# Financial Plan Review

Presentation to the Sound Transit Board of Directors – Finance and Audit Committee

March 13, 2025

## **Financial Plan Review**

KPMG was engaged to conduct a detailed review of Sound Transit's Financial Plan. Key areas of analysis included:

- Review of financial plan documents and discussions with staff to understand the assumptions, forecasts, and data inputs.
- Comparison with peer and other leading agencies published financial plans.

#### Internal Procedure Documents Review Criteria:

Consistency	Organization	
Key Assumptions		

#### Financial Plan Peer Agency Comparison Criteria:

Assumptions & Inputs		Risks & Sensitivi	ties
Plan & Forecast Updates		Information Presen	tation
	Qualitative	Messaging	

### **Criteria for Comparison**

Criteria	Description
Assumptions & Inputs	Presentation and description of the assumptions and inputs that go into the long-term forecasts.
<b>Risks &amp; Sensitivities</b>	Description and likelihood of risk factors that could potentially affect long-term forecasts.
Plan & Forecast Updates	Comparison to the prior forecasts both quantitatively and qualitatively.
Information Presentation	How the information in the report is <i>presented</i> to clearly convey information to the reader.
Qualitative Messaging	Considers how the report provides <i>context</i> to the reader regarding the significance of the Financial Plan.

# **Selection of Peer Agencies for Review**

Four agencies selected based on Accessibility, Presentation and Content of their Financial Plan:

DART	Dallas Area Rapid Transit
LACMTA	Los Angeles County Metropolitan Transportation Authority
MTA	MTA New York City Transit
WMATA	Washington Metropolitan Area Transit Authority

**Criteria for Selection:** Funding Sources, Revenue, Debt, Planned Capex, Operating Metrics, High Quality Financial Plan

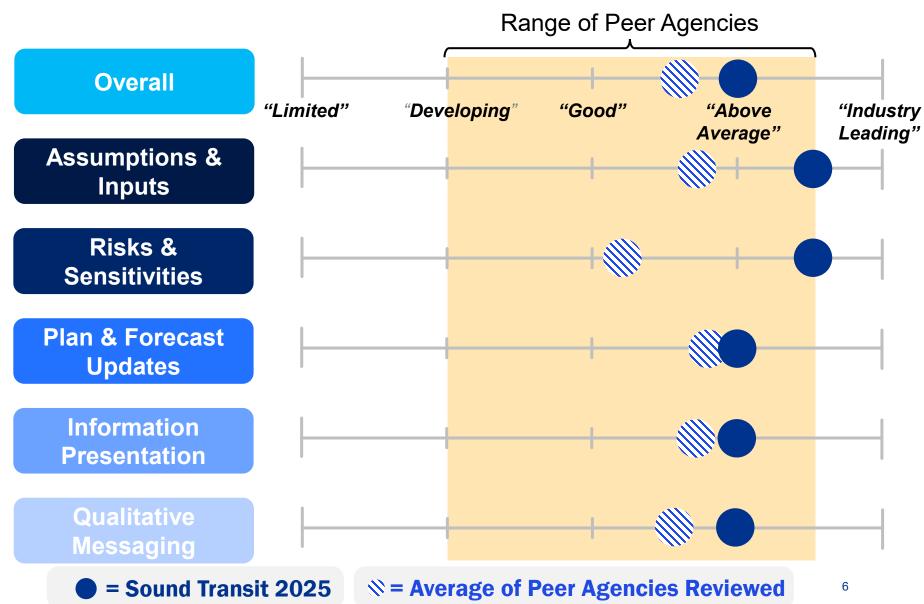

# **Financial Plan Review Key Findings**

#### Strength in 2025 Financial Plan

	Agency Overview	Summarize counties, economy, industries, and challenges for regional context.
	Goals and Strategic Messaging	Outline strategic plan and priorities, highlighting operational improvements and financial relevance.
<b>.</b>	Organizational Structure	Describe agency roles and key decision-makers for insight into decision-making and controls.
Additional Opportunities		
	Master Procedures Document	Enhance master document with flow charts and a matrix to show process links and assumptions.
ılı.	Information Presentation	Show annual short-medium term results for clearer understanding.

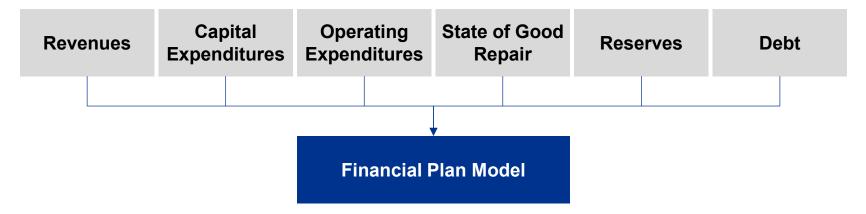

### **Peer Agencies Review Findings**

#### **Sound Transit Procedures and Assumptions Review Findings**

Areas of Strength	
Organization	The procedures are organized and documented to the appropriate level of details for the intended purpose.
Consistency	No inconsistency was uncovered within and between procedures. Each input procedure was cross checked against all output categories.
QAQC	The assumptions and outputs were then verified by KPMG to ensure they were consistent with Sound Transit's internal documentation and best practices.

### Conclusions

KPMG's review of financial plan documents, staff discussions and comparison with peer agencies' financial plans confirmed the following:

#### **Well Organized Procedures**

Sound Transit's procedures were already organized and documented to the appropriate level of details for the intended purpose

#### **Above Average Financial Plan**

On criteria examined the agency ranks above peers

#### **2025 Improvements**

A review of 2025 materials suggests important improvements have been achieved
