# Why we are here

## Today's Goal

- Adopt permanent name for NE 130<sup>th</sup> Infill Station

## Agenda

- Overview of updated station naming policy
- Present shortlist and final name recommendations

*How names comply with the Station Naming policy*

*Feedback received from the public and stakeholders*

***Updated naming policy  
overview***

# Station Naming Policy Update (R2021-14)

*Priorities for potential names. Commuter rail and light rail station names should be chosen in this order:*

1. City
2. Neighborhood
3. Landmark
4. Street or combination of a city or neighborhood name with a minor street or landmark.

## ***Additional Criteria***

- Prioritize wayfinding = geography
- Regional names useful for end-of-line stations
- Process = Internal > Public > Board Action
- Renaming guidance – 10 yr. min and/or with expansion

*Station names must be considered based on their adherence to the following principles:*

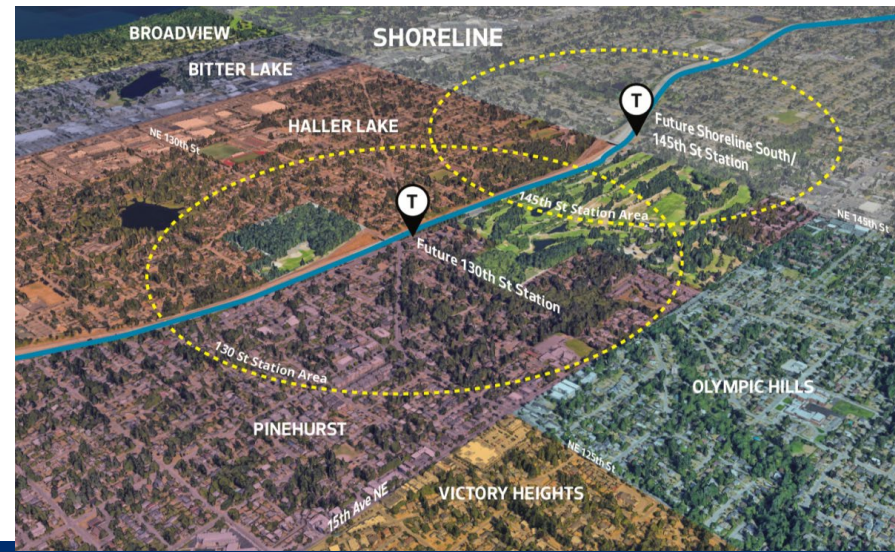

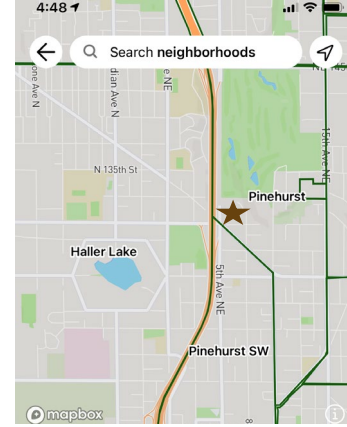

- Avoid redundancy
- Be appropriate
- Be accessible
- Be intuitive
- Be easily implemented
- Reflect geography: avoid corporate & honorific names
- Be brief & easy to remember: 1-3 word / 26 character limit
