Background

The Sound Transit Community Oversight Panel is a 15-member advisory committee of community volunteers appointed by the Sound Transit Board to monitor and report on Sound Transit's performance in delivering on the commitments it made in Sound Move, ST2, and ST3. The COP is charged with an annual review of Sound Transit's performance and financial plan and provides reports and recommendations to the Board.

The current responsibilities include monitoring Sound Transit's performance in the following areas:

- Community engagement activities
- Project planning and alignment decisions
- Budget and financial plan
- Project schedule and budget adherence

- Agency performance audits
- Social justice and equity
- Passenger experience
- In the summer of 2023, staff began a recruiting effort to fill the vacancy of recently resigned COP member Tracy Oster representing the Pierce County geographical subarea. As recruiting efforts continued, member Joe Scorcio's term ended, and he informed the panel that he would not seek to serve an additional term. Shortly thereafter, member Gabriel Clark informed the panel that he was resigning. In May 2024, the Sound Transit Board filled two of the three vacancies through approval of Motion No. M2024-29. If approved, this action will fill the third vacancy.

COP Candidate qualifications include:

- Residing and/or working in King County, Pierce County, or Snohomish County within the Sound Transit district boundary.
- Having experience, skills, or insight in one or more of the Community Oversight Panel's responsibilities - community engagement activities, project planning and alignment decisions, budget and financial plan, project schedule and budget adherence, agency performance audits, social justice and equity, and passenger experience.
- Being able to attend meetings once each month in the evening, either in person or via virtual meeting platform.

At its June 6, 2024 meeting, the Executive Committee received a nomination to appoint Linda Dorris to serve on the panel representing the Pierce County subarea. The Executive Committee directed that the appointment be forwarded to the Board for consideration.
