Key features summary

- Resolution No. R2023-09 would authorize a Transportation Infrastructure Finance and Innovation Act (TIFIA) loan agreement for \$93 million for the Hilltop Tacoma Link Extension Project.

- The TIFIA and RRIF loan agreements pledge to the payment of the TIFIA and RRIF loans the total agency Sales Tax, MVET and Rental Car Tax.

Background

Current TIFIA Loans

The Transportation Infrastructure Finance and Innovation Act of 1998 (“TIFIA”) provides federal credit assistance in the form of direct loans to finance surface transportation projects of national and regional significance. In January 2015, Sound Transit closed the East Link TIFIA Loan in the amount of \$1.33 billion. In December 2016, Sound Transit closed the Master Credit Agreement and the Northgate Link Extension Loan in the amount of \$615 million. Subsequently, Sound Transit closed the O&M Facility East loan in June 2017 in the amount of \$87 million, the Lynnwood Link Extension Project in December 2018 in the amount of \$658 million and Federal Way Link Extension Project in December 2019 in the amount of \$629 million.

In September 2021, Sound Transit refinanced all of its existing TIFIA loans at lower interest rates to effect a savings to taxpayers of over \$600 million of interest.

Also in September 2021, Sound Transit closed the Downtown Redmond Link Extension Loan in the amount of \$521 million.

Each agreement obligates Sound Transit to make interest-only payments for five years. After five years, Sound Transit will make semiannual principal payments plus interest on the outstanding balance as outlined in each of the individual loan amortization schedules. The final maturity of the loans range from 2055 to 2059. The principal of each TIFIA loan may be prepaid without penalty at any time at the option of Sound Transit.

Hilltop Tacoma Link Extension Project loan principal amount and maturity

This TIFIA loan is authorized for up to \$93,306,180 of construction and permanent financing for the Hilltop Tacoma Link Extension Project, which is approximately 33% of eligible capital project costs. The TIFIA loan agreement ensures access to financing through 2024, one year after the completion of the project, and the TIFIA loan may be drawn down as needed. This TIFIA loan will match the terms of the existing TIFIA loan agreements in all material respects. This loan has a final maturity date of 2058.

NE 130th Street Infill Station Project loan principal amount and maturity

This TIFIA loan is authorized for up to \$79,250,877 of construction and permanent financing for the NE 130th Street Infill Station Project, which is approximately 33% of eligible capital project costs. The TIFIA loan agreement ensures access to financing through 2026, one year after the completion of the project, and the TIFIA loan may be drawn down as needed. This TIFIA loan will match the terms of the existing TIFIA loan agreements in all material respects. This loan has a final maturity date of 2062.

Sounder South Station Parking and Access Improvement Project loan principal and maturity

This RRIF loan is authorized for up to \$154,152,530 of construction and permanent financing for the South Sounder Station Parking and Access Improvements Project, which is approximately 49% of eligible capital project costs. The RRIF loan agreement ensures access to financing through 2028, one year after the completion of the project, and the RRIF loan may be drawn down as needed. This RRIF loan will match the terms of the existing TIFIA loan agreements in all material respects. This loan has a final maturity date of 2061.

Interest rate

The interest rate on each TIFIA and RRIF loan is fixed at closing at the comparable U.S. Treasury rate plus 0.01%. The range of interest rate over the last month has been between 3.64% to 4.03%.

Source of payment

Debt service on the TIFIA and RRIF loans is payable from the same sources pledged to the Prior Bonds and Parity Bonds (Sales Tax, MVET and Rental Car Tax, including the ST3 taxes, but not the ST3 property tax).

