**To Acquire Real Property Interests Required for the Lynnwood Link Extension**

MEETING:	DATE:	TYPE OF ACTION:	STAFF CONTACT:
Capital Committee	04/12/2018	Recommend to Board	Ahmad Fazel, DECM Executive Director Rod Kempkes, Executive Project Director – Lynnwood Link Extension
Board	04/26/2018	Final Action	<b>Kevin Workman, Director Real Property</b>

**PROPOSED ACTION**

Authorizes the chief executive officer to acquire certain real property interests, including acquisition by condemnation to the extent authorized by law, and to reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants as necessary for the Lynnwood Link Extension.

**KEY FEATURES SUMMARY**

- Authorizes the acquisition of all or portions of 24 parcels; the parcels include 6 full acquisitions and 18 partial acquisitions. The partial acquisitions consist of partial fee acquisitions, permanent easements, and temporary easements for the Lynnwood Link Extension. These parcels are located in the cities of Shoreline, Mountlake Terrace, and Lynnwood.
- As work develops, parcels identified as partial acquisitions or temporary easements may need to be acquired in full and/or permanently.
- Relocations activities are expected on 6 residential parcels; there are no anticipated business relocations with this action.
- The properties are needed for construction, maintenance, and operation of the light rail guideway, or related facilities.
- The real properties identified in this requested action are included in Exhibit A.

**BACKGROUND**

The Lynnwood Link Extension is an 8.5 mile light rail extension from Northgate to Lynnwood with service to the cities of Shoreline, Mountlake Terrace, and Lynnwood. The extension will travel primarily along I-5 and include four stations at NE 145th Street, NE 185th Street, Mountlake Terrace Transit Center, and Lynnwood Transit Center. New parking structures will be provided at NE 145th Street, NE 185th Street, and Lynnwood Transit Center. The project began Final Design in 2016 and is scheduled to open for service in 2023.

The Lynnwood Link Extension Final Environmental Impact Statement was issued April 1 and April 3, 2015, pursuant to the State Environmental Policy Act (SEPA) and the National Environmental Policy Act (NEPA), respectively. The Sound Transit Board selected the project route, profile, and stations on April 23, 2015. The Federal Transit Administration (FTA) issued a Record of Decision on July 10, 2015, and the Federal Highway Administration issued a Record of Decision on August 31, 2015.

Sound Transit will acquire the property, by condemnation if necessary, as needed for the construction, operation, and maintenance of the Lynnwood Link Extension and will reimburse relocation expenses to eligible affected owners and tenants. Sound Transit’s authorizing legislation grants the agency the power of eminent domain to accomplish such acquisitions when efforts to reach agreement with property owners are unsuccessful.

A RESOLUTION of the Board of the Central Puget Sound Regional Transit Authority authorizing the chief executive officer to acquire certain real property interests, including acquisition by condemnation to the extent authorized by law, and to reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants as necessary for the Lynnwood Link Extension.

WHEREAS, the Central Puget Sound Regional Transit Authority, commonly known as Sound Transit, was formed under chapters 81.104 and 81.112 of the Revised Code of Washington (RCW) for the Pierce, King, and Snohomish Counties region by action of their respective county councils pursuant to RCW 81.112.030; and

WHEREAS, in general elections held within the Sound Transit district on November 5, 1996, November 4, 2008, and November 8, 2016, voters approved local funding to implement a regional high-capacity transportation system for the Central Puget Sound region; and

WHEREAS, in order to use the property determined to be necessary for the construction, operation and maintenance of project improvements required under the voter approved high capacity transportation system plans, it is necessary for Sound Transit to acquire by negotiated purchase or to condemn certain rights in the property for public purposes, and to reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants; and

WHEREAS, environmental compliance pursuant to the State Environmental Policy Act (SEPA) for Lynnwood Link was completed with the Lynnwood Link Project Final Environmental Impact Statement (EIS) issued on April 1, 2015; the Federal Transit Administration issued a Record of Decision (ROD) for the project on July 10, 2015, completing the National Environmental Policy Act (NEPA) process; and

WHEREAS, Sound Transit has identified certain real properties as necessary for the construction and permanent location of the Lynnwood Link Extension and such properties are reasonably described in Exhibit A of this resolution; and

WHEREAS, in order to use the property determined to be necessary for the construction, operation, and permanent location of the Lynnwood Link Extension, it is necessary for Sound Transit to acquire by negotiated purchase or to condemn certain lands and rights in property for public purposes, and reimburse eligible relocation and reestablishment expenses incurred by affected owners and tenants; and

WHEREAS, Sound Transit has commissioned or will commission appraisals to determine the fair market value of the properties, and will negotiate in good faith with the owners of the properties authorized to be acquired by negotiated purchase or condemned, with the intent of reaching agreements for the voluntary acquisition of the property for fair market value; and

WHEREAS, the funds necessary to acquire the property by voluntary purchase or to pay just compensation adjudged due after condemnation and the funds necessary to reimburse eligible relocation and reestablishment expenses shall be paid from Sound Transit general funds.

NOW THEREFORE BE IT RESOLVED by the Board of the Central Puget Sound Regional Transit Authority as follows:

SECTION 1. The chief executive officer is hereby authorized to execute such agreements as are customary and necessary for the acquisition of interests in the real property described in Exhibit A (said property to be used for Lynnwood Link Extension) and incorporated herein by reference, and for the reimbursement of eligible relocation and reestablishment expenses. In accordance with Sound Transit's Real Property Acquisition and Relocation Policies, Procedures and Guidelines, the acquisition price of the properties may not exceed the fair market value to be determined through the appraisal process; provided that in the event the total of the acquisition, relocation, and reestablishment costs of the properties for the Lynnwood Link Extension exceeds Sound Transit's approved budget for right-of-way acquisition (plus contingency), then the chief executive officer must obtain approval from the appropriate committee or the Board, per Resolution No. 78-2, before the acquisition of the property for the Lynnwood Link Extension by purchase or by condemnation and the reimbursement of eligible relocation and reestablishment expenses.

SECTION 2. The chief executive officer or his designee is hereby authorized to settle condemnation litigation or enter administrative settlements (a settlement in lieu of initiating condemnation litigation) for the acquisition of interests in the real property described in Exhibit A. SECTION 4. The Sound Transit Board finds that the public health, safety, necessity, convenience, and welfare demand and require that interests in the real property described in Exhibit A be immediately acquired, condemned, appropriated, taken and damaged for the construction, operation, and permanent location of the Lynnwood Link Extension.

SECTION 5. In addition to the authority granted the chief executive officer in Section 1 above, condemnation proceedings are hereby authorized to acquire all, or any portion thereof, of the properties and property rights and/or rights in those of the properties described in Exhibit A to the extent permitted by law, for the purpose of constructing, owning, and operating a permanent location of the Lynnwood Link Extension. The chief executive officer is also authorized to make minor amendments to the legal descriptions of the properties described in Exhibit A, as may be necessary to correct scrivener's errors and/or to conform the legal description to the precise boundaries of the property required for the Project.
