

Public Comment Sign-In Sheet

Operations and Administration

Meeting: Committee Meeting Date: 7/6/2017

The Board welcomes public comment as an important part of the public process. Comments received are considered by the Board in its deliberations.

Amount of time for Public Comment

Before calling up the first speaker, the Chair will announce the amount of time each person will have to speak. Generally, comments will be limited to two minutes.

Acceptable Topics for Public Comment

Public comment is accepted on items that are on the agenda for final action, or topics the Chair announces as appropriate for public comment. For comments on other topics, please fill out a general comment form and it will be distributed to the Board.

Speakers should not use personal attacks, and should conclude their comments within the time period provided.

The Chair will invite speakers up to the microphone to provide comments based on the order on this sign-in sheet. Speakers need to sign-up before the meeting is called to order.