Existing covenants

The TIFIA and RRIF loans include many of the same covenants made to holders of Prior Bonds and Parity Bonds, including the following: (1) Sound Transit must continue to impose the Sales Tax, MVET (ST3 MVET only) and Rental Car Tax; and (2) Sound Transit must continue to apply the Sales Tax, MVET and Rental Car Tax in the existing order of priority, with payment of the TIFIA and RRIF loans after all other indebtedness but prior to payment of operating and maintenance expenses. Sound Transit is to maintain 1.1x coverage of pledged taxes over TIFIA and RRIF debt service prior to issuance of any other agency bonds. Sound Transit is to maintain net debt service coverage of 1.0x coverage of all revenues over all debt service and operating and maintenance expenditures prior to issuance of any other agency bonds. Under each loan agreement, Sound Transit undertakes a number of obligations, including: fund a reserve account equal to six months debt service on all TIFIA and RRIF loans if in any year tax revenues drop below 1.50x debt service on all bonds payable from the taxes pledged to the payment of the TIFIA and RRIF loans; defend the federal government in any litigation that arises in connection with the Projects; and not acquire the assets of other businesses other than in the course of Sound Transit's ordinary business.

Reporting, monitoring and compliance with laws

The TIFIA and RRIF loans require extensive reporting, monitoring and compliance with laws; some of these requirements are similar to those required as a condition to the receipt of federal operating grants. The TIFIA and RRIF loans require that Sound Transit provide a Recovery Plan to the TIFIA/RRIF Lender upon the occurrence of certain events, including a 5% increase in a Project budget or substantial delay in an expected Project completion date.

Requirements for issuing additional bonds

The TIFIA and RRIF loan agreements permit Sound Transit to issue additional bonds only if all other applicable covenants made to those bond holders are satisfied and only if: (1) the Sales Tax, ST3 MVET and Rental Car Tax are forecasted to be sufficient to provide 1.10 times debt service coverage in each year on all bonds payable from those taxes and (2) all revenues of Sound Transit are forecasted to be at least equal to pay debt service and operating and maintenance expenses in each year (1.00 times net revenue). In addition, Sound Transit may not issue additional bonds unless at the time all TIFIA and RRIF loans are either rated at least "A-" or "A3" or the rating on the TIFIA and RRIF loans will not be downgraded as a direct result of issuing such additional bonds.

Prepayment if no capital program being implemented

The TIFIA and RRIF loan agreements treat a default by Sound Transit under certain agreements (such as major construction contracts and the interlocal agreements associated with the Projects and any agreement relating to indebtedness of Sound Transit) as a default under the TIFIA and RRIF loans (also known as a “cross-default”). If Sound Transit were to default in payment or under any of the various covenants made in the TIFIA or RRIF loan agreements, including by cross-default, the interest rate on the TIFIA and RRIF loans could be increased by 2% and Sound Transit could be debarred from receiving additional federal funds. However, the TIFIA and RRIF loan agreements do not provide for any acceleration of principal upon a default and the debt service payment schedule would not be affected.

Fiscal information

Based on the current interest rate environment, these TIFIA and RRIF loans are expected to reduce debt service through 2046 between \$81-\$247 million, and increase up to 0.5% of debt capacity in the minimum year. The benefit at this time is uncertain due to the interest rate.

The 2023 budget includes \$1.3 million to pay for the TIFIA and RRIF loan application fees and related consulting costs required for the TIFIA and RRIF loan agreements and loans. Ongoing costs related to the TIFIA and RRIF loan agreements and loans will be included in future budget requests, including annual fees for rating agency and loan oversight costs.

Time constraints

The targeted closing date for the loan agreements is May 2023. If the Board delays voting on this action at the April Board meeting, the TIFIA and RRIF loans cannot be closed as planned and the agency may potentially miss savings opportunities.

(d) Pursuant to Resolution No. R2016-17, adopted by the Board on June 23, 2016, subject to voter approval, the Board fixed, levied, and imposed the ST3 Sales Tax and the ST3 Motor Vehicle Tax on November 29, 2016, for collection commencing January 1, 2017.

(e) The Board, pursuant to Resolution No. R2016-33, designated the ST3 Motor Vehicle Tax and ST3 Sales Tax as Adopted Prior Rate Adjustments, included such taxes as Local Option Taxes, and pledged such taxes to the payment of the Prior Bonds.

