*\*Images are early proposal renderings and are subject to change during final design development*

# Revised Conceptual Design Concept

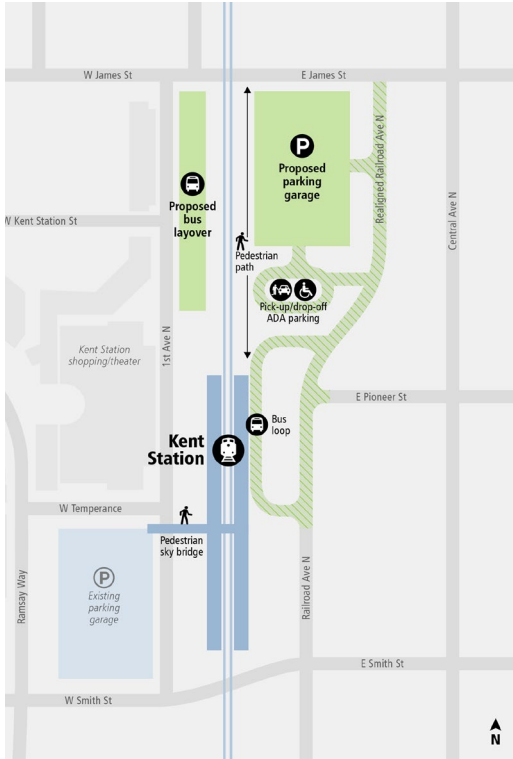

Figure 1 Early Conceptual Project Layout

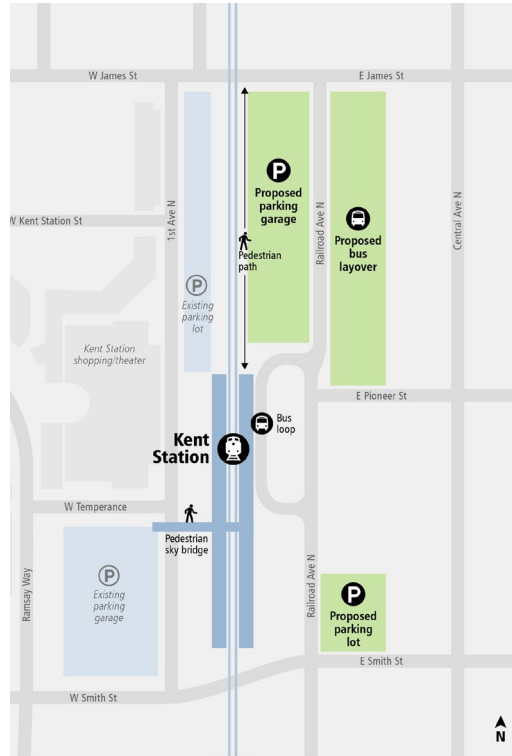

Figure 2 Current Proposed Project Layout

## Conceptual Design Changes:

- No Relocation of Railroad Ave N.
- Reconfigured Garage Footprint
- Addition of Surface Parking Lot
- Relocation of King County Metro Bus Layover Facility

# King County Metro Bus Layover

## *Betterment agreement*

- Result of collaborative partnership between Sound Transit and King County Metro, and betterment scope is supported by City of Kent.
- Enables expanded local transit connections to Kent Station.
- Scope includes layover, zero emissions charging infrastructure, and facilities to support transit operators.
- Delivery of betterment scope will require close coordination with City of Kent.

