "total sales tax rate" are defined as provided in RCW 82.14.410.

Section 7. Notwithstanding the outcome of the election called herein, Sound Transit will continue to levy or impose the existing voter-approved nine-tenths of one percent (0.9%) sales and use tax and the existing three-tenths of one percent (0.3%) motor-vehicle excise tax for the purposes set forth in Resolution Nos. 75 and R2008-11, and as provided in *Sane Transit v. Sound Transit*, 151 Wn.2d 60, 85 P.3d 346 (2004), and *Pierce County v. State*, 159 Wn.2d 16, 148 P.3d 1002 (2006).

Section 8. To ensure that implementation of the Sound Transit 3 Plan occurs within the framework and intent of the financial policies adopted by Resolution No. R2016-16, Sound Transit's financial statements will be subjected to a financial audit each year by an independent auditing firm. In addition, Sound Transit will appoint and maintain an advisory citizen oversight panel to perform annual reviews of Sound Transit's performance and financial plans throughout the construction period. The oversight panel will provide reports and recommendations to the Board.

Section 9. Each of the Sound Transit 3 Plan's HCT projects and services have independent utility and should be completed notwithstanding any inability to complete or implement other Plan projects and services for any reason, including the invalidity of any provision in Resolution No. R2016-16, this Resolution No. R2016-17, or in the Sound Transit 3 Plan. If any provision in either of these resolutions or in the Plan, or their application in any particular circumstance, is held invalid for any reason, the remaining provisions, and the application of such invalid provision to other circumstances, are not affected. Notwithstanding the invalidity of one or more provisions in the resolutions or in the Plan, the remaining provisions in each resolution and in the Plan will remain valid in all respects to fund and implement the continued planning, development, construction and permanent operation and maintenance of each transit project and service identified in the Sound Transit 3 Plan, ST2, and *Sound Move*.

Section 10. The Sound Transit Board finds and declares that this Resolution No. R2016-17 is the proposition to be submitted to the voters to be voted upon at the general election to be held within Sound Transit's boundaries on November 8, 2016. The Board requests that the Pierce County Auditor, the King County Elections Director, and the Snohomish County Auditor assume jurisdiction over and call and conduct such election, and submit this Resolution No. R2016-17 as the Sound Transit proposition to the voters, and use regular polling places or other authorized voting ballot procedures as provided in Chapters 81.104 and 81.112 RCW and other applicable law.

The Board directs the chief executive officer to request these county elections officials to print a complete and accurate copy of this Resolution No. R2016-17 in the local voters' pamphlet, and to coordinate the production and distribution of the voters' pamphlet, pursuant to such

arrangements as the county elections officials deem appropriate and necessary, all as required by RCW 81.104.140(9) and Chapter 29A.32 RCW.

Section 11. The chief executive officer is authorized and directed to certify to the Pierce County Auditor, the King County Elections Director, the Snohomish County Auditor, and such other appropriate officials, within the time required by law, a copy of this Resolution No. R2016-17 as the proposition to be submitted and voted upon at said election.

Section 12. The chief executive officer is further authorized and directed to certify to the Pierce County Auditor, the King County Elections Director, the Snohomish County Auditor, and such other appropriate officials, within the time required by law, a copy of the ballot title for this Resolution No. R2016-17. The ballot title will be in substantially the following form:

Sound Transit (A Regional Transit Authority)
Light-Rail, Commuter-Rail, and Bus Service Expansion
Proposition No. __

The Sound Transit Board passed Resolution No. R2016-17 concerning expansion of mass transit in King, Pierce, and Snohomish counties. This measure would expand light-rail, commuter-rail, and bus rapid transit service to connect population, employment and growth centers, and authorize Sound Transit to levy or impose: an additional 0.5% sales and use tax; a property tax of \$0.25 or less per \$1,000 of assessed valuation; an additional 0.8% motor-vehicle excise tax; and continue existing taxes to fund the local share of the \$53.8 billion estimated cost (including inflation), with independent audits, as described in the Mass Transit Guide and Resolution No. R2016-17. Should this measure be:

Approved.....
Rejected.....

Section 13. At least 20 days before the election called herein, Sound Transit will mail a description of the Sound Transit 3 Plan entitled "Mass Transit Guide" to each registered voter in the Sound Transit district.

Section 14. The Sound Transit Board finds and declares that the boundaries provided in Exhibit A-1 to this Resolution No. R2016-17 are hereby fixed as the final election boundaries for the Authority's election to be held on November 8, 2016. The Board directs and authorizes the chief executive officer to deliver these final election boundaries to the Pierce County Auditor, the King County Elections Director, and the Snohomish County Auditor within the time required by law.

Section 15. The Board hereby authorizes the chief executive officer to pay Sound Transit's proportionate share of the costs of the election and to take any other and further actions deemed necessary to implement the policies and determinations of the Board pursuant to this Resolution No. R2016-17.

Section 16. Any action taken consistent with the authority granted by, but before the effective date of this Resolution No. R2016-17, is ratified, approved, and confirmed.

ADOPTED by the Board of the Central Puget Sound Regional Transit Authority by not less than a two-thirds affirmative vote of the entire membership of the Board at a regular meeting thereof held on June 23, 2016.