(f) The Board, pursuant to Resolution No. R2016-32, (i) pledged the 1996 Motor Vehicle Tax to the payment of Parity Bonds and Junior Obligations and (ii) designated the ST3 Motor Vehicle Tax and ST3 Sales Tax as Adopted Parity Rate Adjustments, included such taxes as Pledged Taxes, and pledged such taxes to the payment of the Parity Bonds and Junior Obligations.

(g) The pledges of taxes made herein and other provisions of this Resolution will benefit the Authority and the RRIF Lender.

Section 3. Designation of Designated Authority Representative; Authorization and Description of RRIF Bond.

(a) Designated Authority Representative. Each of the Chief Executive Officer, either Deputy Chief Executive Officer and the Chief Financial Officer of the Authority is appointed as the Designated Authority Representative and is authorized and directed to conduct the sale of the RRIF Bond in the manner and upon the terms deemed most advantageous to the Authority, and to approve the terms of the RRIF Loan Agreement and the RRIF Bond within the parameters set forth in this Resolution.

(b) RRIF Bond. The Authority is authorized to borrow money on the credit of the Authority and to issue the RRIF Bond in the principal amount of not to exceed \$154,152,530 (plus capitalized interest thereon) to pay or reimburse a portion of the Eligible Project Costs related to the South Sounder Station Parking and Access Improvements Project, all as described in, and in accordance with the provisions of, the RRIF Loan Agreement. The RRIF Bond shall be dated the date of its delivery to the RRIF Lender and shall mature on the Final Maturity Date specified in the RRIF Loan Agreement. The RRIF Bond shall bear interest at a fixed rate, calculated by adding one basis point (0.01%) to the rate of securities of a similar maturity as published on the Effective Date in the RRIF Loan Agreement in the United States Treasury Bureau of Public Debt's daily rate table for State and Local Government Series (SLGS) securities; provided, that the fixed rate as so calculated shall not exceed 5.25% per annum. The RRIF Bond shall be payable in such amounts and at such times, and shall be subject to prepayment, all in accordance with the provisions of the RRIF Loan Agreement. The RRIF Bond shall be issued in the form of Exhibit A to the RRIF Loan Agreement and shall conform in all respects to the terms and conditions specified in this Resolution and the RRIF Loan Agreement. Payment of principal of and interest on the RRIF Loan shall be made as specified in the RRIF Loan Agreement, and as recorded on Exhibit F to the RRIF Loan Agreement, as such exhibit may be amended in accordance with the terms of the RRIF Loan Agreement.

Section 4. Security for the RRIF Bond. The RRIF Bond shall be a Second Tier Junior Obligation secured by the RRIF Lien on Pledged Taxes, the Pledged Taxes Accounts and the Pledged Accounts. The 1996 Motor Vehicle Tax, the ST3 Sales Tax, and the ST3 Motor Vehicle Tax are pledged to the payment of the RRIF Bond. Such pledge of the Pledged Taxes and the Pledged Taxes Accounts to the payment of the RRIF Bond for the benefit of the RRIF Lender is subject to the prior pledges that have been and may hereafter be created in favor of the Prior Bonds, the Parity Bonds, the First Tier Junior Obligations, and any other obligations of the Authority issued or incurred in accordance with the provisions of the Prior Bond Resolution, the Parity Bond Master Resolution, and the RRIF Loan Agreement and secured by a pledge of or payable from the Local Option Taxes or the Pledged Taxes as described in paragraphs “First” through “Sixth” in Section 6(b) of this Resolution.

Section 5. Approval of RRIF Loan Agreement. The Authority has negotiated the proposed form of the RRIF Loan Agreement with the RRIF Lender in the form of the draft of the TIFIA Loan Agreement dated March 23, 2023, for the Hilltop Tacoma Link Extension Project, which is on file with the Administrator of the Board and is incorporated herein by this reference. The Board finds that execution, delivery, and performance by the Authority of the proposed RRIF Loan Agreement in substantially similar form with the TIFIA Loan Agreement for the Hilltop Tacoma Link Extension Project on file with the Administrator of the Board (as may be amended or supplemented from time to time) are in the Authority’s best interest. The Board therefore approves the proposed RRIF Loan Agreement substantially in the form thereof on file with the Administrator of the Board, with such changes to reference the RRIF Bond and the South Sounder Station Parking and Access Improvements Project, in which the same interest rate as determined for the RRIF Bond pursuant to Section 3 of this Resolution shall be inserted on the Effective Date in the RRIF Loan Agreement as the interest rate on the RRIF Loan, and with such other changes or supplements to the form of the RRIF Loan Agreement on file with the Administrator of the Board, if any, as are approved by the Designated Authority Representative (such approval to be