# ***Todays Actions***

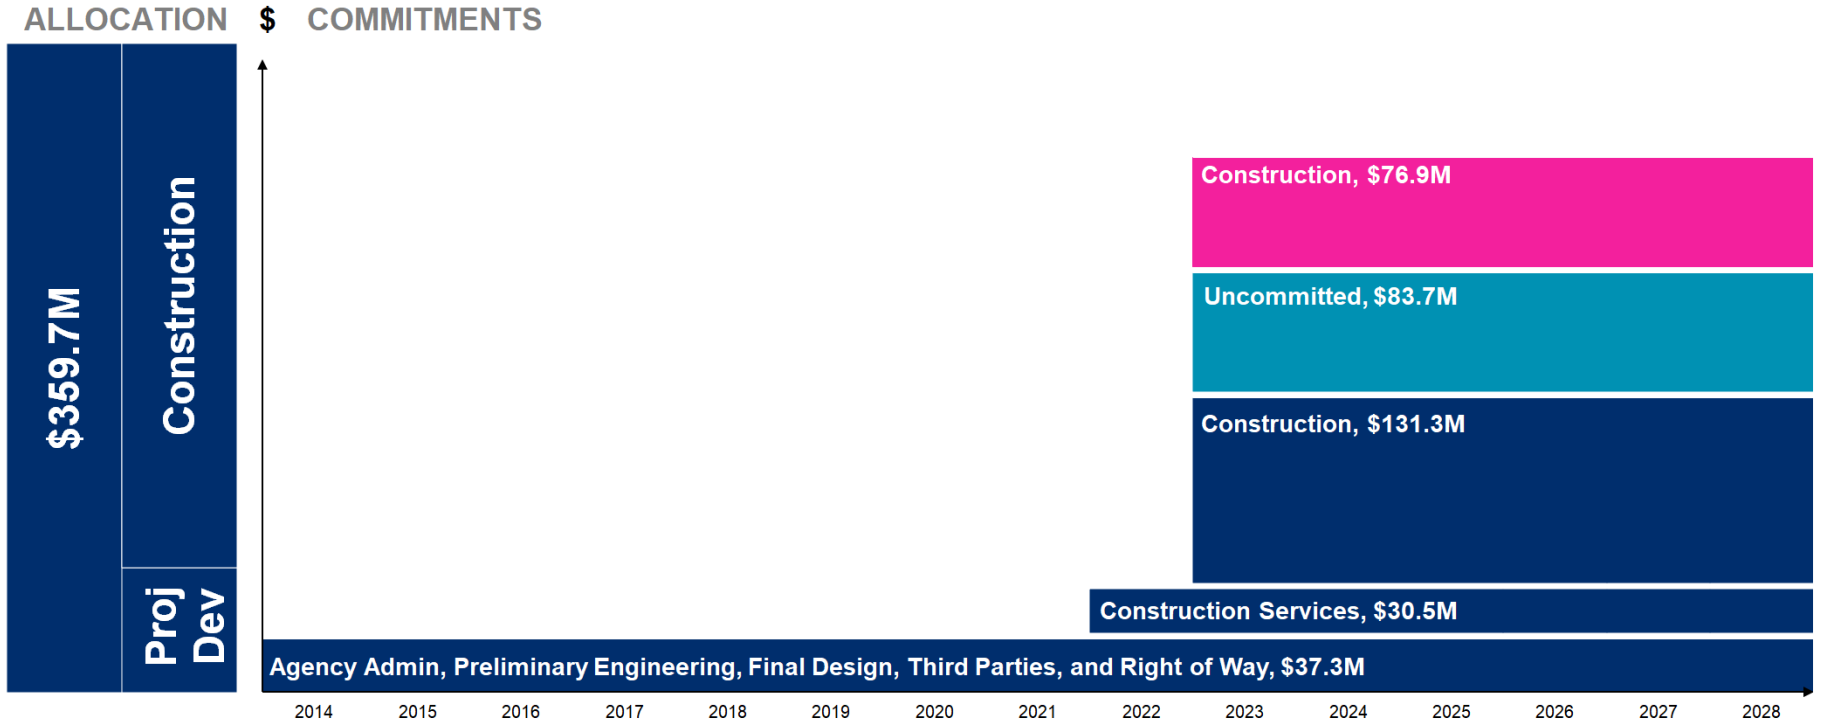

## **Resolution R2023-32** Sumner, Kent, and Auburn Parking and Access Improvement Phase Budget Transfer

Amend the adopted 2023 Budget to transfer \$2.9M from the project administration phase to the construction services phase of the Sumner, Kent, and Auburn project

## **Motion M2023-89** Design-Build Contract Award for the Kent Station Parking and Access Improvement

The total authorized contract with Absher Construction Co. is \$71.5M, which includes a contract option of \$9M for a King County Metro Bus Layover.

# Sumner, Kent, & Auburn SPAI: Board approves Absher Construction Co. contract execution for Kent Station.

*Thank you.*
