Capital Committee	03/08/2018	Recommend to Board	Ahmad Fazel, DECM Executive Director Rod Kempkes, Executive Project Director
Board	03/22/2018	Final Action	– Lynnwood Link Extension Kevin Workman, Director Real Property

PROPOSED ACTION

Authorizes the chief executive officer to acquire certain real property interests, including acquisition by condemnation to the extent authorized by law, and to reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants as necessary for the Lynnwood Link Extension.

KEY FEATURES SUMMARY

- Authorizes full and partial acquisitions of 15 parcels consisting of partial acquisitions, temporary construction easements, and/or permanent easements for the Lynnwood Link Extension. These parcels are located in the cities of Seattle and Shoreline.
- The properties are needed for construction, maintenance, and operation of the light rail guideway, or related facilities.
- The real properties identified in this requested action are included in Exhibit A.

BACKGROUND

The Lynnwood Link Extension is an 8.5 mile light rail extension from Northgate to Lynnwood with service to the cities of Shoreline, Mountlake Terrace, and Lynnwood. The extension will travel primarily along I-5 and include four stations at NE 145th Street, NE 185th Street, Mountlake Terrace Transit Center, and Lynnwood Transit Center. New parking structures will be provided at NE 145th Street, NE 185th Street, and Lynnwood Transit Center. The project began Final Design in 2016 and is scheduled to open for service in 2023.

The Lynnwood Link Extension Final Environmental Impact Statement was issued April 1 and April 3, 2015, pursuant to the State Environmental Policy Act (SEPA) and the National Environmental Policy Act (NEPA), respectively. The Sound Transit Board selected the project route, profile, and stations on April 23, 2015. The Federal Transit Administration (FTA) issued a Record of Decision on July 10, 2015, and the Federal Highway Administration issued a Record of Decision on August 31, 2015.

Sound Transit will acquire the property, by condemnation if necessary, as needed for the construction, operation, and maintenance of the Lynnwood Link Extension and will reimburse relocation expenses to eligible affected owners and tenants. Sound Transit’s authorizing legislation grants the agency the power of eminent domain to accomplish such acquisitions when efforts to reach agreement with property owners are unsuccessful.

WHEREAS, the Central Puget Sound Regional Transit Authority, commonly known as Sound Transit, was formed under chapters 81.104 and 81.112 of the Revised Code of Washington (RCW) for the Pierce, King, and Snohomish Counties region by action of their respective county councils pursuant to RCW 81.112.030; and

WHEREAS, in order to use the property determined to be necessary for the construction, operation and maintenance of project improvements required under the voter approved high capacity transportation system plans, it is necessary for Sound Transit to acquire by negotiated purchase or to condemn certain rights in the property for public purposes, and to reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants; and

WHEREAS, environmental compliance pursuant to the State Environmental Policy Act (SEPA) for Lynnwood Link was completed with the Lynnwood Link Project Final Environmental Impact Statement (EIS) issued on April 1, 2015; the Federal Transit Administration issued a Record of Decision (ROD) for the project on July 10, 2015, completing the National Environmental Policy Act (NEPA) process; and

WHEREAS, Sound Transit has identified certain real properties as necessary for the construction and permanent location of the Lynnwood Link Extension and such properties are reasonably described in Exhibit A of this resolution; and

WHEREAS, in order to use the property determined to be necessary for the construction, operation, and permanent location of the Lynnwood Link Extension, it is necessary for Sound Transit to acquire by negotiated purchase or to condemn certain lands and rights in property for public purposes, and reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants; and

WHEREAS, Sound Transit has commissioned or will commission appraisals to determine the fair market value of the properties, and will negotiate in good faith with the owners of the properties authorized to be acquired by negotiated purchase or condemned, with the intent of reaching agreements for the voluntary acquisition of the property for fair market value; and

WHEREAS, the funds necessary to acquire the property by voluntary purchase or to pay just compensation adjudged due after condemnation and the funds necessary to reimburse eligible relocation and reestablishment expenses shall be paid from Sound Transit general funds.

NOW THEREFORE BE IT RESOLVED by the Board of the Central Puget Sound Regional Transit Authority as follows:

SECTION 1. The chief executive officer is hereby authorized to execute such agreements as are customary and necessary for the acquisition of interests in the real property described in Exhibit A (said property to be used for Lynnwood Link Extension) and incorporated herein by reference, and for the reimbursement of eligible relocation and reestablishment expenses. SECTION 2. The chief executive officer or his designee is hereby authorized to settle condemnation litigation or enter administrative settlements (a settlement in lieu of initiating condemnation litigation) for the acquisition of interests in the real property described in Exhibit A.