conclusively evidenced by the execution and delivery thereof), and authorizes its execution and delivery on behalf of the Authority by the Designated Authority Representative.

Section 6. Local Option Tax Accounts and Additional Taxes Accounts; Flow of Funds.

(a) Local Option Tax Accounts. The Authority maintains Local Option Tax Accounts into which it promptly deposits Pledged Taxes upon the receipt thereof. The Authority may create a Tax Stabilization Subaccount in the Local Option Tax Accounts and deposit Pledged Taxes collected in any Fiscal Year into that subaccount or withdraw Pledged Taxes deposited therein from such subaccount and use amounts in such subaccount for any lawful purposes in accordance with the flow of funds set forth in Section 6(b) of this Resolution, and subject to the requirements set forth in the Prior Bond Resolution and the Parity Master Bond Resolution. The Tax Stabilization Subaccount may be the same subaccount of that name established under Section 2(a) of the Prior Bond Resolution. Notwithstanding the foregoing, the Authority may provide that Additional Taxes shall be deposited into Additional Taxes Accounts, including a separate tax stabilization subaccount therein.

(b) Flow of Funds. Pledged Taxes deposited in the Local Option Tax Accounts shall be used by the Authority only for the following purposes and in the following order of priority. Additional Taxes deposited in the Additional Taxes Accounts shall be applied by the Authority for the purposes and in the order of priority set forth below, beginning with paragraph "Third."

First, to make all payments required to be made into the Prior Bond Account in the following order:

- (1) to pay the interest when due on the Prior Bonds (including regularly scheduled payments under any Qualified Hedge for the Prior Bonds); and
- (2) to pay maturing principal (including sinking fund redemptions) of the Prior Bonds;

Second, to make all payments required to be made into the Prior Reserve Account by the Prior Bond Resolution to meet the Prior Reserve Account Requirement and to make all payments required to be made pursuant to a reimbursement obligation in connection with a qualified letter

of credit or qualified insurance with respect to the Prior Reserve Account Requirement; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Third, to make all payments required to be made into the Parity Bond Account in the following order:

(1) to pay the interest when due on Parity Bonds (including regularly scheduled payment obligations under any Qualified Hedge for the Parity Bonds);

(2) to pay the maturing principal (including sinking fund redemptions) of Parity Bonds; and

(3) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of the Parity Reserve Account Requirement, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on Parity Bonds; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Fourth, to make all payments required to be made (i) into the Parity Reserve Account under any Series Resolution authorizing the issuance of Parity Bonds that are Covered Parity Bonds to meet the Parity Reserve Account Requirement for Covered Parity Bonds and (ii) into a separate reserve account or into a subaccount within the Parity Reserve Account established in a Series Resolution for one or more Series of Parity Bonds that are not Covered Parity Bonds; and to make all payments required to be made pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to the Parity Reserve Account Requirement; provided that, if there is not sufficient money to make all payments under all such Parity Bond reserve account reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Fifth, to make all of the following required payments in the following order (provided that the Authority may specify that payments relating to First Tier Junior Obligations specified in this paragraph "Fifth" and/or in paragraph "Sixth" be made in any other order or priority):

(1) to pay the interest when due on First Tier Junior Obligations (including regularly scheduled payment obligations under any Qualified Hedge for the First Tier Junior Obligations);

(2) to pay the maturing principal (including sinking fund redemptions) of First Tier Junior Obligations; and

