

A low-angle shot of a white and blue Sound Transit train. The train is moving from left to right. The top of the train is white, and the bottom is blue. There are several windows along the side. The train is illuminated by bright sunlight, creating a strong glare on the white surface. The background shows a glass and steel structure, likely a station or transit center.

 **SOUNDTRANSIT**

The image shows the exterior of a building with a prominent blue sign that reads "Puyallup" in white, sans-serif font. The building features a light-colored facade with decorative green brackets and a large, green, bell-shaped lamp hanging from the roof. The scene is set against a clear blue sky, and a person in a dark uniform is visible in the background near a parking lot with several cars and a white building.
