

Vertical Conveyance Deep Cleaning Contract

Rider Experience and Operations Committee

08/03/23

Why we are here

- A motion to recommend approval for the award of a vertical conveyance deep cleaning contract
- This action will recommend the award of a \$2.9M contract with Rise To The Top Escalator Cleaning service. This is a 1-year contract with 4 optional 1-year renewals. Estimated spend for 2023 is \$250,000
- Funding for this contract is included within the existing Board approved budget

Current Risks

- No existing deep cleaning scope which increases the risk of equipment outages
- Gap in existing Link cleaning contract scope
- No current on-call major elevator/escalator cleaning support

Benefits to Sound Transit

- Specialized equipment to clean escalator steps