(3) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of any reserve account requirement for First Tier Junior Obligations, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on First Tier Junior Obligations; provided that, if there is not sufficient money to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Sixth, to make all payments required to be made (i) to meet any reserve account requirement for First Tier Junior Obligations and (ii) pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to such reserve account requirement; provided that, if there is not sufficient money to make all payments under all such reserve account reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Seventh, to make all of the following required payments in the following order:

(1) to pay the interest when due on the RRIF Bond and any other Second Tier Junior Obligations (including regularly scheduled payment obligations under any Qualified Hedge for the Second Tier Junior Obligations);

(2) to pay the maturing principal (including sinking fund redemptions) of the RRIF Bond and any other Second Tier Junior Obligations; and

(3) to reimburse the provider of any Credit Facility (other than a Credit Facility obtained to satisfy all or a part of any reserve account requirement for Second Tier Junior Obligations, and other than the provider of a Liquidity Facility), if any, for payments of the principal and/or interest on Second Tier Junior Obligations; provided that, if there is not sufficient money

to make all payments under all such reimbursement agreements, the payments will be made to the providers on a pro rata basis;

Eighth, to make all payments required to be made to meet any reserve account requirement for the RRIF Bond or any other Second Tier Junior Obligations (including payments required to be made into the RRIF Reserve Account pursuant to Section 15(k) (*Funds and Accounts*) of the RRIF Loan Agreement to meet the RRIF Reserve Account Requirement) and to make all payments required to be made pursuant to a reimbursement obligation in connection with a Credit Facility, if any, with respect to such reserve requirement; provided that, if there is not sufficient money to make all payments under all such reserve account reimbursement agreements, the payments will be made on a pro rata basis;

Ninth, to the payment of fees, administrative costs, and other expenses of the RRIF Lender;

Tenth, to pay costs of operating and maintaining the Authority and its System, including all of its public transportation facilities and assets, in a state of good repair;

Eleventh, to fund any termination payment in connection with a Qualified Hedge to the extent permitted in the RRIF Loan Agreement;

Twelfth, upon the occurrence and continuation of a Revenue Sharing Trigger Event, an amount equal to the Excess Taxes for such month, for deposit into the Revenue Sharing Account; and

Thirteenth, for any lawful purpose of the Authority; provided, that the Authority may determine that items in this “Thirteenth” category shall be paid in a specified order of priority.

Section 7. Pledge of Pledged Taxes. From and after the issuance and delivery of the RRIF Bond and for so long as the RRIF Bond remains outstanding, the Authority irrevocably obligates and binds itself to impose, collect, and deposit all Pledged Taxes into the Local Option Tax Accounts and the Additional Taxes Accounts, as applicable. All Second Tier Junior Obligations now or hereafter outstanding shall be equally and ratably payable and secured hereunder and under each Series Resolution authorizing their issuance without priority by reason

of date of adoption of any such Series Resolution or by reason of their date of sale or delivery; provided, that any Second Tier Junior Obligations also may be payable from and secured by credit enhancement specifically pledged to or provided for those Second Tier Junior Obligations. The Authority may also, at its sole option, apply amounts legally available from any other source to the payment of Second Tier Junior Obligations or to make the deposits required hereunder. The Authority expressly reserves the right (but is not obligated) to include and pledge Additional Taxes, and/or receipts resulting from an Adopted Pledged Taxes Rate Adjustment, as "Pledged Taxes." The Board has determined that the future inclusion of such Additional Taxes and/or receipts resulting from an Adopted Pledged Taxes Rate Adjustment as Pledged Taxes will benefit the Authority and the owners of Second Tier Junior Obligations.

The RRIF Bond is a special limited obligation of the Authority payable from and secured solely by the RRIF Lien with respect to the Pledged Taxes, the Pledged Taxes Accounts, and the Pledged Accounts and subject, with respect to the Pledged Taxes and the Pledged Taxes Accounts, to the prior pledges that have been and may hereafter be created in favor of the Senior Obligations. The RRIF Bond is a "Subordinate Obligation" as that term is defined by and under the Prior Bond Resolution and the Parity Bond Master Resolution.

