Dear Sound Transit Board Members;

I am writing this letter to nominate Mr. Richard A. Kimball on behalf of the Pierce County representatives on the Sound Transit Board. My fellow Pierce County Board members and I have reviewed applications for the vacant position on the Citizen Oversight Panel representing our county.

Based on our review, we would like to recommend Richard A. Kimball for appointment at the next Board meeting.

Mr. Kimball lives in Sumner and holds a degree in procurement and contracting. He has experience in research and development, field engineering, and supply chain and logistics management. He is currently retired after a career working locally and nationally providing engineering support and technical procurement, and in field operations related to motors, electrical and mechanical drives and related systems. He also serves as an auditor for the Fraternal Order of Eagles in Buckley, WA.

We are pleased to recommend Mr. Kimball's appointment to the Citizen Oversight Panel to assist with the important oversight role that they perform.

Sincerely,

Bruce F. Dammeier
Sound Transit Board Member