There are hereby pledged for the payment of the RRIF Bond (a) amounts in the Pledged Accounts, and earnings thereon, and such pledge is hereby declared to be a charge on the amounts in such accounts equal to the charge of any other Second Tier Junior Obligations owed to the RRIF Lender thereon, and superior to all other charges of any kind or nature, and (b) the Pledged Taxes and amounts in the Pledged Taxes Accounts and earnings thereon, to the extent amounts and earnings in the Pledged Taxes Accounts represent revenues from Pledged Taxes, and such pledge is hereby declared to be a prior charge upon the Pledged Taxes and such accounts superior to all other charges of any kind or nature except the charge of the Prior Bonds on Local Option Taxes and such accounts and the charges of the Parity Bonds and the First Tier Junior Obligations on Pledged Taxes and such accounts, and equal to the charge of any other Second Tier Junior Obligations.

Following the occurrence and during the continuance of a default under the Prior Bond Resolution or the Parity Bond Master Resolution or any Series Resolution authorizing the issuance of First Tier Junior Obligations, Local Option Taxes or Pledged Taxes may not be used to pay the principal of or interest on Second Tier Junior Obligations unless all deposits and payments required to be made with respect to the Senior Obligations have been fully made or paid.

The RRIF Bond is not an obligation of the State of Washington or any political subdivision thereof other than the Authority. The RRIF Bond does not constitute a lien or charge upon any general fund or upon any money or other property of the Authority not specifically pledged thereto.

Section 8. Future Bonds. The Authority may issue Future Bonds only in accordance with the provisions of the RRIF Loan Agreement.

Section 9. No Acceleration. Upon the occurrence of a default under this Resolution, the RRIF Bond, or the RRIF Loan Agreement, no payment of the RRIF Bond shall be subject to acceleration. No Series Resolution authorizing a series of Prior Bonds, Parity Bonds, Junior Obligations, or other obligations for borrowed money secured by a pledge of the Local Option Taxes or the Pledged Taxes shall provide that the maturity date of such Prior Bonds, Parity Bonds, Junior Obligations, or other obligations may be accelerated (not including any indirect acceleration of the maturity thereof through reimbursement obligations to the provider of a credit facility occurring as a result of the mandatory tender for purchase thereof).

Section 10. No Defeasance. The Authority shall not defease the RRIF Bond without the prior written consent of the RRIF Lender.

Section 11. Creation of Accounts. The Authority is authorized to create, if necessary, and maintain the accounts described in and for the purposes described in the RRIF Loan Agreement, including the Pledged Accounts, and the Authority is hereby directed to create the Pledged Accounts, to the extent not already created.

Section 12. Contract; Severability. The covenants or agreements contained in this Resolution shall constitute a contract between the Authority and the RRIF Lender. If any one or

more of the covenants or agreements provided in this Resolution to be performed on the part of the Authority shall be declared by any court of competent jurisdiction and final appeal (if any appeal be taken) to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Resolution and shall in no way affect the validity of the other provisions of this Resolution or of the RRIF Bond or the RRIF Loan Agreement.

Section 13. General Authorization. Each Designated Authority Representative, or respective designee or designees of such Designated Authority Representative, is individually authorized to take such actions and to execute such documents as in the judgment of such officer may be necessary or desirable to carry out the transactions contemplated in connection with this Resolution, and to do everything necessary or desirable (a) for the prompt delivery of the RRIF Bond to the RRIF Lender, (b) for the proper application, use, and investment of the proceeds of the RRIF Bond, or (c) to comply in all respects with the provisions of the RRIF Bond and the RRIF Loan Agreement.

Section 14. Authorized Budget Amendments. The Chief Financial Officer of the Authority is authorized and directed to determine the fees and expenses that will be payable in connection with the execution and delivery of the RRIF Bond and the RRIF Loan Agreement and to amend or cause to be amended the Authority's adopted budgets to include such amounts.

Section 15. Ratification of Prior Acts. Any action taken by or on behalf of the Authority and consistent with the intent of this Resolution but prior to the effective date of this Resolution, is hereby ratified, approved, and confirmed.

Section 16. Effective Date. This Resolution shall take effect immediately upon its adoption.
